Community Services**8. January 2025 Windstorm and Critical Fire Events Bi-Weekly Emergency Contracts Report**

Recommendation: Review the emergency actions ordered and taken by the Director of Public Works, under delegated authority by the Board, acting as both the County and the Governing Body of various Districts, under Board Order No. 13-C of January 28, 2025, to respond and recover from the January 2025 Windstorm and Critical Fire Events, including the Palisades Fire, Eaton Fire, Hurst Fire, Kenneth Fire, and multiple other fires (LA County Fires) (3 and 5), and actions to repair or replace public facilities, actions directly related and immediately required by the emergency, and actions to procure the necessary equipment, services and supplies for such purposes (Actions), without giving notice for bids to let contracts, and determine that there is a need to continue the emergency Actions. Take the following actions: **(Department of Public Works) APPROVE 4-VOTES**

Find that there is substantial evidence that the January 2025 Windstorm and Critical Fire Events continue to constitute an emergency pursuant to Public Contract Code Section 22050, which requires that immediate action be taken to cleanup and reconstruct public property, buildings, facilities, and infrastructure because the emergency does not permit the delay resulting from a formal competitive solicitation of bids to procure construction services for projects necessary to respond to and recover from the LA County Fires.

Find that authority should, therefore, continue to be delegated to the Director of Public Works to amend or extend and supplement existing as-needed or on-call contracts without giving notice for bids to let contracts, and to award new contracts for response to and recovery from the LA County Fires, and such contracts should be issued because they are necessary to respond to the emergency. AGENDA

In accordance with the Brown Act, all matters to be acted on by the Board must be posted at least 72 hours prior to the Board meeting. In cases of an emergency, or when a subject matter needs immediate action or comes to the attention of the Board subsequent to the agenda being posted, upon making certain findings, the Board may act on an item that was not on the posted agenda.

The majority of the Board's Tuesday agenda is a consent calendar. All matters included on the consent calendar (including Board of Supervisors items and Administrative Matters) may be approved by one motion unless held by a Board Member for discussion. During the reading of the Agenda, the Executive Officer will indicate which items have been requested to be held for discussion or continued to a future meeting, and the remaining items will be approved. Items which are set for a certain time may or may not be called up at exactly the time indicated, depending on the business of the Board. The items that are held for discussion may be taken up at any time, depending on the business of the Board. Each item includes a brief summary of the Board member's motion or department's recommended action, and in some instances, a corresponding recommendation from the Chief Executive Officer, indicated in capital letters.

Included at the end of each agenda are items which have been continued from previous meetings for further discussion and action by the Board. This portion of the agenda is commonly referred to as the "A-item Agenda." At the request of a Supervisor, the A-items may be called up for consideration at any time.

INFORMATION RELATING TO AGENDAS AND BOARD ACTIONS

Agendas for the Board meetings are available on Thursday mornings in the Executive Office and on the Internet. A supplemental agenda that includes corrections, additions or deletions to the agenda is available on Friday afternoons. Internet users may subscribe to and access the agenda on the Los Angeles County homepage at <http://bos.lacounty.gov> under the "Board of Supervisors", and clicking on the "Board of Supervisors Meeting Agendas" link.

Meetings of the Board of Supervisors are recorded on DVD and are available for a nominal charge. A recorded phone message is available immediately following the Board meeting, regarding which items were approved on consent by the Board. A recording of the Board meeting (in Spanish and English) is available within 24-48 hours of a Board meeting at <http://bosvideoap.co.la.ca.us/mgasp/lacounty/homepage.asp> and transcripts are available at <http://file.lacounty.gov/bos/transcripts/>.

After each Board meeting, a Statement of Proceedings is prepared, which indicates the actions taken by the Board including the votes, and is available within 10 days following the meeting.
