Welcome Aboard

At SeaLink Marine & Tourism, we are passionate about connecting people to Australia's most spectacular destinations and experiences.

With many world-renowned brands within our family with a long history of providing premium experiences and service reliability, we proudly celebrate 55 years of Captain Cook Cruises on Sydney Harbour—an enduring symbol of our commitment to delivering world-class tourism and transport services.

In 2025, we continue to expand and enhance our experiences. We are investing in two state-of-the-art ferries for Kangaroo Island, increasing capacity and daily departures to this iconic destination. Late last year we launched Illumina, Queensland's first permanent immersive light and sound show on K'gari (Fraser Island) at Kingfisher Bay Resort. We've also introduced new Indigenous cultural tours on Kangaroo Island, North Stradbroke Island, and the Tiwi Islands—demonstrating our deep commitment to partnering with First Nations communities to share their amazing cultures and stories with the world.

With last year's addition of Red Cat Adventures and Whitsunday Jet Ski Tours, we have even more ways for travellers to explore Australia's stunning coastlines, islands, and marine environments.

All our brands are known for our steadfast commitment to providing a brilliant customer service and consistently delivering unforgettable experiences that enrich every visitor's journey. Our promise is that when you travel with us, your safety, comfort, and enjoyment are always our highest priorities.

We look forward to welcoming you aboard as we continue to explore Australia's breathtaking destinations, iconic landmarks, diverse cultures, unique wildlife, and spectacular landscapes together.

Yours sincerely,

Donna Gauci
