FIRST AMENDMENT TO CLASS ACTION SETTLEMENT AGREEMENT AND RELEASE

This First Amendment to Class Action Settlement Agreement and Release (the "First Amendment") is entered into by and between Plaintiff Wencong Jiang ("Plaintiff"), individually and on behalf of the Settlement Class, and Defendant Gofo, Inc. ("Gofo" or "Defendant") (together, the "Parties"), through their undersigned counsel, and amends the Class Action Settlement Agreement and Release (the "Agreement" or the "Settlement"), executed by each Party respectively on October 15, 2026 and filed as Exhibit 1 to Plaintiff's Unopposed Motion for Preliminary Approval of Class Action Settlement (ECF No. 64-1).

RECITALS

A. The Parties executed the Agreement on October 15, 2026, and filed it with the Court on October 15, 2026, in connection with Plaintiff's Unopposed Motion for Preliminary Approval of Class Action Settlement (the "Motion') (ECF Nos. 64, 64-1).

B. On October 28, 2026, the Court held a hearing on the Motion, granted preliminary approval of the Settlement, conditionally certified the Class, preliminarily approved of the Settlement compensation as appropriate, preliminarily approved of Plaintiff's counsel as appropriate Class Counsel, and directed the Parties to revise the notice program set forth in Section 9 of the Agreement so that: (1) Notice is initially disseminated to Settlement Class Members no later than November 15, 2026 (the "Notice Date"); (2) a first reminder notice is sent to Settlement Class Members thirty (30) days before the deadline to object to or request exclusion from the Settlement; (3) a second reminder notice is sent to Settlement Class Members seven (7) days before the deadline to object to or request exclusion from the Settlement; and (4) the Final Approval Hearing is to be held on January 20, 2027, at 10:30 a.m. Central Time, in person, in the Court's courtroom (the "Preliminary Approval Hearing").

C. At the Preliminary Approval Hearing, Class Counsel advised the Court that the accelerated Notice Date would compress the time available to obtain contact information for Settlement Class Members whose contact information is held by third parties, including the staffing agencies and contractors that provided Class Contractors to Defendant, and that third-party subpoenas may be required. The Court declined to extend the Notice Date. The Parties enter into this First Amendment to implement the Court's directives while maximizing the reach of direct notice within the time the Court has allowed, and while otherwise preserving the intent of the Parties as set forth in the Agreement to the fullest extent possible, including but not limited to preserving for Settlement Class Members the full sixty (60) day period to timely and validly object to or request exclusion from the Settlement in accordance with the Agreement.

D. Section 17.2 of the Agreement provides that the Agreement may be amended by a written instrument signed by counsel for all Parties, and that deadlines set by the Court may be modified only with Court approval. This First Amendment conforms the Agreement to the schedule set by the Court and is submitted to the Court for approval.

NOW, THEREFORE, in consideration of the mutual promises in the Agreement and this First Amendment, the Parties agree as follows:

1. DEFINITIONS; EFFECT OF THIS FIRST AMENDMENT

1.1 Capitalized terms not defined in this First Amendment shall have the meanings given to them in the Agreement.

1.2 The following terms are added to the Agreement:

(a) **"Notice Date"** means the date on which the Settlement Administrator completes the initial dissemination of Notice by U.S. mail, email, and text message to all Settlement Class Members for whom contact information has been obtained as of that date, which shall be no later than November 15, 2026.

(b) **"Objection/Exclusion Deadline"** means January 14, 2027, which is sixty (60) days after November 15, 2026.

(c) **"Joint Letter"** means the joint letter from Class Counsel and Defendant's Counsel to the staffing agencies and contractors described in Section 9.2 of the Agreement, as modified by Section 3.2 of this First Amendment.

(d) **"Supplemental Notice"** means Notice disseminated after the Notice Date to a Settlement Class Member whose contact information is first obtained, or first corrected, after the Notice Date.

