

Rittenhouse Book Distributors Announces Expanded Retail Partnership with Elsevier

July 20, 2020—Rittenhouse Book Distributors is pleased to announce the expansion of Elsevier’s reference resources for distribution to academic college bookstores. These nursing, allied health, dental and veterinary resources provide the knowledge to drive accurate, current and evidenced-based clinical decisions.

“Rittenhouse is dedicated to providing the leading medical, nursing and allied health resources to our retail partners,” said Nicole Gallo, Executive Director Sales & Marketing, Rittenhouse Book Distributors. “The addition of these Elsevier reference resources to our retail distribution portfolio demonstrates this commitment, and provides a true solution to integrate reference materials to meet the needs of the communities that they serve.”

Elsevier empowers students, residents, healthcare professionals and faculty to achieve superior results in education, and prioritizing healthcare through world-class content, test preparation, and reference tools from the most trusted sources.

"We're looking forward to working with Rittenhouse to bring Elsevier's nursing, allied health, dental and veterinary reference content to a wider retail audience," said Bill Zobrist, Vice President Commercial & GTM Strategy, Elsevier.

Elsevier’s nursing, allied health, dental and veterinary resources are now being offered to bookstores at a competitive discount and the list, in its entirety, can be viewed on the Rittenhouse web site at Rittenhouse.com. Contact us for additional information.
