70-B. Los Angeles County's Aging and Disabilities Analysis of California's Intrastate Funding Formula Modernization

Recommendation as submitted by Supervisors Horvath and Hahn: Suspend Section 22.1 of the Rules of the Board for the limited purpose of considering this motion. Direct the Chief Executive Officer, through the Legislative Affairs and Intergovernmental Relations (CEO-LAIR) Branch, to send a five-signature letter to the California Department of Aging (CDA), with copies to the Los Angeles County State Legislative Delegation, the Director of the California Department of Finance, the Senate President pro Tempore, and the Assembly Speaker, opposing the proposed changes to the Intrastate Funding Formula (IFF); expressing the significant harm that it would cause to the County, the region, and its residents; requesting a temporary pause in the adoption of the proposed IFF, prior to submission to the Administration for Community Living (ACL), to allow for targeted refinement and validation of the model. The letter should advocate for an IFF weighting methodology of 25% 60+ population, 25% 60+ low income, 20% 60+ racial/ethnic minority, 20% 60+ disability, and 10% 60+ geographic isolation, and request that CDA publish the fiscal impact of this alternative for all 33 Planning and Service Areas (PSAs) together with reasonable alternative scenarios before final adoption;

Instruct the Director of Aging and Disabilities to include in the County's formal public comments a request that CDA evaluate demographic change using both percentage growth and absolute numerical growth in adults age 60 and older and demonstrate how the selected factor weights align with actual service demand and the Older Americans Act (OAA) requirement to target populations with the greatest economic and social need;

Direct CEO-LAIR to advocate for proposals that secure the strongest possible outcome for the County, work to minimize any potential funding reductions for high-need regions, and support a balanced and sustainable Statewide funding approach;

Instruct the Director of Aging and Disabilities to request that CDA evaluate whether reducing the current formula from seven factors to five equally weighted factors adequately balances rural access needs with population scale and other indicators of greatest economic and social need; and, if necessary, model additional need-based factors or structural mechanisms, including social isolation/living alone, without using such modeling to delay consideration of the County's 25/25/20/20/10 recommendation;

Instruct the Director of Aging and Disabilities to coordinate with County-operated Area Agencies on Aging, California Association of Area Agencies on Aging, large urban PSAs, rural county partners, service providers, and aging and disability advocates to advance a Statewide administrative funding solution and an equitable IFF that does not frame the issue as urban versus rural; and

Instruct the Director of Aging and Disabilities to transmit the County's final public comments and supporting demographic and fiscal analyses for inclusion in the administrative record no later than September 21, 2026, and, as appropriate, the materials submitted by CDA to ACL; and report back to the Board within 60 days on CDA's response, legislative developments, revised modeling, and anticipated impacts on PSA 19 and the County's contracted provider network. (26-5878)

III. SPECIAL DISTRICT AGENDA

**5-D. Los Angeles County Affordable Housing Solutions Agency
Technical Assistance Grant Agreement - Carmelitos Community
Outreach and Vision Planning**

Recommendation as submitted by Supervisor Hahn: Authorize the Executive Director of the Los Angeles County Development Authority (LACDA) to execute the Los Angeles County Affordable Housing Solutions Agency Technical Assistance grant agreement and any amendments necessary to implement community engagement, technical assistance, and planning activities for Carmelitos Housing Development, located in the city of Long Beach. Authorize the Executive Director to incorporate \$500,000 in grant funds into LACDA's Fiscal Year 2026-27 approved budget, as needed, for this purpose. Find that the proposed actions are not subject to the California Environmental Quality Act. (26-5418)
