TABLE OF CONTENTS >

This handbook applies only to people who have exhausted all other options for reinstatement and who must retake the ARRT examination if they wish to regain certification and registration with us.

Reinstatement by examination applies to you if your certification and registration have been discontinued, and:

- It's been more than six months since the last day of your most recent biennium, and you haven't completed your continuing education (CE) activities, reported them, and finished the online reinstatement process.
- You didn't complete your [Continuing Qualifications Requirements \(CQR\)](#) within your CQR period or within a year afterward (see [Page 5](#)).
- You received a sanction that included revocation of your credentials, but you requested and received sanction removal.

People reinstating their credentials must meet the same [ARRT Standards of Ethics](#) (see [Page 7](#)), [ARRT Rules and Regulations](#) requirements (see [Page 11](#)) and [Continuing Qualifications Requirements \(CQR\)](#) that apply to all candidates. After removal of an ethics sanction, you must pass the current ARRT exam in each discipline you wish to reinstate—regardless of the length of your sanction.

## Education Requirements

Registered Technologists (R.T.s) must complete and submit CE credits every two years. That two-year period is your CE biennium. Most R.T.s need to complete 24 credits of CE each biennium. Registered Radiologist Assistants must complete 50 credits each biennium. Learn more about CE requirements by logging into your ARRT online account and searching for continuing education.

### REINSTATEMENT AND CQR

R.T.s complete CQR once every 10 years for each ARRT credential earned since Jan. 1, 2011. If you're a Registered Radiologist Assistant, you'll fulfill CQR for that discipline regardless of when you earned the R.R.A. credential. If you don't complete your CQR by the end of year 10, we'll discontinue your certification and registration in that discipline.

You may reinstate your certification and registration in that discipline if you complete all CQR—including any prescribed CE—by the end of your 11th year. At that point, you'll have to follow current reinstatement procedures (which could include reinstatement by examination) and pay applicable fees. If you don't complete CQR by the end of your 11th year, and you later desire to reinstate your credential, you'll have to reinstate by examination.

**If you let a discipline lapse—and that discipline supports another credential—you'll lose certification and registration in the supported discipline, too.**

For example, if you have a Radiography credential that supports a Computed Tomography credential, and you let the Radiography credential lapse, you'll lose certification and registration in Computed Tomography, too.

The chart on the next page shows which disciplines support others.

### REMEMBER

If you let a credential lapse—and that discipline supports another credential—you'll lose certification and registration in the supported discipline, too.

## Ethics Requirements

ARRT enforces high standards of ethics and professional conduct both among R.T.s and among candidates for ARRT credentials. We created these rules to help protect the safety of all patients.

If ARRT revokes your certification and registration because of an ethics violation, you must apply for sanction removal. If you receive it, you may apply to reinstate. Whether you're applying for a new or reinstated credential, you must comply with everything in the [ARRT Standards of Ethics](#), including the Rules of Ethics.

### WHAT VIOLATES ARRT'S RULES OF ETHICS?

Several types of misconduct, charges, and convictions may violate our Rules of Ethics. They include, but aren't limited to:

- Felony or misdemeanor charges or convictions (including speeding tickets and parking violations that are considered misdemeanors or felonies)
- Charges or convictions concerning traffic violations **that involved** drugs or alcohol
- Convictions in a military court-martial
- Violations of state or federal narcotics or controlled substance laws, even if you aren't charged or convicted
- Disciplinary actions concerning a professional license, permit, registration, or certification
- Violations of an honor code at an educational institution you attended to meet ARRT certification and registration requirements

You **don't** have to report any offenses that you committed as a juvenile and that were adjudicated through the juvenile court system.

If you've done something that might have violated our Rules of Ethics:

- Report the potential violation within 30 calendar days of its occurrence.
- Or, if you still hold another ARRT credential, report the violation at your annual renewal, **whichever comes first**.

In addition, you must report applicants or R.T.s who don't comply. If you don't follow these rules, you might become ineligible for reinstatement.

### QUESTIONS?

If you have questions about ethics requirements, call us at 651.687.0048. Choose the option for ethics information.

## HOW TO REPORT VIOLATIONS

When you apply for reinstatement, we'll ask three questions. How you answer will determine your next steps.

### ETHICS QUESTION 1: CRIMINAL VIOLATIONS REPORTING

QUESTION	Have you ever been charged with or convicted of a misdemeanor or felony? (This includes court convictions and military courts-martial.)
ANSWER YES	<p>If you have:</p> <ul style="list-style-type: none"><li>• Charges or convictions—including those that were stayed, withheld or deferred, set aside, or suspended</li><li>• Any plea of guilty, Alford plea, or plea of no contest (nolo contendere)</li><li>• Court conditions applied to your charge—including court supervision, probation, or pretrial diversion</li><li>• Traffic violations charged as misdemeanors or felonies</li><li>• Traffic violations that involved drugs or alcohol</li></ul>
ANSWER NO	<p>If you have:</p> <ul style="list-style-type: none"><li>• No offenses</li><li>• Offenses and convictions that occurred before you turned 18 and that were processed in juvenile court</li><li>• Speeding and parking tickets that weren't charged as misdemeanors or felonies and that didn't involve drugs or alcohol (if you have any traffic violation that involved drugs and/or alcohol, you must answer "Yes")</li><li>• Charges that were dismissed with no court conditions required (if conditions were required, you must answer "Yes")</li><li>• Court records that were sealed or expunged (if you don't have court documents that prove your case was sealed or expunged, you must answer "Yes")</li><li>• Offenses you've already reported to ARRT and about which ARRT has sent you communication</li></ul> <p>Reminder: You must answer <b>yes</b> for all traffic violations that involved drugs and/or alcohol.</p>
WHAT TO DO IF YOU ANSWER YES	<p>Along with your completed application, submit a written explanation of the events and copies of all documentation relevant to the matter. Do not send original records.</p> <p>For additional guidance, review the <a href="#">Ethics Review Checklist for Criminal Violations</a>. Or call us at 651.687.0048. Then choose the option for ethics information.</p>

