The meetings of the Commission are open to the public. Members of the public may address the Commission on any agenda item or on its item of interest, which is within the subject matter jurisdiction of the Commission, by submitting a written request to the Commission prior to the meeting. Three (3) minutes are allowed for each item (per person) on the agenda and 15 minutes total for non-agenda items unless the Commission sets alternative limits or other allocations of time. The Commission may consider Agenda items to accommodate the schedule of Members of the Commission, speakers, and the public within the time set forth for the Commission meetings, and not necessarily in the numerical order as printed on the agenda.
