Policy Matters**4. Hilda L. Solis Aquatic Center Approve Project Budget For New Perimeter Fence**

Recommendation as submitted by Supervisor Solis: Suspend Section 22.1 of the Rules of the Board for the limited purpose of considering this motion. Find that the actions herein are within the scope of the approved project analyzed in the previously adopted Mitigated Negative Declaration for the Hilda L. Solis Aquatic Center Project, Capital Project No. 69909 (Project) and that there are no changes to the Project or to the circumstances under which the Project is undertaken that require further review under the California Environmental Quality Act. Further, find that the previously adopted Mitigated Monitoring and Reporting Program will continue to ensure that all impacts remain less than significant. Adopt a revised Project budget of \$36,560,000 that reflects an increase of \$600,000 from the previous Board-approved amount of \$35,960,000, for the Project, funded with proceeds from the Climate Equity Action Fund. Approve and authorize the Director of Public Works to execute a contract amendment with Balfour Beatty Construction, LLC, for an amount not-to-exceed \$400,000 to design and build the new perimeter fence at the Hilda L. County Operations**7. January 2025 Windstorm and Critical Fire Events Bi-Weekly Emergency Contracts Report**

Recommendation: Review the emergency actions ordered and taken by the Director of Internal Services, under delegated authority by the Board, acting as both the County and the Governing Body of various Districts, under Board Order No. 13-C of January 28, 2025, to respond to and recover from the January 2025 Windstorm and Critical Fire Events, including the Palisades Fire, Eaton Fire, Hurst Fire, Kenneth Fire, and multiple other fires (LA County Fires) (1, 3 and 5) and actions enumerated in the aforementioned authorities (Actions), without giving notice for bids to let contracts, and determine that there is a need to continue the emergency Actions. Find that there is substantial evidence that the January 2025 Windstorm and Critical Fire Events continue to constitute an emergency pursuant to Public Contract Code Section 22050, which requires that immediate action be taken to cleanup and reconstruct public property, buildings, facilities, and infrastructure because the emergency does not permit the delay resulting from a formal competitive solicitation of bids and/or proposals to procure construction, materials, equipment and services for projects and initiatives necessary to respond to and recover from the LA County Fires. Find that authority should, therefore, continue to be delegated to the Director of Internal Services to amend or extend and supplement existing as-needed or on-call contracts without giving notice for bids to let contracts related to facilities and related support services, and to award new contracts for response to and recovery from the LA County Fires, and such contracts should be issued because they are necessary to respond to the emergency. **(Internal Services Department) APPROVE 4-VOTES (25-1148)**

Take the following actions: **(Department of Public Works) APPROVE 4-VOTES**

Find that there is substantial evidence that the January 2025 Windstorm and Critical Fire Events continue to constitute an emergency pursuant to Public Contract Code Section 22050, which requires that immediate action be taken to cleanup and reconstruct public property, buildings, facilities, and infrastructure because the emergency does not permit the delay resulting from a formal competitive solicitation of bids to procure construction services for projects necessary to respond to and recover from the LA County Fires.

Find that authority should, therefore, continue to be delegated to the Director of Public Works to amend or extend and supplement existing as-needed or on-call contracts without giving notice for bids to let contracts, and to award new contracts for response to and recovery from the LA County Fires, and such contracts should be issued because they are necessary to respond to the emergency.
