### **(PROPOSED) CODE OF CONDUCT**

The Commission on HIV welcomes commissioners, guests, and the public into a space where people of all opinions and backgrounds are able to contribute. In this space, we challenge ourselves to be self-reflective and committed to an ongoing understanding of each other and the complex intersectionality of the lives we live. We create a safe environment where we celebrate differences while striving for consensus in the fights against our common enemies: HIV and STDs. We build trust in each other by having honest, respectful, and productive conversations. As a result, the Commission has adopted and is consistently committed to implementing the following guidelines for Commission, committee, and associated meetings.

**All participants and stakeholders should adhere to the following:**

- 1) We approach all our interactions with compassion, respect, and transparency.**
- 2) We respect others' time by starting and ending meetings on time, being punctual, and staying present.**
- 3) We listen with intent, avoid interrupting others, and elevate each other's voices.**
- 4) We encourage all to bring forth ideas for discussion, community planning, and consensus.**
- 5) We focus on the issue, not the person raising the issue.**
- 6) We give and accept respectful and constructive feedback.**
- 7) We keep all issues on the table (no "hidden agendas"), avoid monopolizing discussions and minimize side conversations.**
- 8) We have no place in our deliberations for racist, sexist, homophobic, transphobic, and other discriminatory statements, and "-isms" including misogyny, ableism, and ageism.**
- 9) We give ourselves permission to learn from our mistakes.**
