

Human Kinetics Now Available on R2 Digital Library

June 30, 2022 - Rittenhouse is thrilled to announce an expanded partnership with Human Kinetics, enabling access to electronic information for the educational needs of students and the practice of physical activity.

Human Kinetics titles are now available on Rittenhouse's digital e-book platform, the R2 Digital Library. Along with the digital resources available, customers are still able to purchase print versions through Rittenhouse.com. Human Kinetics is the leading health sciences publisher for physical activity-related titles. Rittenhouse is a longtime partner with Human Kinetics and is excited to offer a select list of their must-have titles available to customers in a digital format.

"Rittenhouse strives to bring relevant and in-demand health sciences e-books to the R2 Digital Library," said Rob Lennox, Publisher Ambassador for Rittenhouse. "Our customers have been asking for e-books from Human Kinetics, and we are excited to expand the R2 Digital Library catalogue with the resources health sciences students, faculty, and professionals are looking for."

Visit Rittenhouse.com or R2Library.com to access resources published by Human Kinetics and utilize services to enhance your collection management and buying experience. Keep an eye out for more publisher announcements on Rittenhouse.com.

About Human Kinetics

Human Kinetics leads the world in providing information related to physical activity. That information takes many forms: textbooks, books for consumers, instructor support materials, journals, online courses, video digital projects and more. The information touches the lives of millions of people worldwide who are interested in some form of physical activity. Those people include college students and professors, personal trainers, rehabilitation specialists, athletes, coaches, physical educators, nutritionists, parents, and sedentary people who want to become active.
