7. January 2025 Windstorm and Critical Fire Events Bi-Weekly Emergency Contracts Report

Recommendation: Review the emergency actions ordered and taken by the Director of Internal Services, under delegated authority by the Board, acting as both the County and the Governing Body of various Districts, under Board Order No. 13-C of January 28, 2025, to respond to and recover from the January 2025 Windstorm and Critical Fire Events, including the Palisades Fire, Eaton Fire, Hurst Fire, Kenneth Fire, and multiple other fires (LA County Fires) (1, 3 and 5) and actions enumerated in the aforementioned authorities (Actions), without giving notice for bids to let contracts, and determine that there is a need to continue the emergency Actions. Find that there is substantial evidence that the January 2025 Windstorm and Critical Fire Events continue to constitute an emergency pursuant to Public Contract Code Section 22050, which requires that immediate action be taken to cleanup and reconstruct public property, buildings, facilities, and infrastructure because the emergency does not permit the delay resulting from a formal competitive solicitation of bids and/or proposals to procure construction, materials, equipment and services for projects and initiatives necessary to respond to and recover from the LA County Fires. Find that authority should, therefore, continue to be delegated to the Director of Internal Services to amend or extend and supplement existing as-needed or on-call contracts without giving notice for bids to let contracts related to facilities and related support services, and to award new contracts for response to and recovery from the LA County Fires, and such contracts should be issued because they are necessary to respond to the emergency. **(Internal Services Department)** APPROVE **4-VOTES** (25-1148)

8. Phased Redevelopment of the Los Angeles County General Hospital and West Campus Master Option Agreement

Recommendation: Find that the recommended actions either do not constitute a project under the California Environmental Quality Act (CEQA) or are within the scope of the project impacts analyzed in the County's certified Subsequent Environmental Impact Report (SEIR) for the previously approved Los Angeles County General Hospital Campus Master Plan (Master Plan); authorize the Director of Economic Opportunity (DEO) to make findings in connection with the delegated actions herein that the actions are within the scope of the SEIR, if appropriate, and that pursuant to State CEQA Guidelines Sections 15162 and 15168, no new environmental document is required, that the Board's previously approved Findings of Fact, Statement of Overriding Considerations and Mitigation Monitoring and Reporting Program continue to apply to delegated actions proposed for approval, and to file Notices of Determination, as appropriate, in connection with such approvals. Adopt an enabling ordinance authorizing the ground lease agreements between the County and Centennial Partners pursuant to Government Code section 25515 et seq. Find the following: the proposed ground leases will result in economic benefits to the County; the public benefit of the proposed lease agreements is expected to be greater than the public benefit which would result from the sale of the property; a reasonable expectation exists that future public need justifies retention of the fee ownership of the property; and the proposed leases will not interfere with the use or development of the remaining public property. Authorize the Director to take the following actions: (Supervisorial District 1) **(Department of Economic Opportunity)** ADOPT **4-VOTES** (Relates to Agenda No. 12)

Negotiate and execute a Master Option Agreement (MOA) with Centennial Partners (Developer), in a form substantially consistent with the development framework and general conditions described herein, for the proposed phased redevelopment of approximately 30.8 acres of the Los Angeles County General Hospital and West Campus (Campus), provided that the MOA is executed no later than June 30, 2027, or such later date to which the term of the Exclusive Negotiating Agreement (ENA) with the Developer may be extended and the material terms of the MOA remain consistent with the authority granted by the Board herein; and to execute any amendments to the MOA that are consistent with such authority.

Oversee the proposed phased build-out of the Campus and ensure that development proceeds in accordance with the Master Plan and Use &

Development Standards, adopted by the Board on October 20, 2026; the SEIR, certified by the Board on October 20, 2026, such that development is determined by DEO to be within the scope of the impacts analyzed in the SEIR; the Option Release Process, to be memorialized in the MOA; and the Community Benefits Agreement Framework, executed between the Developer and The Los Angeles General Medical Center Foundation, Inc. on behalf of the Health Innovation Community Partnership, attached hereto, which the County will enforce as a third party beneficiary (collectively, the Governing Framework), such that, at full build-out as proposed, the Campus is a mixed-use "Healthy Village" in which the total development for each land use is within the range shown in the development program described herein.

