

THE LOCAL GOVERNMENT PURCHASING COOPERATIVE ADDENDUM NO. 2

Proposal Invitation No. 823-26 **Medium and Heavy-Duty Trucks, Parts, and Maintenance Repair Service**

The following addendum is issued to Proposal Invitation No. 823-26, Medium and Heavy-Duty Trucks, Parts, and Maintenance Repair Service and shall become a permanent part of the Proposal Invitation document:

PROPOSAL SPECIFICATION SUMMARY

The Proposal Specification Summary for base model medium and heavy-duty trucks have either been added, revised, and/or updated. In addition, the corresponding line items in the electronic proposal submission system have been added, revised, and/or updated to align with the Proposal Specification Summary.

Since the pricing for the engines is not yet available, vendors shall submit pricing for models with engines in current production. If a vendor is awarded the subsequent contract, pricing may be updated after award in accordance with the BuyBoard General Terms and Conditions.

Please sign and return one copy of this Addendum with your proposal as verification of your receipt and compliance with the information contained in this Addendum.

PROPOSAL SPECIFICATION SUMMARY

The categories and items specified for this Proposal Invitation are summarized below. For full Proposal Specifications, you must review and complete the Proposal Specification information in the electronic proposal submission system in accordance with the Instructions to Proposers (or, if submitting a hard copy Proposal, timely request and complete the Proposal Specification Form in accordance with the Instructions to Proposers).

PROPOSAL NOTE 1: Franchise Motor Dealer License - A Vendor in Texas must have and maintain for the life of the Contract any Franchise Motor Vehicle Dealer Certificate and/or other license/certificate as required by the Texas Department of Motor Vehicles. If Vendor proposes to serve states other than Texas, Vendor must have any and all licenses or certificates, including franchise motor vehicle dealer certificates or licenses required by each state the Vendor proposes to serve. **Proposers responding to this Proposal Invitation should submit a copy of their dealer certificate(s) and/or license(s).**

PROPOSAL NOTE 2: Manufacturer Authorization Letter(s) - Vendors proposing shall be approved and authorized by the manufacturer to sell, install, and service the brand(s) of product(s) proposed. Proposers responding to this Proposal Invitation shall submit an approval letter from each manufacturer for each product line proposed. The requirement to provide an approval letter from the manufacturer applies to both seller and installer.

Manufacturers responding directly to this proposal invitation, in lieu of an authorization letter, shall submit a written explanation that the company is the manufacturer of the product line(s) proposed. Dealer authorization agreements will not be accepted as a substitute for the manufacturer authorization letter.

The manufacturer authorization letters must include the following:

1. Composed on manufacturer letterhead (an email message is not a substitute for the letter),
2. Addressed to "The Local Government Purchasing Cooperative,"
3. Dated within the current calendar year,
4. List the regions in Texas and states that Vendor is authorized to sell, install, and service product(s) proposed, and
5. Name, Title, and Signature of Authorized Official from Manufacturer.

PROPOSAL NOTE 3: Published and Unpublished Options - The Proposal Invitation seeks base model pricing for vehicles. Optional equipment is not to be listed in a base price since options will be selected by the Cooperative member at time of order. All options are to be priced at standard government pricing. A COMPLETE LIST OF ALL OPTIONAL EQUIPMENT MUST BE SUBMITTED WITH PROPOSAL FOR PROPOSAL TO BE CONSIDERED. The Cooperative considers an option listed and priced in a proposal response to be a "Published Option", part of any awarded contract, and available for purchase by members separately and independently from associated base price items.

Any option that has not been listed and priced in the response are considered to be an "Unpublished Option". Unpublished Options may be sold, but only in connection with the sale of an awarded base product item, and only if the total cost of all "Unpublished Options" remains below twenty-five percent (25%) of the total cost of the base product plus any Published Options. No Published or Unpublished Option may be sold which essentially converts a Product such that it competes with a Product Item awarded to another Vendor.

PROPOSAL NOTE 4: Vendors should propose direct replacement models if a vehicle/truck model specified has been discontinued by the manufacturer. All vehicle ancillary fees to be charged for any purchase from this contract with the exception of **delivery fees** (i.e. applicable state inspection, state title, state registration, dealer document fees, pre-delivery inspection, make ready, and manufacturer destination fees) are to be included in the base model price(s). Vehicle fees not included in the base model price(s) will not be permitted. The Cooperative service fee for vehicles is not a "vehicle fee" and is not to be included in the base price. **Dealer Floor Plan and Lot Insurance** costs will only be allowed for inventory vehicles at the dealer location and/or vehicles scheduled for upfitting by the dealer. These Floor Plan and Lot Insurance fees shall not be included in the price of a vehicle for the purpose of this proposal but **must** be listed separately as a line item price on individual quotes for any potential Cooperative member purchase.
