CODE OF CONDUCT

The Commission on HIV welcomes commissioners, guests, and the public into a space where people of all opinions and backgrounds are able to contribute. In this space, we challenge ourselves to be self-reflective and committed to an ongoing understanding of each other and the complex intersectionality of the lives we live. We create a safe environment where we celebrate differences while striving for consensus in the fights against our common enemies: HIV and STDs. We build trust in each other by having honest, respectful, and productive conversations. As a result, the Commission has adopted and is consistently committed to implementing the following guidelines for Commission, committee, and associated meetings.

All participants and stakeholders should adhere to the following:

- 1) We approach all our interactions with compassion, respect, and transparency.**
- 2) We respect others' time by starting and ending meetings on time, being punctual, and staying present.**
- 3) We listen with intent, avoid interrupting others, and elevate each other's voices.**
- 4) We encourage all to bring forth ideas for discussion, community planning, and consensus.**
- 5) We focus on the issue, not the person raising the issue.**
- 6) Be flexible, open-minded, and solution-focused.**
- 7) We give and accept respectful and constructive feedback.**
- 8) We keep all issues on the table (no "hidden agendas"), avoid monopolizing discussions and minimize side conversations.**
- 9) We have no place in our deliberations for racist, sexist, homophobic, transphobic, and other discriminatory statements, and "-isms" including misogyny, ableism, and ageism.**
- 10) We give ourselves permission to learn from our mistakes.**

In response to violation of the Code of Conduct which results in meeting disruption, Include provisions of SB 1100 which states in part, ". . . authorize the presiding member of the legislative body conducting a meeting or their designee to remove, or cause the removal of, an individual for disrupting the meeting Removal to be preceded by a warning to the individual by the presiding member of the legislative body or their designee that the individual's behavior is disrupting the meeting and that the individual's failure to cease their behavior may result in their removal." Complaints related to internal Commission matters such as alleged violation of the Code of Conduct or other disputes among members are addressed and resolved in adherence to Policy/Procedure #08.3302." (Commission Bylaws, Article VII, Section 4.)

a. Last Meeting Recap (April 25, 2023)

Y. Tapia provided a recap of the April 25, 2023 Transgender Caucus meeting. Key points from the meeting were as follows:

- The Caucus also heard from Camila Camaleón, a community member who shared her expertise and experience in leading health advocacy efforts benefiting the Transgender community. She framed her discussion on the premise that there are areas outside of the greater Los Angeles metropolitan area that lack representation in research studies and data collection efforts for LGBTQ+ communities; and an appeal to consider a larger framework for HIV preventative care through youth.
- Commission staffed a presentation on an Overview of the Commission on HIV and the role of Caucuses to help the Transgender Caucus attendees learn more about the COH and identify strategies for directing the work of the Caucus in alignment with the charge of the COH.

3. Executive Director/Staff Report

a. 2023 Commission Training Calendar

- Jose Rangel-Garibay shared the 2023 Commission Training Calendar and noted that recordings are available for trainings that have already taken place.

4. DISCUSSION: Review activities for 2023

a. 2023 Meeting Calendar

- J. Rangel-Garibay provided an overview of the 2023 meeting calendar and reminded the caucus members that the July meeting will be in-person.

b. July Caucus meeting

- Xelestíal Moreno-Luz, co-chair, recommended to host a community planning session at the July in-person meeting to solicit feedback for the Trans Summit in the fall. Y. Tapia suggested adding a networking component to the meeting to allow caucus members and guests to get to know each other better.

c. October Summit

- The Caucus reviewed the agenda for the 2016 Trans Health Summit and brainstormed topics and speakers for the keynote, plenary and breakout sessions for the summit. The

document is included in the meeting packet. Topics include Intergenerational Community Building Space, Policy and Advocacy, Trans History, Trans Media, Trans and HIV, Building Collaborative Partnerships. The Caucus and COH will explore the possibility of offering CEUs for the attendees.

- The Caucus decided to change the date of the summit to Thursday November 2, 2023 from 8am-4pm. COH staff will make the conference room reservation at the Vermont Corridor.
- COH staff will coordinate a meeting the Caucus co-chairs to discuss the budget and potential expenses for the summit.

5. Meeting Confirmation and Agenda Development for Next Meeting

- The next meeting will be virtual on June 27th, 2023 via WebEx.
- The Caucus will continue planning for the July in-person learning session and the “Trans Health Summit” in November.

6. Public Comments and Announcements

- Y. Tapia asked about the County’s policy/implementation plan for Doxy (Doxycycline) Post-Exposure Prophylaxis (PEP). Lene Reynolds, Division on HIV and STD Programs (DHSP) staff member, shared that they will notify Mario Perez, DHSP Director, about the request and report back to the Commission and Caucus. They also shared the following Doxy PEP messaging excerpt: "If you have sex again within 24 hours of taking doxycycline, take another dose 24 hours after your last dose. You can take doxycycline as often as every day when you are having condomless sex but don't take more than 200 mg (two 100 mg pills) every 24 hours"
