

**STATEMENT OF ALEEN LYDIA LANGTON  
CANDIDATE FOR THIRD MEMBER,  
BOARD OF INVESTMENTS**

Age: 54

Occupation: Attorney; Office of the County Counsel

For the past 28 years, I have passionately worked as an attorney in the Office of the County Counsel. While advocating for different County departments, I have met countless dedicated employees who deserve the retirement benefits that are promised to them.

As County employees, we are fortunate to have a Defined-Benefit Plan, including a pension and healthcare. However, we need strong advocates on the Board of Investments to ensure that our pensions continue to grow and remain protected.

**As a Trustee, I am committed to fighting for the security of our financial future.** I will apply my experience in contracts, legislation, and policy to fulfill LACERA's mission to produce, protect, and provide the promised benefits to all the hard-working employees of our County.

I want to enhance LACERA's transparency by ensuring that County employees clearly understand the state of LACERA's investments. I want to create an accessible platform for employees to ask questions and learn about their investments, without simply being referred to the LACERA website.

**I respectfully request your vote so I can implement change and protect our retirement benefits.** Thank you for considering me for this position.
