

STEP 1

Download the app. Then tap TELEPODS icon in the Angry Birds Star Wars II app. Place any figure on top of the TELEPODS base as shown.

STEP 2

Place the TELEPODS base over the on-screen outline. The TELEPODS base should completely cover your device's camera lens.

STEP 3

Your chosen figure will be unlocked in the app.

STEP 4

Remove the TELEPODS base from your device.

STEP 5 Play!

Play Tips

- Turn to the dark side! Now you can scan in pigs to attack the birds in dark side levels of the app.
- You can scan multiple figures into the app. Each figure can only be scanned in one time per each level.
- You can scan different versions of the same character (for example, you can scan in Luke Skywalker™ Bird (Jedi™) and Luke Skywalker™ Bird (Pilot)).

Troubleshooting

If you're having trouble scanning a bird or pig into the app, make sure you:

- Are using the Angry Birds Star Wars II app. TELEPODS toys are not compatible with the 2012 Angry Birds Star Wars app.
- Are using an Angry Birds Star Wars II figure with TELEPODS technology. All Angry Birds Star Wars TELEPODS figures have a  on their base.
- Have activated the TELEPODS mode in the Angry Birds Star Wars II app. To activate the TELEPODS mode, press the  in the app.
- Are correctly positioning your figure on top of the TELEPODS base. Your figure should be facing the same direction as the Angry Birds Star Wars logo on the TELEPODS base.
- Are correctly positioning the TELEPODS base over your device. The Angry Birds Star Wars logo on the base should be facing your device's screen, and the base should completely cover your device's camera lens. Also make sure the TELEPODS base is positioned within the TELEPODS on-screen outline on the app screen.
- Are in a well-lit area.
- Have made sure the TELEPODS base is clean by using a clean, dry cloth to wipe the lens. Do not use any cleaning solutions.
