

STATEMENT OF TENE TATE
CANDIDATE FOR SECOND MEMBER,
BOARD OF INVESTMENTS

Age: 46

Occupation: Principal Analyst

I am seeking election to the LACERA Board of Investments to help ensure the long-term strength and sustainability of our retirement system.

For 19 years, I have served Los Angeles County in positions involving fiscal oversight, budgeting, governance, compliance, and strategic planning. I hold a Master's degree in Public Administration and Management, and my experience as a Principal Analyst in the Chief Executive Office has prepared me to serve as an effective steward of member interests. I want to serve the dedicated employees who depend on LACERA to safeguard the retirement benefits they have earned through their service to our communities.

Our pension system is one of the most important commitments made to County employees. Protecting that commitment requires careful oversight, prudent decision-making, and a focus on long-term financial stability.

As a Trustee, I will advocate for investment decisions that protect the retirement security of current and future generations of County employees. I will advocate to ensure that LACERA's investment program continues to protect and grow retirement assets while maintaining transparency and accountability to its members. County employees should have a clear understanding of how their retirement funds are being managed and confidence that decisions are being made in their best interests.

If elected, I will bring a disciplined approach to governance, a commitment to fiduciary responsibility, and a focus on protecting the long-term interests of LACERA members through prudent oversight, transparency, and sound decision-making.