## ETHICS QUESTION 2: REGULATORY AUTHORITY VIOLATIONS REPORTING

QUESTION	<p>Has a regulatory authority or certification board (other than ARRT) ever done one or more of the following?</p> <ul style="list-style-type: none"><li>• Denied, revoked, or suspended your professional license, permit, registration, or certification?</li><li>• Placed you on probation (<u>excluding</u> ARRT Continuing Education probation), under consent agreement, or under consent order?</li><li>• Allowed voluntary surrender of your professional license, permit, registration, or certification?</li><li>• Subjected you to any conditions or disciplinary actions?</li></ul>
ANSWER YES	If one or more of these apply to you and the organization imposing the action wasn't ARRT.
ANSWER NO	<ul style="list-style-type: none"><li>• If you have no offenses</li><li>• If your only offense is ARRT Continuing Education (CE) probation</li><li>• For offenses previously reported to ARRT and for which ARRT has sent you communication</li></ul>
WHAT TO DO IF YOU ANSWER YES	<p>Along with your completed application, submit a written explanation of the events and copies of all documentation relevant to the matter. ## ETHICS QUESTION 3: HONOR CODE VIOLATIONS REPORTING

QUESTION	Have you ever been suspended, dismissed, or expelled from an educational program you attended to meet ARRT certification and registration requirements?
ANSWER YES	If any of the experiences described in Ethics Question 3 apply to you
ANSWER NO	For offenses you previously reported to ARRT and for which ARRT has sent you communication
WHETHER YOU ANSWER YES OR NO	You'll need to read and agree to the Written Consent Under FERPA in your application.
WHAT TO DO IF YOU ANSWER YES	<p>Along with your completed application, submit a written explanation of the events and copies of all documentation relevant to the matter. Do not send original records.</p> <p>For additional guidance, review the <a href="#">Ethics Review Checklist for Honor Code Violations</a>. Or call us at 651.687.0048. Choose the option for ethics information.</p> <p>Don't submit your ethics documentation before you submit your Application for Certification and Registration.</p>

### *Keep in Mind*

It's much better to report an issue than to try to hide it. If you don't disclose a violation, but we learn about it, you may be subject to ARRT sanctions for not reporting the issue—even if that issue alone wouldn't have led to a sanction.

Most R.T.s who report potential violations don't have their credentials revoked. ARRT completed nearly 1,850 ethics investigations in 2020, and only 18 (less than 1%) resulted in revocation.

## Examination Requirements

Before you earn an ARRT credential, you must pass an ARRT exam in your discipline. If you want to reinstate, in certain circumstances you'll need to pass the exam again. To learn whether you must re-examine, see Section 6.03 of [ARRT Rules and Regulations](#).

The remainder of this handbook explains the process of reinstatement by examination. You'll find much more about our exams—and how to prepare—in the section beginning on [Page 31](#).

Be sure to consult the current [content specifications](#) for a list of topics the exam covers. Those topics might have changed since you last took the exam.

### THREE ATTEMPTS IN THREE YEARS

Be aware that you'll have **three chances** to pass the exam. You must make those attempts within three years of the date your first [exam window](#) opens. If you don't pass the exam within those three years or those three attempts, you'll no longer be eligible for certification and registration unless you requalify (see [Page 21](#)).

Questions? Call us at 651.687.0048. Choose the option for earning an ARRT credential.

3

- You'll have **three chances** to pass the exam.
- You must make those attempts within **three years** of the date your first exam window opens.
- Any exam attempts you make as a state licensing candidate count toward your three attempts to pass the exam.

### STEPS TO APPLYING.

Be sure to complete these steps as you prepare your application for reinstatement by examination:

1. Sign the Agreement of Candidates and the written consent under the Family Educational Rights and Privacy Act (FERPA) ([Page 14](#)).
2. Use your legal name on your application—and make sure it matches your two forms of valid and acceptable ID exactly ([Page 14](#)).
3. Fill out your application completely and accurately, and mail it with the proper fee ([Page 16](#)).
4. Meet all deadlines ([Page 25](#)).

## Apply for One Credential at a Time

If you are trying to regain multiple credentials, you must first reinstate any supporting disciplines that have lapsed. Then you may reinstate credentials that require those supporting credentials.

We'll return any additional applications and fees we receive before you've completed your initial exam. And, as with any ARRT exam, you'll have three attempts in three years to pass the exam (see [Page 11](#)).

## Prepare Your Application

Be sure to fill out your application completely and accurately. Errors and omissions can affect your ability to earn ARRT credentials. If you have questions, call us at 651.687.0048. Choose the option for earning an ARRT credential.

### SIGN THE AGREEMENT OF CANDIDATES

When you apply to reinstate your certification and registration, you'll need to sign the Agreement of Candidates and the written consent under FERPA. You can find the full agreement in Article III, Section 3.02, of [ARRT Rules and Regulations](#). Be familiar with the agreement and ARRT's other requirements before you apply with us.

### VALID TYPES OF ACCEPTABLE ID

Matching names are one of the best ways for us to make sure the person who applies for reinstatement of an ARRT credential is the same person who takes the corresponding exam. Make the exam process easy on yourself by making sure you have two valid types of acceptable ID before you apply for, schedule, or attempt to take your exam.

#### *Be Sure Your Application Matches Your ID*

The name you put on your application must match your permanent record on file at ARRT. If the name varies, we'll return your application without processing it. If you need to update your name, use our online name change form (see [Page 22](#)).

When you get your Candidate Status Report (see [Page 25](#)) from ARRT, the name on it must be identical to the name on both pieces of ID you'll bring to the test center. The only exception is that it doesn't matter if any of your IDs contain your middle name or initial. If your name has a cultural variation, make sure that the same variation appears on your Candidate Status Report and on both of your IDs.

### QUESTIONS?

If you have questions about preparing your application, call us at 651.687.0048. Select the option for earning an ARRT credential.

### *Valid Types of Acceptable ID*

Be prepared by making sure you have two forms of valid (not expired) and acceptable ID at the test center:

- Your primary ID must be a government-issued ID, such as a driver's license, state ID card, passport, or military ID card with your permanently printed name, your photo, and your signature or military bar code.
- Your secondary ID must include your permanently printed name and your signature. It can be your U.S. Social Security card, an employee ID badge, a bank or credit card, or a school ID. It can also be a second form of the types of primary ID.

### *If Your ID Is Invalid*

You won't be allowed to take the exam if, when you arrive at the test center:

- You don't have two valid forms of acceptable ID (see [Page 14](#)).
- The name on your ID differs from that on your ARRT file.
- You haven't signed your ID.