1.3 The sixty (60) day Objection/Exclusion Period provided in the Agreement is preserved in full. It shall run from November 15, 2026, through and including January 14, 2027. Every reference in the Agreement or its Attachments to the close or last day of the Objection/Exclusion Period means January 14, 2027.

1.4 Any deadline or right in the Agreement that is measured from the close of the Objection/Exclusion Period is measured from January 14, 2027; provided, however, that any written election by Defendant to terminate the Settlement based on requests for exclusion, as provided in Section 15 of the Agreement, must be delivered to Class Counsel

by the earlier of: (a) one (1) day prior to the Final Approval Hearing; or (b) ten (10) days after the Objection/Exclusion Period, so that any such election is made before the Final Approval Hearing.

1.5 If any provision of the Agreement or its Attachments conflicts with this First Amendment, this First Amendment controls. Except as expressly provided in this First Amendment, all of the terms and provisions of the Agreement are and will remain unchanged and in full force and effect and are hereby ratified and confirmed by the Parties, including, without limitation, its non-reversionary common-fund structure, the automatic distribution of Settlement Payments without a claim form, the release and its express exclusion of claims against the manufacturers of the biometric devices at issue, the termination provisions. Without limiting the generality of the foregoing, the amendments contained herein will not be construed as an amendment to or waiver of any other provision of the Agreement or as a waiver of or consent to any further or future action on the part of either Party that would require the waiver or consent of the other Party.

2. COURT-ORDERED SCHEDULE

The Parties agree to, and will jointly ask the Court to adopt, the following schedule, which supersedes every inconsistent deadline in the Agreement and its Attachments:

3. CLASS MEMBER CONTACT INFORMATION

3.1 **Class List.** Section 9.1 of the Agreement is amended to replace "within fourteen (14) calendar days after entry of the Preliminary Approval Order" with "no later than November 2, 2026." All other terms of that Section, including the confidentiality of the Class List and Defendant's declaration regarding the Class List, remain in effect. Defendant shall serve that declaration no later than November 6, 2026.

3.2 **Staffing Agencies and Contractors.** Section 9.2 of the Agreement is amended as follows:

(a) **Contractor List.** No later than November 2, 2026, Defendant shall provide to Class Counsel and the Settlement Administrator a list of every staffing agency and contractor that provided workers to Defendant in Illinois during the Class Period (each a "Contractor"), stating for each Contractor, to the extent known after reasonable inquiry: (i) its legal name; (ii) its mailing address; (iii) the name, email address, and telephone number of a contact person; (iv) the Gofo facility or facilities at which its workers were assigned; (v) the dates during which it provided workers; and (vi) the approximate number of workers it provided.

(b) **Delivery of Joint Letter.** No later than November 2, 2026, Class Counsel and Defendant's Counsel shall deliver the Joint Letter, signed by both, to each Contractor by email (where an email address is available) and by overnight courier, with a copy of the Preliminary Approval Order. Defendant's Counsel shall confirm to Class Counsel in writing, the same day, each Contractor to which the Joint Letter was delivered and the method of delivery. The Joint Letter may be delivered before this First Amendment is executed or approved.

(c) **Response Deadline.** The Joint Letter shall request that each Contractor produce the names, last known mailing addresses, cell phone numbers, other telephone numbers, and personal email addresses of the workers it provided to Defendant in Illinois during the Class Period, together with each worker's dates of assignment to Defendant, directly to the Settlement Administrator through a secure transfer

method, no later than November 12, 2026. The thirty (30) calendar day response period, and the thirty (30) calendar day waiting period before issuance of a subpoena, in Section 9.2 of the Agreement are deleted.

(d) **Subpoenas.** Class Counsel may issue subpoenas under Federal Rule of Civil Procedure 45 to any Contractor at any time after delivery of the Joint Letter, without waiting for the Contractor's response deadline to pass, in order to secure compliance in time for Notice or Supplemental Notice. Any such subpoena shall seek only Settlement Class Member contact information and dates of assignment. Class Counsel shall serve notice and a copy of each subpoena on Defendant's Counsel before service on the Contractor, as Rule 45(a)(4) requires, and Defendant agrees that same-day email notice satisfies that Rule and waives any objection to the timing of the subpoenas.

