The new Baptist Health Care Campus represents the single largest investment in health care facilities, services and programs in Northwest Florida history. Continuing our founders’ bold vision and legacy, Baptist is making this significant investment to transform care in the community and improve the quality of life for generations to come.

**Campus**

- **Investment:** $615 million
- **57 acres**
- **Convenient, accessible location at the intersection of Brent Lane and I-110 in Pensacola, Florida**
- **Economic impact (based on February, 2020 Haas Center analysis)**
  - Significant opportunities for local vendors, contractors and the support economy
  - Creation of 4,261 construction jobs and nearly $201 million in direct construction labor
  - Indirect and induced effects of an additional 1,691 non-construction jobs with over $74 million in wages and nearly $250 million additional regional economic activity
- **Project team**
  - Gresham Smith – Architect
  - Meadows & Ohly – Program manager
  - Brasfield & Gorrie – General contractor
  - Smith Seckman and Reid – Equipment & technology planner