In such cases, you'll forfeit your application fee, and you'll have to reapply and pay a new fee to get a new exam window. If Pearson VUE admits you with questionable ID, ARRT could cancel your exam scores following an investigation. If ARRT cancels your scores, your exam attempt will count as one of the three allowed in three years. You won't receive an extension if ARRT's cancellation means you don't pass your exam within the allotted three years (see [Page 11](#)).

If you don't have proper identification, cancel your appointment and reschedule it when you've acquired two valid forms of acceptable ID. See [Page 28](#) for rescheduling procedures and deadlines.

### BE AWARE

Permanent registration cards ("green cards") and other IDs that don't include your signature **aren't** acceptable.

## COMPLETE YOUR APPLICATION AND INCLUDE THE FEE

One of the main reasons we return applications without processing them is that candidates forget to include the application fee. When you apply for certification and registration, include a check or money order—payable to ARRT in U.S. funds—for \$225. If you must reapply, you'll need to include a check or money order for \$200. These fees are nonrefundable.

We also return applications:

- On which some questions remain unanswered
- With signatures dated more than six months ago
- That are photocopies, not originals

If we return your application, you'll have to correct and return it before we'll process it. We don't refund application fees or transfer them to another discipline.

## IF YOU NEED ACCOMMODATIONS TO TAKE YOUR EXAM

Accommodations are ways of adapting an exam experience to meet the needs of people who have disabilities that may impair their exam performance. Accommodations can't change the number of questions or the content an exam covers. And they don't guarantee improved performance, a passing score, or any specific outcome.

## ABOUT ADA ACCOMMODATIONS

ARRT complies with the [Americans With Disabilities Act \(ADA\)](#). We'll provide appropriate accommodations if you demonstrate both that:

- You have a professionally diagnosed ADA-qualifying disability
- Your disability results in substantial functional limitations that affect your daily life activities as compared to most people.

In most cases, you'll need to submit [supporting documentation](#) and a personal statement describing your disability.

Approved accommodations might include additional time to complete the exam, a separate testing room, or access to snacks if you have diabetes. You won't need to request accommodations for [comfort aids](#), such as an inhaler, crutches, or eye drops.

Accommodations must be appropriate to the task and setting. For example, although you might have received accommodations in a classroom setting, those adaptations might not be necessary in an ARRT exam setting.

## REMEMBER

You won't need to request ADA accommodations for comfort items, such as an inhaler, crutches, or eye drops.

## HOW TO REQUEST ADA ACCOMMODATIONS

Start by answering yes to the question about ADA accommodations on your application for ARRT certification and registration. Then, after we receive your ARRT application, we'll send you a confirmation page that includes instructions about applying for accommodations.

We contract with Paradigm Testing, an independent company, to manage our ADA accommodations requests. As part of the accommodation application process, you'll submit an online form and supporting documents to Paradigm via its secure website. You must indicate "yes" each time you apply—including on re-examination attempts.

We'll place your ARRT application on hold until you submit your accommodation request and Paradigm processes it. In addition, you won't be able to schedule your exam until we send you the decision letter.

If you're denied an accommodation based on your documentation, you'll be able to appeal the decision by providing additional documentation. If you don't submit a request to Paradigm within a year, we'll process your application without any accommodations and assign you an exam window.

Once your accommodations review is complete, we'll send you the decision in writing.

If you don't submit a request to Paradigm **within a year**, we'll process your application without any accommodations and assign you an exam window.

## Allow Time for ARRT to Process Your Application

Allow at least 30 calendar days for ARRT to process your application after we receive it—more if you’re requesting ADA accommodations (see [Page 17](#)). If you need to know more quickly that we’ve received your application, either:

- Use the U.S. Postal Service’s “return receipt requested” service when you mail your application.
- Include a self-addressed, postage-paid postcard for us to mail back to you.

After we’ve processed your application, we’ll send you a Candidate Status Report in the mail. If any of the information on it is wrong, call us right away at 651.987.0048. Choose the option for earning an ARRT credential. Do that **before** you schedule your exam (see [Page 25](#)).

## IF WE FIND YOU INELIGIBLE

ARRT can find you ineligible at three times:

- If we rule that you're ineligible **when you apply for reinstatement**, we'll return your application and fee. (Exception: If we must complete an ethics investigation and we then rule you're ineligible, we **won't** refund your fee.) You may reapply when you achieve eligibility. For information about reapplying, call us at 651.687.0048. Choose the option for earning an ARRT credential.
- If we authorize you to take an exam, **and then receive information** indicating you might be ineligible, you can still schedule and sit for the exam. Then we'll review your case. But we'll hold your scores until the review is complete, and we might cancel your scores depending on the outcome of our review.

After the review, if we find that you're ineligible and you haven't taken the exam, we won't allow you to sit for it and we won't refund your application fee. If you've taken the exam, we'll cancel your exam score and we won't refund your application fee. If you later become eligible, this exam will count as one of the three attempts allowed.

- If you initially appeared to be eligible, but **after you complete the exam** we find evidence that you were ineligible, we'll cancel your exam score and your certification and registration status. You'll forfeit your application fee. In addition, if you later become eligible, this exam will count as one of the three attempts allowed.

If you think you've met all our eligibility requirements, you may appeal a decision of ineligibility. You can't contest any of the eligibility requirements themselves—only the way in which ARRT applied them.

- Submit an [Eligibility Appeal Request Form](#).
- Send the appeal early enough that we receive it no more than 30 calendar days after the date on your notification of ineligibility.
- Mail it to ARRT, Attn: Appeals Process Administrator, 1255 Northland Drive, St. Paul, MN 55120 or fax it to 651.681.3295.

## How to Requalify

IF YOU DON'T PASS YOUR EXAM AFTER THREE ATTEMPTS, OR WITHIN THREE YEARS OF THE DATE YOUR FIRST EXAM WINDOW OPENS, YOU'LL HAVE TO REQUALIFY AND REAPPLY.

To requalify, you'll have to meet our initial eligibility requirements in effect at the time—including, for your case, reCompleting an [educational program that ARRT recognizes](#) and holding at least an associate's degree. You'll then need to apply for certification and registration and pay the nonrefundable application fee of \$225. ## How to Change Your Name

If you change your name after you apply with ARRT, let us know immediately—before you schedule your exam appointment. The test center can't process name changes. And your name on the IDs you present at the test center must match the information on your Candidate Status Report. If your name has a cultural variation, make sure that the same variation appears on your Candidate Status Report and on both of your IDs. It doesn't matter whether your middle name appears on either ID or on your Candidate Status Report.

