

# District of Port Edward

## Public Notice

### **Evergreen Drive and Wildwood Avenue Road Reconstruction**

January 8, 2021

C&C Road Maintenance has been awarded the Evergreen Drive and Wildwood Avenue road and infrastructure upgrades for the District of Port Edward. Please be informed that during the construction process it will be required to close the construction areas to local traffic only.

C&C Road Maintenance should be able to maintain access to properties most of the time. C&C in advance request your co-operation and if you have any concerns you are encouraged to speak with the representatives on-site. Your solutions for any construction inconveniences will be satisfied immediately if you contact the field representatives rather than the District of Port Edward office.

Thank you!

#### **On-Site Construction Superintendent**

Mr. Justin Doussept  
C&C Road Maintenance Ltd.