(e) **Cooperation.** Defendant shall cooperate in good faith to obtain each Contractor's voluntary compliance, including by communicating with Contractors through its business contacts at Class Counsel's request, and shall promptly forward to Class Counsel and the Settlement Administrator any response, objection, or request for clarification that it receives from a Contractor.

(f) **Settlement Class Members Identified Through Contractors.** Individuals identified through the Contractor process who satisfy the Settlement Class definition are Settlement Class Members and Class Contractors. Nothing in this First Amendment modifies Section 4.2 of the Agreement, under which the Maximum Gross Fund increases by $935.00 for each Settlement Class Member above 1,482.

3.3 **Supplemental Contact Information.** Section 9.3 of the Agreement is amended to replace "thirty (30) days following entry of the Preliminary Approval Order" with "no later than November 6, 2026."

3.4 **Use of Contact Information.** All contact information produced by Defendant or any Contractor shall be treated as confidential under Section 9.1 of the Agreement and used solely to provide Notice, Supplemental Notice, and Reminder Notice, to administer the Settlement, and to distribute Settlement Payments.

4. NOTICE

4.1 **Notice Date.** Section 9.4 of the Agreement is amended to require the Settlement Administrator to disseminate Notice by U.S. mail, email, and text message no later than November 15, 2026, to every Settlement Class Member for whom it has contact information on that date. Because November 15, 2026 falls on a Sunday, the Settlement Administrator shall deposit mailed Notice with the U.S. Postal Service and send email and text-message Notice no later than Friday, November 13, 2026, to the extent practicable. The Settlement website (in English, Spanish, and Mandarin) and toll-free telephone number shall be operational no later than the Notice Date.

4.2 **Objection/Exclusion Deadline.** Section 9.6 of the Agreement is amended to provide that Settlement Class Members shall have the full sixty (60) days from November 15, 2026, through and including January 14, 2027, to object to or request exclusion from the

Settlement. Requests for exclusion and objections shall be deemed timely if postmarked, or submitted by email, on or before January 14, 2027, in accordance with Sections 10 and 11 of the Agreement.

4.3 **Supplemental Notice.** The Settlement Administrator shall continue to receive contact information from Defendant, Contractors, subpoena responses, skip-tracing, and Settlement Class Members after the Notice Date, and shall send Supplemental Notice by U.S. mail, email, and text message within five (5) business days after obtaining new or corrected contact information. Supplemental Notice shall state the Objection/Exclusion Deadline of January 14, 2027. The Settlement Administrator shall identify in its declarations the number of Supplemental Notices sent and the dates on which they were sent, so that the Court may consider the adequacy of notice to those Settlement Class Members at the Final Approval Hearing.

4.4 **Reminder Notices.** Section 9.5 of the Agreement is amended as follows: "Approximately thirty (30) days before the expiration of the Objection/Exclusion Period, the Settlement Administrator shall send a first reminder email and reminder text message, substantially in the form of Attachment C, to Settlement Class Members (the "First Reminder Notice"). Approximately seven (7) days before the expiration of the Objection/Exclusion Period, the Settlement Administrator shall send a second reminder email and reminder text message, substantially in the form of Attachment C, to Settlement Class Members (the "Second Reminder Notice," together with the First Reminder Notice, the "Reminder Notices")" The Settlement Administrator shall send the Reminder Notices by email and text message to each Settlement Class Member who has not submitted a request for exclusion and for whom it has an email address or cell phone number, and by first-class mail postcard to each such Settlement Class Member for whom it has only a mailing address, substantially in the form of Amended Attachment C.

4.5 **Amended Notice Forms.** Attachments A, B, and C to the Agreement are deleted and replaced in their entirety with Amended Attachments A (long-form Notice and website Notice), B (email and text-message Notice), and C (Reminder Notices) attached to this First Amendment. The Settlement Administrator may make non-substantive formatting changes, and shall insert the settlement website address, toll-free number, and mailing address, without further Court approval.