If the name on your ID doesn't match the name on your Candidate Status Report, call us at 651.687.0048. Then choose the option for earning an ARRT credential. Don't schedule a new appointment until you receive a new Candidate Status Report and verify that it's correct.

To change your name in our records:

- Visit [arrt.org/forms](https://arrt.org/forms) and download the Name Change Form under General.
- Complete the form and send it by mail to ARRT, at 1255 Northland Drive, St. Paul, MN 55120, or fax it to 651.681.3297.
- Include a photocopy of your marriage certificate or court order showing your name has changed.
- After we've processed your name change, we'll post a new Candidate Status Report. You'll then need to verify the correction. Following your verification, you may schedule your exam.

If the name on your ID doesn't match the name on your Candidate Status Report, call us at 651.687.0048. Then choose the option for earning an ARRT credential.

Before you can schedule your exam, you need a Candidate Status Report from ARRT. We'll mail it to you after we process your application. Make sure all information on it is accurate (see [Page 25](#)).

### TOP FIVE SCHEDULING TIPS

- Request any test accommodations on your application—not at the test center ([Page 18](#)).
- Schedule your exam early; appointments fill up fast ([Page 26](#)).
- Don't schedule your exam until you have two valid forms of acceptable ID ([Page 14](#)).
- Have your ARRT ID handy when you log on to Pearson VUE's website or call the Pearson VUE call center. The number appears on your Candidate Status Report.
- If you need to change or reschedule your appointment, be aware of associated fees and deadlines ([Page 29](#)).

## Scheduling Your Exam

Be sure to follow all the steps in this section, so your exam appointment goes smoothly.

### ABOUT YOUR CANDIDATE STATUS REPORT

Your Candidate Status Report contains your identification information, your ARRT ID number, and the dates of your exam window (that is, the time during which you can take your exam). Make sure all the information on it is accurate. If you have questions, call us at 651.687.0048. Select the option for earning an ARRT credential.

If you haven't requested ADA accommodations, we'll mail your Candidate Status Report after we process your application for certification and registration. If we don't, call us at 651.687.0048. Then choose the option for earning an ARRT credential.

### ABOUT YOUR EXAM WINDOW

Your exam window will begin on the Wednesday after we process your application. Then it will extend for 365 calendar days. For example, if we process your application on Friday, March 4, 2022, your exam window will begin Wednesday, March 9, 2022, and end on Wednesday, March 8, 2023.

Your window will close automatically:

- After 365 calendar days
- If you miss an appointment to take the exam without giving the required notice (see [Page 29](#))
- If you don't accept the nondisclosure agreement (see [Page 36](#)) at the test center within two minutes of accessing it
- If you're turned away from Pearson VUE because of a name discrepancy

If you don't schedule and take an exam during your exam window, you'll forfeit your application fee. To open a new window, you'll have to reapply and pay the \$200 reapplication fee (see [Page 30](#)).

### YOUR WINDOW WILL CLOSE AUTOMATICALLY:

- After 365 calendar days
- If you miss an exam appointment without giving the required notice
- If you don't sign the nondisclosure agreement at the test center within two minutes
- If you're turned away from Pearson VUE because of a name discrepancy

## WHERE TO TAKE YOUR EXAM

Pearson VUE administers ARRT's examinations. The organization has more than 200 high-security [test centers](#) in the U.S. and its territories. It also offers ARRT exams in selected Canadian, European, Asian, and Australian cities.

## HOW TO SCHEDULE YOUR EXAM APPOINTMENT

Once you've received your Candidate Status Report, you can schedule your exam with Pearson VUE, either by:

- Calling Pearson VUE at the toll-free number listed on your Candidate Status Report
- Making your appointment [online](#), following the instructions on the Pearson VUE website

Pearson VUE centers are usually open Monday through Friday from 8 a.m. until 6 p.m. Some offer evening or weekend hours.

Have your Candidate Status Report with you when you schedule. You'll need to verify your name, address, and other identifying information—and provide your exam discipline and ARRT ID number from your Candidate Status Report. Keep in mind that:

- If you've lost your Candidate Status Report and need to request a new one, call us at 651.687.0048. Choose the option for earning an ARRT credential.
- Except for adding your email address and phone number, Pearson VUE staff can't make changes to your record.
- If your name or address has changed, follow the directions on [Page 22](#) or [23](#) before you contact Pearson VUE to schedule.
- Pearson VUE will send a confirmation to your email address.

Exam appointments fill up quickly. Make yours as soon as you can, even if you don't want to take the exam immediately. Remember: we won't extend your exam window. If your exam window expires, you'll have to reapply and pay a new application fee to receive a new window (see [Page 30](#)).

- Call Pearson VUE for confirmation the day after you make your appointment if your exam is scheduled within the next five business days.

If you don't receive a confirmation, follow up with Pearson VUE. ARRT won't have access to the details of your appointment.

## How to Reschedule

If you need to change an exam appointment, be sure to follow these instructions. If you miss your appointment or don't cancel it early enough, you'll lose your ARRT application fee.

Pearson VUE charges \$10 each time you cancel or reschedule an appointment. You'll have to pay by credit card at the time you make the change, either online or over the phone.

Always make sure you've scheduled, rescheduled, or canceled your appointment properly. Neither ARRT nor Pearson VUE is responsible for appointment errors.

### IF YOU NEED TO RESCHEDULE

You may cancel or reschedule an appointment by:

- Calling Pearson VUE at 800.632.9055 at least **24 hours (one business day)** before your scheduled appointment; leaving a message on voicemail isn't acceptable
- Following the prompts at [pearsonvue.com/arrt](https://pearsonvue.com/arrt) at least **24 hours (one business day)** before your appointment; be sure to complete the process

Pearson VUE will send you an email confirmation each time you change or cancel an appointment. If you cancel an appointment or make a new one, call Pearson VUE if you don't receive an email within a few minutes.

### BE AWARE

Always make sure you've scheduled, rescheduled, or canceled your appointment properly.

