

**STATEMENT OF DAVID S. QUAN
CANDIDATE FOR THIRD MEMBER,
BOARD OF RETIREMENT**

Occupation: Pharmacist

I am honored to present myself as a candidate for the LACERA Board of Retirement, representing Harbor-UCLA Medical Center as a Pharmacist.

Retirement is a common goal that unites all of LA County employees. I would like to use my knowledge of finance, investing, and retirement to help LACERA beat the 1-Year 5.0% pension plan policy benchmark.

I enjoy helping my LA County coworkers start investing in their Roth IRAs, 457B, insurance plans and any other retirement advice. When the markets get volatile, my coworkers seek my advice on what to do. I believe the average passive investor should invest in low-cost index funds to weather the storm consistently over time. Overall, I want to help my fellow County coworkers retire early and comfortably. Life is short and our LACERA investments and personal portfolios can sustain our retirement for us if we invest early and wisely.

Retirement is not an unrealistic dream and should be achievable for all LACERA members.

I ask for your vote to make sure our retirement plan is still there when we each cross that finish line in our life stage. Thank you.
