

INK COLORS

We offer 86 stock colors. The number next to the color is the closest Pantone® number (PMS) when using a Pantone® color chart. We also sell a color selector for the true representation of the color. Color matches of any color are available for \$20 per color matched per order (\$40 for AquaTru®).

Artwork Tips for UltraColor™

Please use the CMYK values/colors for the artwork for UltraColor™ transfers. PMS/Pantone/Spot/RGB colors will not convert correctly to CMYK colors. (The colors shift sometimes; blues become purples, etc)

Transfer Types

- G GOOF PROOF®**
- H HOT SPLIT** (For light & dark garments)
- H HOT SPLIT** (Only for light garments)
- P POLYTRANS**
- E ELASTI PRINTS®**
- A AQUATRU®**
- U ULTRACOLOR™**

NOTES:

- Color changes cannot include ink colors from both Standard and Specialty inks in the same order.
- Printed colors may not directly match the Pantone® Formula Guide due to printing ink systems and manufacturer ink lots. Colors are unique to transfer production and may not match Stahls' products.