## HOW SOON DO I HAVE TO CANCEL?

SCHEDULED EXAM DAY	IF YOU'RE CANCELING BY CALLING PEARSON VUE, CHANGE OR CANCEL ON THIS DAY (at or before the time of your original appointment*)
MONDAY	Friday of the preceding week
TUESDAY	Monday of the same week
WEDNESDAY	Tuesday of the same week
THURSDAY	Wednesday of the same week
FRIDAY	Thursday of the same week
SATURDAY	Friday of the same week

\* If you're in the Central, Mountain, or Pacific time zone, and your scheduled appointment is at 8 a.m., you must cancel at or before 8 a.m. on the day shown in this table. If you're in the Eastern time zone, you must cancel any 8 a.m. exam appointments no later than 7 p.m. two days beforehand (that is, 7 p.m. Wednesday for an 8 a.m. Friday appointment).

*Note: Weekends and national holidays don't count as business days. Plan accordingly.*

If you're canceling using [Pearson VUE's website](#), you must do so at least 24 hours before your original appointment.

## CANCEL APPOINTMENTS YOU CAN'T ATTEND

Rescheduling an exam appointment doesn't automatically cancel your initial appointment. The initial appointment remains in effect until you accept a new appointment date and time from Pearson VUE. If you're not ready to reschedule, be sure to ask the representative to cancel your appointment. In all instances, if you don't receive an email confirmation, call Pearson VUE the next day to confirm the cancellation.

### IF YOU MISS AN EXAM APPOINTMENT OR DON'T CANCEL PROPERLY

Your exam window will close, and you'll forfeit your application fee if:

- You don't appear for your scheduled exam.
- You don't cancel or reschedule your appointment by following the procedure on [Page 28](#).

In both cases, you'll have to reapply and pay the reapplication fee of \$200 before you can reschedule the exam. Missing an appointment, however, **doesn't** count as an attempt under the three-attempts-in-three-years policy (see [Page 11](#)).

### IN CASE OF SEVERELY EXTENUATING CIRCUMSTANCES

We know that sometimes severely extenuating circumstances occur. If—after the appointment change deadline—an unforeseen incident occurs, we'll consider your situation individually. Complete and submit an [Eligibility Appeal Request Form](#). Be sure to submit it no more than 30 days after your scheduled exam, following the instructions at the beginning of the form.

### IN CASE OF SEVERE WEATHER

Call Pearson VUE's call center at 800.632.9055 to find out if your test center is open during any type of severe weather. Don't call the test center directly. If the test center is open, and you miss your appointment, you'll have to reapply with ARRT and pay a new fee to get a new exam window. If it's closed, you'll be able to reschedule your appointment at no cost.

If you're concerned about severe weather and your appointment is still more than 24 hours away, consider rescheduling to avoid transportation difficulties. See [Page 28](#) for details about rescheduling.

#### REMEMBER

If you miss your appointment or don't cancel it early enough, your exam window will close and you'll forfeit your ARRT application fee.

ARRT's exams measure the knowledge and cognitive skills you need to perform the tasks typically required in your discipline. The reinstatement exam is the same as the exam for initial certification and registration.

Consult our [content specifications](#) for the topics your exam will cover.

### TOP TIPS FOR A GOOD TEST EXPERIENCE

- Request [ADA accommodations](#) on your application—not at the test center (see [Page 18](#)).
- Arrive 30 minutes early.
- Don't bring cell phones or other belongings into the test center (see [Page 35](#)).
- Bring two forms of valid ID (see [Page 14](#)) to the test center.
- Accept the nondisclosure agreement within two minutes of accessing it (see [Page 36](#)).

Most questions are multiple-choice with one best answer. Some might ask you to select multiple answers from a list or to use your mouse to sort options into order. A few might ask you to use your mouse to select an image on the screen. Others might ask you to answer a multiple-choice question after viewing a short video clip. Our exams present questions in random order, a method that lets you demonstrate you’ve learned the material well enough to access it outside a specific context.

Your exam will also include some pilot questions. We use those to evaluate potential questions for future exams. Although we don’t identify the pilot questions, your answers to pilot questions won’t affect your score.

## Studying for Your Exam

Be aware that ARRT doesn't recommend or endorse any review programs, mock registries, or study guides. We don't provide lists of textbooks or study materials.

That's because we build our exams using many references. To endorse one could mean overlooking others. Your best resource is to consult our [content specifications](#) for a list of topics your exam will cover.

## What to Expect at the Test Center

Pearson VUE test centers offer [computer-based testing](#) for many organizations. Consider reviewing the linked document to familiarize yourself with the exam process. You'll likely be in a room with people taking tests that aren't ARRT exams.

No testing environment is completely free of noise. If you're concerned about distractions, request earplugs or noise-reduction headphones before beginning your exam.

Most of the test centers are in small office parks. You can find driving directions to all test centers by visiting the [Pearson VUE website](#), searching for a test center, and clicking on Test Center Information. You'll receive driving directions in your confirmation email.

There won't be room for friends, relatives, or children to wait with you. And no one may contact you during your exam.

### BE EARLY

Be sure to arrive at least 30 minutes before your scheduled appointment. That gives you enough time to check in. If you arrive 15 minutes or more **after** your scheduled appointment, you might have to forfeit your appointment. In that case, Pearson VUE will inform ARRT that you failed to take the exam. Although we won't refund your application—and you'll have to reapply and pay a new fee to get a new exam window—a late arrival **won't** count as one of your attempts.

### WEAR APPROPRIATE CLOTHING

Because the test room might be warm or cold, dress in layers. Keep in mind that you can't wear outerwear or hooded clothing in the test room. Instead, bring a sweater, blazer, or hoodless sweatshirt. Be ready to empty your pockets before entering the test room.

Be sure to arrive at least **30 minutes before** your scheduled appointment.

### LEAVE PERSONAL BELONGINGS IN A LOCKER

You must leave all personal items in a secure locker at the test center. Because Pearson VUE assumes no responsibility for lost items, you might want to leave personal items in your car or at home.

For example, you can't bring purses, wallets, backpacks, or similar items into the test room. Don't wear anything, such as jewelry, that might make noise and distract others. Don't wear jewelry that's more than a quarter-inch wide. You'll have to remove it, because it could be a way to circumvent exam security. Cell phones aren't allowed in the test room, and neither are notes, scratch paper, pencils, or pens. Finally, don't bring a calculator to the test center—you won't be able to use it. Pearson VUE will give you a basic four-function calculator if you ask for one; there are also a basic and a scientific calculator on the computer.

After you put your personal items in a locker, you'll have access to them only if:

- You have an ADA accommodation to retrieve something related to a medical condition.
- You're taking the Sonography or R.R.A. examination, which includes a 30-minute break; in that case, you may retrieve snacks or lunch from your locker, but nothing else.

