GET SET

1. The youngest player goes first.
2. Mix up the shapes and place them next to the game with the handle side facing up.
3. Flip the switch to the STOP position.
4. Set the timer by sliding it to the left, until it stops.

5. Press down the pop-up tray like this.

WARNING:

**CHOKING HAZARD - Small Parts.
Not for children under 3 years.**

TIME TO PLAY

Flip the switch to **START** and then **QUICKLY FIT THE SHAPES** into the matching holes.

If you finish **BEFORE** the timer stops, flip the switch to **STOP**. Where did it stop? This is the mark for the next player to beat! If you're playing solo, play again to beat your performance!

If you don't finish before the timer stops, the tray pops up and scatters the pieces! The next player gathers the pieces and takes a turn.

HOW TO WIN!

The first player to fit all 9 shapes into the matching holes wins!

FOR MORE OF A CHALLENGE!

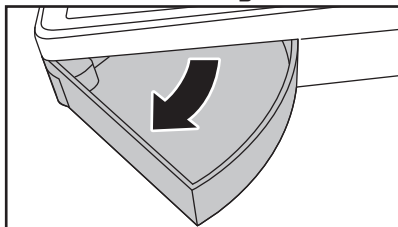

Move the timer only part of the way for even less time to fit the shapes!

FOR YOUNGER PLAYERS

Try playing the game without the timer so they have all the time they need to fit the shapes.

EASY STORAGE

When you're finished playing, store the shapes in the compartment located on the bottom of the game unit.
