

# I-MED Radiology Recruitment Process

## 1 PERFECT ROLE FOR YOU!

Take a look at our careers website and our available positions. You can search by keywords, locations, job family, job type. Make sure you read the advert fully before deciding to apply.

## 2

### APPLY FOR THE ROLE

Click on the apply button on the bottom of the page and register your application with us. You will be asked to upload your CV and answer some questions, including some contact details.

If none of our current roles are what you are looking for, please create a profile and sign up for alerts!

## 3 REVIEW

From here the hiring teams will review your skills and experience to see if you match the jobs criteria. We will let you know the outcome of this via phone or email as soon as we can

## 4 LET'S TALK!

One of our recruitment specialists will pop you a call to run through some preliminary questions and you can ask any questions about the role.

From there you may be asked to come meet one of the hiring team for an interview, either face to face or via video.

Remember - if this interview is at a clinic, please bring a face mask!

## 5

### BACKGROUND CHECKS

If you are successful post- interview our recruitment specialists will conduct employment reference checks, ask for your vaccination statement and a health form.

## 6 YOU GOT THE JOB!

Once all the background checks are complete we will pop you a call to verbally offer you the role! One of the HR team will draft up your contract and send this to you via our HR portal, IHUB. Simply follow the link and press accept!

Once you have accepted you will receive email confirmation and HR onboarding (30 days before your first day). The hiring team will also reach out to welcome you to the team and explain everything about your first day!