**Having access to any electronic device during the break is strictly prohibited.**

### BRING PROPER IDENTIFICATION

Be sure to bring proper identification (see [Page 14](#)).

### CHECK IN

Pearson VUE staff will ask you to sign a digital signature pad. That signature gives your consent for ARRT and Pearson VUE to retain and transmit your personal data and exam responses as needed.

Next, Pearson VUE staff will take your photograph and scan your palm veins. The palm-vein reader uses a safe, near-infrared light source (similar to a television remote control). It takes the place of fingerprinting. If you were previously fingerprinted for an ARRT exam, you'll have to provide a fingerprint match at the test center, then enroll in the palm-vein recognition system.

ARRT and Pearson VUE will use your palm vein information for authentication purposes only. We won't share it with any other organization.

If you asked for and received approval for ADA accommodations, bring your letter (original or a copy) approving the accommodations to Pearson VUE. Give it to staff when you check in.

### REMEMBER

If you asked for and received approval for ADA accommodations, bring your letter approving them to Pearson VUE. Give it to staff when you check in.

## GO THROUGH ORIENTATION

Pearson VUE staff will give you a short orientation, and you'll sign an agreement stating that you understand the Nondisclosure Agreement. Although Pearson VUE staff can answer general questions about test-taking procedures, they won't have answers to questions about our exam content or test functionality.

Next, a staff member will give you a booklet and marker before escorting you to an assigned workstation, where you'll begin the tutorial. The tutorial enables you to familiarize yourself with the format of our questions. It also lets you try out the online calculator.

There will be a short delay between the end of the tutorial and the appearance of the Nondisclosure Agreement. **Don't write on the booklet until you've accepted the Nondisclosure Agreement.**

## SIGN THE NONDISCLOSURE AGREEMENT IN TWO MINUTES!

After you complete the tutorial, a nondisclosure agreement will appear on your computer screen. **You must sign the agreement within two minutes of its appearance.** A timer appears on your screen.

If you don't answer the question, we'll assume that you disagree, and:

- Pearson VUE will end your exam.
- You won't be able to take the exam that day.
- Although your appointment won't count as an attempt under our three-year, three-attempt policy (see [Page 11](#)), you'll have to obtain a new exam window by reapplying and paying the reapplication fee.

## THE EXAM WON'T PROCEED UNTIL YOU SIGN THIS AGREEMENT:

This exam is confidential and is protected by copyright law. You are expressly prohibited from disclosing, publishing, reproducing or transmitting this exam, in whole or in part, in any form or by any means, oral or written, electronic or mechanical, for any purpose.

By signing, you agree that you won't disclose exam questions in any form or remove them from the test center. Follow the prompts to accept or reject the agreement. If you reject it, let test center staff know that you're done with the exam. If you reject the agreement but later want to take the exam, you'll have to reapply and pay the reapplication fee.

## TAKE THE EXAM

You must remain in your assigned seat during and after the exam, unless a Pearson VUE staff member authorizes you to leave. If you need to leave the room, raise your hand for permission. Pearson VUE staff will scan your palm when you leave and scan it again before you re-enter the room.

Keep in mind that you won't get extra test-taking time if you leave the room. In addition, if you leave for more than 10 minutes, Pearson VUE will file an incident report with us, and we'll investigate. The only exception is if you're taking the Sonography or R.R.A. exam, which allows a 30-minute break. Even so, you must remain inside the test center building during your break.

You can't leave the test center building before completing your exam—even if you have ADA accommodations. If you leave the building, we'll cancel your score, and your exam will count as one of your test attempts. You'll have to reapply and pay the reapplication fee if you want to take the exam again. You might also have to undergo an ethics review.

When you complete your exam, raise your hand and wait for a Pearson VUE employee to collect your booklet. Pearson VUE staff will scan your palm once more before you leave the test center building.

## ASK FOR HELP

If you have concerns or need help, raise your hand to alert test center staff. Staff members can bring you a handheld calculator, earplugs, or another booklet. You may ask for replacements during your exam, but you can't remove the materials from the test room. Don't leave the test center building before completing your exam.

Raise your hand if you need help adjusting your computer screen or you suspect a problem with the computer.

## EXAM RULES

- Remain in your seat during and after the exam.
- If you need to leave the room, raise your hand.
- Don't leave the test center building before completing your exam.
- When you complete your exam, raise your hand.
- Unless you've received advance approval for ADA accommodations, you can't access items from your locker.

## PACE YOURSELF

Use your time well. You can see how much time remains in your exam session by looking at the top right corner of your computer screen.

You'll need to answer each question before the computer lets you move on to the next. If you're not sure of the answer, guess—and flag the question. If you have time at the end, you can return to the question and review your answer. Your score is based on the number of correct answers you give, so it's in your best interest to answer all the questions, even if you must guess.

The amount of test time allotted depends on the number of questions on the exam. We allow approximately one minute for each question.

The charts that begin on this page show how long you'll have, including:

- Eight minutes to complete the tutorial, which will familiarize you with the exam and the online calculator
- Two minutes to sign the nondisclosure agreement (NDA)
- 10 minutes to complete a survey after you finish the exam

## How to Appeal Your Test Administration Procedures

Pearson VUE works with us to administer our exams in a comfortable and safe environment. Rarely, you might encounter technical difficulties at a test center. If that happens, alert a Pearson VUE employee immediately. In most cases, you'll be able to continue your exam session. If you can't complete your exam because of severe technical difficulties, we'll make reasonable accommodations.

### TO APPEAL

If you think the administration of your exam differed **substantially** from normal testing procedures, you may request a review of the procedures. Verify that the test center administrator will file a report **before** you leave the test center building—and request a copy of the incident number from that report. Then complete and submit an [Eligibility Appeal Request Form](#). Provide as much detail as possible.

We'll investigate complaints if you send them to us within two business days of your exam, before you receive your official results. To make sure we get your form on time:

- Fax it to 651.681.3295.
- To confirm that we received your appeal, call us the next day at 651.687.0048. Select the option for earning an ARRT credential.

If we find that substantive deviations from normal testing procedures occurred, we'll cancel your original score and allow you to retake the exam at no cost. We **won't** adjust your score based on our review.

### HOW TO APPEAL

If you think the administration of your exam differed **substantially** from normal testing procedures, you must send your appeal to us within two business days of taking your exam.

