

LOS ANGELES MEMORIAL COLISEUM COMMISSION

Ticket Distribution Policy Details

At its meeting on September 8, 2022, the Los Angeles Memorial Coliseum Commission adopted a policy regarding the distribution and uses of tickets or passes for admission to events at the Coliseum and the former Los Angeles Memorial Sports Arena property, now BMO Stadium, including tickets or passes distributed to members of the Commission, its staff, legal counsel and authorized consultants and agents.

This policy was adopted to ensure that the Coliseum Commission would be in conformance with Section 18944.1(b)(2) of Title 2 of the California Code of Regulations, as amended by the California Fair Political Practices Commission, so that the distribution of such tickets or passes, gifts to any individuals would not be considered as gifts to the recipient for purposes of reporting and disqualification requirements under the California Political Reform Act and also considered as a transaction of value for tax-reporting purposes.

Section 5 of the Commission's policy, as adopted in September 2022, stipulates that the distribution of such tickets or passes for admission to events at the Coliseum and former Sports Arena (BMO Stadium) must have a direct public purpose. The definition of the public purpose associated with such tickets or passes is that the use of the tickets/passes is intended to allow officials and staff of the Coliseum Commission to be present in-person for direct observation and experience at such events, thereby allowing for direct assessment of the management of the facilities and the events. In those instances, when tickets or passes are behested to other individuals by Commission officials, it is expected that such individuals will also thereafter provide to the Coliseum management direct observations about the assessment of operational issues.

All tickets or passes distributed by the Commission must accomplish these public purposes. Any complimentary tickets or passes distributed pursuant to this policy may not be sold for cash or exchanged for any other consideration of value; violations of this prohibition shall result in the revocation of eligibility for any future distribution of tickets and subject the staff member to disciplinary action.

No member of the Coliseum Commission staff may request from any event promoter/planner or anyone associated with or related to an event promoter/planner for complimentary tickets to any events, regardless if the event is held in Exposition Park or elsewhere unless: (a) a clear business purpose is described for the request; and (b) approval to make the request has been provided in writing by the Chief Administrative Officer.