Approve Project Proposals submitted under the MOA for Phase-specific development (each, a Phase Plan), and negotiate and execute future proposed Project Option Agreements with Developer, or DEO-approved assignee, for each such Phase Plan (each, a Phase Plan Option), provided that each Phase Plan and Phase Plan Option is substantially consistent with the Governing Framework and that the Developer and its affiliates are not then in an uncured material default under the MOA, any proposed Phase Plan Option, or any previously executed ground lease on the Campus.

Negotiate and execute one or more ground leases with Developer, or DEO-approved assignee, for Category 1 Projects and Category 2 Projects (each as defined in the MOA and described below) following exercise of the applicable Phase Plan Option to draw down a ground lease and satisfaction of the conditions established in the applicable Phase Plan Option for the applicable development site, provided that the proposed ground lease and proposed development of the applicable Phase Plan remain consistent with the authority granted herein.

Execute amendments and ancillary documentation necessary to effectuate the MOA, applicable Phase Plan Option, or ground leases, provided that such actions are consistent with the terms and limitations authorized by the Board herein and do not otherwise require further Board approval.

Amend the Campus Stabilization Disbursement Agreement in an amount not to exceed $665,000 from the Los Angeles County Department of Health Services Fund Balance for the development of a Concept and Schematic Design for a proposed new facility to replace the existing Supply Chain Warehouse. Recommendation: Review the emergency actions ordered and taken by the Director of Public Works, under delegated authority by the Board, acting as both the County and the Governing Body of various Districts, under Board Order No. 13-C of January 28, 2025, to respond and recover from the January 2025 Windstorm and Critical Fire Events, including the Palisades Fire, Eaton Fire, Hurst Fire, Kenneth Fire, and multiple other fires (LA County Fires) (3 and 5), and actions to repair or replace public facilities, actions directly related and immediately required by the emergency, and actions to procure the necessary equipment, services and supplies for such purposes (Actions), without giving notice for bids to let contracts, and determine that there is a need to continue the emergency Actions. Take the following actions: **(Department of Public Works)** APPROVE **4-VOTES**

Find that there is substantial evidence that the January 2025 Windstorm and Critical Fire Events continue to constitute an emergency pursuant to Public Contract Code Section 22050, which requires that immediate action be taken to cleanup and reconstruct public property, buildings, facilities, and infrastructure because the emergency does not permit the delay resulting from a formal competitive solicitation of bids to procure construction services for projects necessary to respond to and recover from the LA County Fires.

AGENDA

In accordance with the Brown Act, all matters to be acted on by the Board must be posted at least 72 hours prior to the Board meeting. In cases of an emergency, or when a subject matter needs immediate action or comes to the attention of the Board subsequent to the agenda being posted, upon making certain findings, the Board may act on an item that was not on the posted agenda.

The majority of the Board's Tuesday agenda is a consent calendar. All matters included on the consent calendar (including Board of Supervisors items and Administrative Matters) may be approved by one motion unless held by a Board Member for discussion. During the reading of the Agenda, the Executive Officer will indicate which items have been requested to be held for discussion or continued to a future meeting, and the remaining items will be approved. Items which are set for a certain time may or may not be called up at exactly the time indicated, depending on the business of the Board. The items that are held for discussion may be taken up at any time, depending on the business of the Board. Each item includes a brief summary of the Board member's motion or department's recommended action, and in some instances, a corresponding recommendation from the Chief Executive Officer, indicated in capital letters.

Included at the end of each agenda are items which have been continued from previous meetings for further discussion and action by the Board. This portion of the agenda is commonly referred to as the "A-item Agenda." At the request of a Supervisor, the A-items may be called up for consideration at any time.

INFORMATION RELATING TO AGENDAS AND BOARD ACTIONS

Agendas for the Board meetings are available on Thursday mornings in the Executive Office and on the Internet.