## Meeting Our Security Requirements

ARRT credentials are valuable. Some employers require ARRT certification and registration for their technologists, and many states use our exams as a basis for issuing licenses. Everywhere, patients entrust R.T.s with their health and well-being.

That's why security is so important. We want to ensure that people who pass ARRT exams do so by preparing themselves to perform high-quality patient care—not by having advance access to our questions.

### REMEMBER: YOU AGREE TO COMPLY

When you apply for certification and registration with ARRT, you agree to comply with our exam security requirements. You'll find the complete wording in Section 3.02 of [ARRT Rules and Regulations](#) and more information about subversion in Rule 4 of Part B, Rules of Ethics, in [ARRT Standards of Ethics](#). Not meeting these regulations can result in ARRT sanctions, up to and including a determination of ineligibility (see [Page 20](#)) or revocation of your ARRT credential.

In short, never disclose information about our exams by using language that is substantially similar to the wording of our questions or answer options. This rule includes (but isn't limited to) disclosing such privileged information to, or receiving such privileged information from:

- Students in educational programs
- Graduates of educational programs
- Educators
- Anyone involved in preparing candidates to take an ARRT exam

### REMEMBER

Never disclose information about our exams by using language that is substantially similar to the wording of our questions or answer options.

WHAT’S OK TO SAY?

We know that taking an ARRT exam is an important event. People will ask you how it went, and you’ll probably want to talk about your experience. Here are some examples of what’s OK to say—and what isn’t.

SCENARIO	Your instructor or program director asks you to “stop by” after the exam and talk about how it went.
WHAT’S OK	You can talk about your general experience (“I didn’t think the test was as difficult as I’d expected”).
WHAT’S NOT OK	Your instructor or program director shouldn’t ask about any details of the exam—and you can’t give more information about the exam content than appears in our content specifications.
BOTTOM LINE	If <b>anyone</b> —even an instructor or program director—asks you to reveal any of ARRT’s questions or answer options, you must report that person to the ARRT Ethics Committee.  If you start to reveal exam content, the person you’re talking to should stop you right away. Revealing content could subject you both to ARRT’s ethics process.

SCENARIO	You tell another candidate, “The test was very difficult. I felt I didn’t have enough time.”
WHAT’S OK	This is OK because you’re simply telling someone how you felt about the exam. You aren’t revealing any of ARRT’s questions or answer options.
WHAT’S NOT OK	It’s not OK for someone to ask you about the specific wording of the exam’s questions or answer options.
BOTTOM LINE	If you share any of the questions or answer options on an ARRT exam, you might find yourself part of an ARRT ethics investigation and/or a legal complaint.

SCENARIO	You tell your instructor, "You didn't teach me about this subject. They asked [specific question] and I felt unprepared."
WHAT'S OK	It's never OK to report a specific question, or the answer options, to anyone.
WHAT'S NOT OK	It's not OK—and it never will be—to report a specific question, or the answer options, to anyone.
BOTTOM LINE	Throughout the application and exam process, you'll sign numerous documents saying you won't share exam questions or options for answers with anyone. We expect you to honor those contracts. If you don't, you might find yourself part of an ARRT ethics investigation and/or a legal complaint.

SCENARIO	You tell another candidate that the exam included multiple-choice and sorted-list questions.
WHAT'S OK	This is OK, because the format of the exam is public information that appears in this handbook.
WHAT'S NOT OK	It's not all right to reveal anything other than what appears in this handbook, in our content specifications, or on our website.
BOTTOM LINE	There's no problem if you limit your conversation to public information, such as what appears in this handbook or on our website.

SCENARIO	You tell another candidate, "I didn't understand this question" and relate the question, then ask, "Do you know what the test was asking?"
WHAT'S OK	It's never OK to report a specific question, or the answer options, to anyone.
WHAT'S NOT OK	It's not OK—and it never will be—to report a specific question, or the answer options, to anyone.
BOTTOM LINE	Throughout the application and exam process, you'll sign numerous documents saying you won't share exam questions or options for answers with anyone. SCENARIO	You tell another candidate, "If I were you, I'd bring a sweater. The test room was cold."
WHAT'S OK	This is fine. You're simply telling someone else about the test site environment. You aren't revealing any of ARRT's questions or options for answers.
WHAT'S NOT OK	Be careful, though. If the conversation continues, and the other person asks specific questions about the exam, don't answer them.
BOTTOM LINE	If you share any of the questions or answer options on an ARRT exam, you might find yourself part of an ARRT ethics investigation and/or a legal complaint.

SCENARIO	Another candidate asks you, "Were there a lot of questions on [specific topic]?"
WHAT'S OK	It's never OK to report a specific question, or the answer options, to anyone. In addition, you can't give more information about the exam content than appears in our content specifications.
WHAT'S NOT OK	Candidates should review the content specifications (available on our website) to learn what topics our exams cover. Never ask for or give more specific information than appears in our content specifications, in this handbook, or on our website.
BOTTOM LINE	If someone asks you to reveal ARRT's exam questions or answer options, the conversation violates both the ARRT Standards of Ethics and the legal contract that all candidates sign. If someone asks you a question like this, show that person our content specifications and warn the person about the consequences of revealing ARRT's exam questions or answer options.

ARRT owns the copyright to our exam questions and to the options we offer as answers.

## EXPECTED CONDUCT AT THE TEST CENTER

Pearson VUE staff will watch you while you're completing your exam. They'll also make video and audio recordings of the test session. Both observation and a statistical analysis of your test responses can serve as grounds for determining misconduct.

### *Actions That Would Result in Score Cancellation*

Your score will be canceled, you'll have to reapply and pay the fee, and your exam will count as one of your test attempts if you:

- Retrieve or use a cell phone or other electronic device anytime during your exam appointment.
- Remove study materials or any unapproved items from your locker.
- Leave the test center building before you complete your exam.

Be aware that ARRT has a zero-tolerance policy for test center misconduct. If you do any of those things, Pearson VUE staff will end your exam and file an incident report with us. Electronic devices include (but aren't limited to) cell phones; any communication, recording or listening device (such as media players); removable storage devices; personal digital assistants (PDAs); calculators or computing watches; scanning pens; laptop computers, tablets, or any computer device; and cameras and other photographic devices.

