SLIP INTO 'BROOME TIME' WHERE THE OUTBACK MEETS THE OCEAN

Many destinations claim to be a cultural melting pot, but Broome (Rubibi), the western gateway to the Kimberley, truly is a vibrant mix. Today, Broome is one of the world's finest producers of pearls, rich in Aboriginal culture and Asian heritage. Pack away your watch and follow the natural rhythms of this special place.

Relaxation is mandatory - by the beach, by the palm-fringed resort pool, with a cocktail in hand or savouring local specialties including pearl meat and mangoes, ginger beer and wild barramundi.
