

STATEMENT OF NANCY M. DURAZO
CANDIDATE FOR SECOND MEMBER,
BOARD OF RETIREMENT

I am a dedicated public servant, Los Angeles native, and retirement pension advocate. Born and raised in Los Angeles, I have built my career serving the public through positions in the city, county, and state government. My professional experience includes accounting, human resources, labor relations, legislative affairs, public communications, compliance, and organizational leadership.

My educational background in Business and Public Administration has provided me with a strong foundation in financial stewardship, organizational management, public policy, and strategic leadership. Throughout my career, I have remained committed to strengthening government operations, promoting accountability, and delivering quality public services.

As a Los Angeles County employee and elected Trustee of the Los Angeles County Employees Retirement (LACERA) Board, I am committed to protecting the retirement pensions of active and retired public servants. In my elected leadership role, I help oversee pension governance, financial accountability, and policies that impact the long term strength and sustainability of the retirement system. As Chair of the Operations Oversight Committee, I work to promote transparency, operational excellence, and responsible stewardship of member resources.
