

Maintaining Education Requirements / Continuing Registration

Annual Renewals

- Annual renewal applications are due every year by the last day of your birth month.
- Verify Credentials is accessible at the top of www.arrt.org, and is available to view your valid through dates. This is also a great tool for employers to access.

CE Biennium Periods

- It begins on the first day of your birth month after earning your certification and registration and lasts 2 years, ending on the last day of the month before your birth month

Continuing Education

- Report at least 24 Category A or A+ CE credits for most R.T.s.
- Report 25 Category A+ and 25 Category A or A+ credits if you hold an R.R.A. credential.
- 16 of your 24 CE credits must be related specifically to sonography if you hold an ARRT Sonography credential.

CE Probation

- Required when not meeting your CE requirements for the biennium period.
- Your CE Report form is not completed or lacks 24 CE credits.
- Fees incurred.

Reinstatement

- If you miss your annual renewal and wish to regain your ARRT credentials.
- Fees incurred and steps to take will depend on whether your CE biennium has expired.

Continuing Qualifications Requirements

- Due every 10 years when earning a credential on or after January 1, 2011.
- CQR is not an exam, and it will not be scored. There is no pass/fail.
