

**STATEMENT OF JASON E. GREEN
CANDIDATE FOR FOURTH MEMBER,
BOARD OF INVESTMENTS**

Age: 50

Occupation: Fire Captain

Fellow Safety Members.

I am seeking your vote to be **your** advocate, and represent you on the LACERA Board of investments.

I have been a LACERA Safety member for almost 22 years. I have worked throughout the County in most rank-and-file positions within the fire department. For the last 3.5 years I have had the honor of representing membership as an elected Local 1014 Board member, advocating at local 1014 and the County Coalition of Unions. I am a fighter, and I have demonstrated integrity, with a strong work ethic; choosing the difficult right, over the easy wrong. I will bring this with me as a trustee and be responsible to all LACERA members.

As an investment trustee; I will ensure with care, that the LACERA system remains a solid and stable fund, protecting our money for current and future retirees. I will hold my fiduciary duties above all else, and be a loyal steward of our retirement system. I will seek professional development through education, and protect LACERA by active involvement with investment organizations at the Local, State, and Federal level.

If you have any questions about my candidacy, please call me at 805-798-3580.

Thank you.

Jason E. Green