5. FEE MOTION, FINAL APPROVAL, AND HEARING

5.1 Class Counsel shall file the motion for attorneys' fees, costs, and the Service Award no later than December 30, 2026, at least fourteen (14) days before the Objection/Exclusion Deadline, and the Settlement Administrator shall post it on the Settlement website the same day, so that Settlement Class Members may review it before deciding whether to object. See Fed. R. Civ. P. 23(h)(1).

5.2 Class Counsel shall file the motion for Final Approval no later than January 15, 2027, five (5) days before the Final Approval Hearing, together with (a) the Settlement Administrator's declaration regarding Notice, Supplemental Notice, Reminder Notice, requests for exclusion, and objections, and (b) the Parties' responses to any timely objections. This deadline replaces any provision of the Agreement or of the proposed Preliminary Approval Order (ECF No. 64-4) that would require the motion for Final

Approval or responses to objections to be filed at an earlier time. Filing five (5) days before the hearing allows the motion to report on the complete sixty (60) day Objection/Exclusion Period.

5.3 No later than January 19, 2027, the Settlement Administrator shall file a supplemental declaration reporting any requests for exclusion or objections that were timely postmarked on or before January 14, 2027, but received after its initial declaration, and the Parties may file a brief supplemental response to any such objection by the same date.

5.4 The Final Approval Hearing will be held on January 20, 2027, at 10:30 a.m. Central Time, in person, in Courtroom 1241 of the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, Illinois 60604, or at such other date, time, or place as the Court may order. Notice of any change will be posted on the Settlement website.

6. COURT APPROVAL; MISCELLANEOUS

6.1 The Parties shall jointly submit this First Amendment and the Amended Attachments to the Court for approval and shall request that the Court enter an Amended Preliminary Approval Order adopting the schedule in Section 2. If the Court modifies any date or term of this First Amendment, the Court's order controls, and the Parties shall conform the Notice to that order without further amendment.

6.2 Pending the Court's approval of this First Amendment, the Parties and the Settlement Administrator shall proceed in accordance with it so that the November 15, 2026 Notice deadline is met.

6.3 This First Amendment may be executed in counterparts and by electronic signature, each of which shall be deemed an original, and all of which together constitute one instrument. Each signatory represents that he or she is authorized to sign this First Amendment on behalf of the Party he or she represents.

IN WITNESS WHEREOF, the Parties, through their undersigned counsel, have executed this First Amendment as of the dates below.

NOTICE OF CLASS ACTION SETTLEMENT

Jiang v. Gofo, Inc., Case No. 1:25-cv-12826 (N.D. Ill.)

A United States District Court authorized this Notice. This is not a solicitation from a lawyer. You are not being sued.

Records indicate that you may be a member of a class action settlement because your biometric data (such as a fingerprint or a scan of hand or face geometry) may have been collected while you worked for, or were assigned by a staffing agency or contractor to, Gofo, Inc. in Illinois. This Notice explains your rights and options, and the deadlines to exercise them.

Your Rights and Deadlines at a Glance

Your options	What happens / deadline
Do nothing	You will automatically receive a payment if the Court approves the Settlement. No claim form is needed. You give up your claims against Gofo covered by the release.
Exclude yourself	You receive no payment and keep your right to sue Gofo on your own. Deadline: postmarked or emailed by January 14, 2027.
Object	Tell the Court why you do not like the Settlement. Deadline: mailed or emailed by January 14, 2027.
Attend the hearing	The Final Approval Hearing is on January 20, 2027, at 10:30 a.m. Central Time, in person, in Courtroom 1241 of the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, Illinois 60604. Attending is optional.

1. What is this lawsuit about?

This lawsuit, *Jiang v. Gofo, Inc.*, alleges that Gofo, Inc. ("Gofo") violated the Illinois Biometric Information Privacy Act ("BIPA") by collecting, capturing, storing, or using individuals' biometric identifiers or biometric information, including fingerprints or scans used for timekeeping, without first providing the notice and obtaining the written consent that BIPA requires. Gofo denies that it violated any law. The Court has not decided who is right. The Parties agreed to settle to avoid the risk, expense, and delay of continued litigation.