### *Other Misconduct*

Other misconduct includes, but isn't limited to:

- Having access to papers, pamphlets, books, notebooks, or study guides during your exam
- Giving or receiving unauthorized help
- Attempting to take the exam for someone else
- Having someone else take an exam for you
- Failing to follow the instructions of Pearson VUE staff
- Tampering with the computer
- Attempting to use the computer for any function other than completing the exam
- Attempting to remove test content—in any format—from the test center
- Creating a disturbance

If you demonstrate misconduct or irregular behavior, we'll withhold your exam scores. We can also take measures including barring you from future exams, ending your exam, and canceling your scores for this and any previous exam. If you already hold an ARRT credential, we can deny your renewal; revoke or suspend your certification and registration; and take other actions as appropriate.

At the end of your exam, you'll receive a preliminary score—not a final one. It doesn't mean you passed or failed the exam or that you're eligible or ineligible for certification and registration. You're the only person who sees that score. You can't print your preliminary score, and once you leave the preliminary score screen, you won't be able to retrieve the score.

After your exam, Pearson VUE will return all data to ARRT. We'll complete an analysis of your exam. We take this step to ensure that the official score you receive is accurate.

[Learn how we score exams.](#)

If we have proper documentation of your eligibility, within 30 calendar days of your exam date we'll mail an official score report to the address we have on record for you. Call us if four weeks go by and you don't receive your scores—but be aware that we won't give your exam results over the phone. You can also check the [Verify Credentials](#) page of our website. It will reflect your certification and registration status within about three weeks of your exam date.

If you change your address after your exam, and you've opened an online ARRT account, be sure to change your address in your account. If you don't have an online account, call us at 651.687.0048. ## How to Interpret Your Score Report

We use scaled scores rather than raw scores to report your exam results. A raw score is the number of questions you answered correctly. A scaled score is more meaningful, because it considers the difficulty of each version of a test in comparison to other versions of the test. In other words, a scaled score of 75 represents the same level of performance—regardless of which version of an exam you took.

Scaled scores for ARRT's exams range from 1 to 99. Section scores range from 0.1 to 9.9; we report them in tenth-point intervals (e.g., 8.1, 8.2). Your overall score comes from the total number of items you answer correctly—not from your section scores. Because our test sections differ in length, you won't get your total score simply by averaging your section scores.

Use the section scores to review your strengths and weaknesses in content categories. You can generally interpret a section score of 8.1 as equivalent to a scaled score of 81 had that section made up the entire exam. Keep in mind, though, that because section scores come from a smaller number of questions than exam scores, section scores aren't as reliable as total scores.

If you score relatively lower in some areas, consider earning [continuing education](#) credits in those areas to increase your knowledge of those topics.

## Requirements for Passing the Exam

**YOU NEED A SCALED SCORE (SEE [PAGE 50](#)) OF 75 TO PASS AN EXAM.**

If you take the Sonography exam, you also need a score of 7.5 or greater in the Abdomen Procedures section and a score of 7.5 or greater in the Obstetrical and Gynecological Procedures section. The Obstetrical and Gynecological Procedures score is based on the 109 questions in the First Trimester Obstetrics, the Second/Third Trimester Obstetrics, and the Gynecology sections.

Each ARRT exam has a different number of questions. We conduct studies to determine the number of correct answers needed for a scaled score of 75 on each exam. ARRT and panels of experts from each discipline periodically review our passing scores to ensure their validity.

*Remember that passing an exam doesn't make you eligible for certification and registration. You also must meet our education and ethics requirements (see [Pages 5 and 7](#)).*

## When We'll Cancel Your Score

Be aware that ARRT can cancel your test scores in specific instances, which include but aren't limited to these:

- We determine that you haven't met your education or ethics eligibility requirements.\*
- There's evidence that the security of the exam you took was compromised—even without evidence that you knowingly compromised our security.
- You provide inaccurate or incomplete information or fees. (If that happens, we can cancel your scores or hold your results for six months; if you don't resolve the issue by then, we'll cancel your scores and count your attempt.)
- You experience severe technical difficulties during your exam. (If that happens, we'll investigate the circumstances and arrange for a makeup exam at no additional cost to you.)

\* In such cases, you'll forfeit your application fee, and your exam will count as one of your three attempts (see [Page 11](#)). In addition, we'll expect you to cooperate in any investigations of the circumstances surrounding such instances.

Once we've canceled your scores, they won't be valid for certification and registration. In such an instance, you'd have to retake the exam.

## How to Appeal Your Score

We use several quality control procedures to make sure all exams are scored accurately. If you think your exam score is wrong, however, you may request a review.

- Complete and submit an [Eligibility Appeal Request Form](#).
- Follow the instructions at the beginning of the form.
- Provide as much detail as possible.
- Include a nonrefundable \$25 fee.
- Mail to: ARRT, 1255 Northland Dr., St. Paul, MN 55120, Attn: Appeals Process Administrator.
- Postmark it within 14 calendar days of the postmark date on the envelope in which your results material arrived.

We'll review your responses to each question, compare those responses to the answer key, and recalculate both your raw scores and scaled scores. You'll receive our findings no more than 30 business days after we receive your request. If we find any scoring errors, we'll cancel your original score and provide you with your corrected score.

## What Happens If You Don't Pass

If you don't pass the exam on your first or second try, we'll send a reapplication form along with your score report. The fee to reapply is \$200. If you don't pass on your third attempt, we'll send you information on how to requalify to take the exam.

Be aware that we regularly update our exam content specifications. If you plan to retake the exam, compare the [content specifications](#) on our website to those you used for your previous attempt. You might need to prepare for new content on your next attempt.

### *Remember*

You have three years and three attempts to pass the exam (see [Page 11](#)). If we receive your reapplication and fees fewer than 30 calendar days before your three-year limit expires, we'll return them without processing. You'll have to requalify before you can take an ARRT exam (see [Page 21](#)).

Once you've met our education, ethics, and exam requirements, you'll reinstate your ARRT credential. While you keep your certification and registration current, you'll be eligible to use the term Registered Technologist and the abbreviation R.T. with your name.

Visit your online ARRT account for details about [maintaining your credential](#). Be aware that you'll need to complete the following three types of requirements throughout your career:

- 1 Renew your credential every year.
- 2 Complete your Continuing Education Requirements every two years.
- 3 Fulfill your Continuing Qualifications Requirements every 10 years.

After you've reinstated, you may earn additional credentials. Visit our [Primary Eligibility Pathway Handbook](#), [Postprimary Eligibility Pathway Handbook](#), and [Registered Radiologist Assistant Handbook](#) to learn more.
