

**STATEMENT OF MATTHEW R. DESURRA
CANDIDATE FOR THIRD MEMBER,
BOARD OF RETIREMENT**

Age: 37

Occupation: DPSS Eligibility Worker

My name is Matthew Desurra, I am a 10 year Los Angeles County Employee, an Army Veteran, and a Union Steward. I am deeply committed to the future of our L.A. County retirees and the preservation of LACERA for our future retirees. It is my commitment to be a watchdog and protector of our pensions countywide and ensure a good quality of life for our LACERA members. As one of your fellow county employees, I have extensive experience assisting the public with obtaining benefits, and in the same way I will tirelessly look out for our members interest. If duly elected as your trustee, along with the trustees appointed by the Board of Supervisors, I will ensure that our LACERA pension is managed effectively and ethically in accordance with the law and that our future and current retired members have a secure and dignified retirement after their years of dedicated county service. I would be honored to have your vote.
