TASTE THE
NEW SEASON!

WHAT IS NEW PRODUCT PRE-ORDER?

- New Product Pre-Order (NPP) is your chance to get a taste of the upcoming season before it starts.
- This season, we will hold a “Blind NPP” for all Consultants with only the collection names and prices on December 7. This is to facilitate any Consultants who wish to reserve their products before they start shipping mid-December, while respecting our Leader Season Launch event dates. The full flyer with all product names will be posted for all Consultants on December 15.

WHY SHOULD I PRE-ORDER?

- Order early to ensure you have your products in time for your new season Cooking Classes!
- Try out the new products so you're ready to launch the new season **online** or **in person** for your customers starting January 5!

HOW DO I ORDER?

- Log in to MyEpicure starting at noon (PT): Leaders on on December 1 and Consultants on December 7.
- Click on **Orders**.
- Choose **Add Order** and pick the new product order type — **New Product Pre-Order**.

(This new order type only allows you to add your NPP collections and catalogues so you can receive them as fast as possible!)

- Place and submit the order for your NPP collections and catalogues.

During the New Product Pre-Order period, Leaders and above may purchase **TWO** of each collection and Consultants may purchase **ONE** of each collection.

See next page for product and collection options available.