2. Who is included in the Settlement?

You are a Settlement Class Member if you: (1) resided in Illinois within the past five (5) years; (2) had your biometric identifiers or biometric information collected, captured, received, used, or otherwise obtained by Gofo; (3) qualify as an aggrieved person under BIPA; and (4) do not have claims against Gofo that are subject to binding arbitration. Individuals assigned to Gofo by staffing agencies or contractors who meet these criteria are included. The Class Period is October 21, 2020 through April 20, 2026.

3. What does the Settlement provide?

Gofo has agreed to pay a non-reversionary common fund of $1,385,670.00 (the "Maximum Gross Fund"). No part of this fund will be returned to Gofo. After Court-approved deductions for

attorneys' fees and costs, settlement administration costs, and a Service Award to the Class Representative, the remaining amount (the "Net Fund") will be divided in equal shares among all Settlement Class Members who do not exclude themselves. You do not need to submit a claim form to receive a payment.

Your estimated payment is approximately $571. The exact amount depends on the number of Settlement Class Members, the number of valid exclusions, and the amounts the Court approves for fees, costs, administration, and the Service Award.

4. What are my rights and options?

Do nothing and receive a payment. If you do nothing and the Court grants final approval, you will automatically receive a Settlement Payment by check. In exchange, you will give up ("release") your biometric-data claims against Gofo and the other Released Parties, as described in the Settlement Agreement. The release does not cover claims against the manufacturers of the biometric devices at issue.

Exclude yourself. If you do not want to be bound by the Settlement and want to keep your right to sue Gofo separately, you may exclude yourself. Mail or email a signed written request for exclusion to the Settlement Administrator, postmarked or emailed **no later than January 14, 2027**. Your request must include your full name and current address or telephone number, and a statement that you want to be excluded from the Settlement. If you exclude yourself, you will not receive a payment. Requests made on behalf of a group ("mass" or "class" requests) are not valid.

Object. If you stay in the Settlement but want to tell the Court why you think it, or the requested fees or Service Award, should not be approved, mail or email a signed written objection to the Settlement Administrator **no later than January 14, 2027**. Your objection must include your full name and current address or telephone number, the reasons for your objection, and any documents that support it. You cannot both exclude yourself and object.

5. Who are the lawyers for the Class, and how will they be paid?

The Court appointed Jordan Richards, Esq., of USA Employment Lawyers – Jordan Richards PLLC, 1800 SE 10th Ave., Suite 205, Fort Lauderdale, FL 33316, jordan@jordanrichardspllc.com, and Shanshan Zou, Esq., of Vincit Law, P.C., as Class Counsel. Class Counsel will ask the Court to award attorneys' fees of up to 35% of the Maximum Gross Fund plus costs, and a Service Award of up to $10,000 for the Class Representative. That request will be filed by December 30, 2026 and posted on the Settlement website. You do not have to pay Class Counsel. You may hire your own lawyer at your own expense.

6. When and where will the Court decide whether to approve the Settlement?

The Court will hold the Final Approval Hearing on **January 20, 2027, at 10:30 a.m. Central Time**, in person, in Courtroom 1241 of the Everett McKinley Dirksen United States Courthouse, 219 South Dearborn Street, Chicago, Illinois 60604. The Court will decide whether to approve the Settlement and the requested attorneys' fees, costs, and Service Award. You do not have to attend. If you submitted a timely objection, you may ask to speak at the hearing, in person or through your own lawyer. The hearing date or time may change without further mailed notice, so please check the Settlement website for updates.

7. How do I get more information or update my contact information?

Visit www.[____].com (in English, Spanish, and Mandarin), call [toll-free number], email [administrator email], or write to the Settlement Administrator at [Settlement Administrator mailing address]. Please update your address so your payment reaches you.

PLEASE DO NOT CONTACT THE COURT OR GOFO ABOUT THIS SETTLEMENT.
