

An aerial photograph of a tropical beach. The water is a vibrant turquoise color, transitioning to a lighter, sandy hue near the shore. A small boat is visible in the water on the left. The beach is a mix of light and dark sand, with some people and a small structure on the shore. The surrounding area is lush with green vegetation and some yellow flowers.

STEP INTO A DREAM IN WESTERN AUSTRALIA

It's big, beautiful and billions of years old.

Western Australia is around the size of Western Europe and accounts for one-third of the Australian continent. It boasts 20,000 kilometres of mainland and island coastline, the world's oldest minerals and a host of natural wonders found nowhere else on Earth.

FIVE KEY REGIONS

Western Australia is a place of natural wonders, supernatural contrasts, and rare experiences. A truly wondrous and dreamlike place to explore. Recharge your spirit — outdoors in the fresh air and wide-open spaces, where it's always summer somewhere.

WA's ancient and beautiful landscape is home to pristine beaches, rugged gorges, unique rock formations, towering forests, secluded waterfalls and the world's largest wildflower collection. You'll also find unforgettable cultural and wildlife encounters, exquisite food and drink, vibrant events and in cosmopolitan Perth (Boorloo) a flourishing city life.

Tourism WA works with Regional Tourism Organisations (RTOs) and tourism operators to market WA's extraordinary destinations, experiences and events. WA's five tourism regions are Destination Perth, Australia's Coral Coast, Australia's South West, Australia's Golden Outback and Australia's North West.

Of the State's population of 2.6 million people, around three-quarters live in the Perth region. With more than 3,000 hours of sunshine per year, Perth is Australia's sunniest capital city. The city's spectacular natural surroundings are rivalled only by its vibrant city life.

WA's Aboriginal history dates back more than 50,000 years – making it one of the world's oldest living cultures. Almost a third of Western Australians are born overseas and 15 per cent of the population speaks a language other than English at home.

Incredible experiences and natural wonders await you in every region of this grand and diverse State, and the varied climate – Mediterranean conditions in the south through to the northern tropics – means you'll always find summer somewhere in WA.

MARGARET RIVER WINE REGION

DESTINATION PERTH

📍 PERTH CITY | BOORLOO

Australia's sunniest capital city Perth effortlessly blends urban cool with raw natural beauty. Its heart is bustling with bars, restaurants, hotels, shopping and cultural spaces, and is also home to one of the world's most beautiful inner city parks. Within 30 minutes of the city centre, visitors can be exploring WA's oldest wine region, watching a famous WA sunset, cycling around an island paradise or walking the streets of 'Freo'.

- Perth has an array of key attractions and including the vibrant waterfront precinct of Elizabeth Quay, 60,000 seat Optus Stadium and Yagan Square, which is a celebration of WA's Aboriginal heritage. Perth's hotel scene is booming, following the opening of new and refurbished properties in the CBD and surrounding urban and coastal areas. Not to be missed is the spectacular WA Museum Boola Bardip, located in the Perth Cultural Centre.
- Kings Park and Botanic Garden (Kaarta Koomba). At 400 hectares, Kings Park is one of the largest inner city parks in the world (it's bigger than Central Park in New York!). Home to more than 3,000 species of native plants and around 80 bird species, the natural landmark is the perfect spot to sit back, relax and take in the serenity. A short walk or free bus ride from the central business district, visitors will be rewarded with superb views over the Swan River (Derbarl Yerrigan) and city skyline, rich Aboriginal and European history, a tree-top walk, spring wildflowers, cafes, playgrounds and picnic spots. Take a self or guided tour, and in the summer months enjoy a live performance or film.
- Day trips. Within an hour of Perth's central business district you can meet the friendly quokkas on pristine Rottnest Island, tantalise your tastebuds in the Swan Valley or Perth Hills wine regions, swim with wild dolphins at Rockingham, cruise the canals in Mandurah (Mandjoogoordap), or discover maritime history, a World Heritage-listed prison and a bohemian lifestyle in the eclectic port city of Fremantle (Walyalup).
- Cuisine, culture and couture. Head into Perth's city centre and its urban hubs of Leederville, Mount Lawley, Northbridge, Victoria Park, Subiaco and South Perth for an ever-expanding range of dining, shopping and entertainment options. Art and museum exhibitions, theatre, ballet, music and sporting events are on in Perth year-round, while fashionistas can check out international and home-grown style throughout the city and surrounds. There are a number of guided walking tours that take in the city's past, present and future. Explore laneways, architecture, street art, bars, cafes, and restaurants – as well as tours themed around cheese, beer, wine, whisky and gin.
- Unique attractions. Hop on a free CAT bus and tour Perth's city sights. Ring one of the world's largest musical instruments, the Swan Bells at the Bell Tower, watch a live gold pour and see the world's largest collection of gold bars at the Perth Mint, take a ferry across the Swan River to Perth Zoo (home to more than 1,500 animals), or head out to Caversham Wildlife Park, 30 minutes' drive east of Perth where you can meet koalas, wombats, kangaroos and many other species of native wildlife.
- Beach sunsets. With 19 pristine metropolitan beaches to choose from, it's easy to find your own piece of paradise to enjoy one of WA's famous coastal sunsets – whether that be from the sand, a picnic area, or one of the coast's many dining options.

📍 PERTH | BOORLOO

AUSTRALIA'S SOUTH WEST

📍 BORANUP FOREST, MARGARET RIVER REGION

Here you'll find world-class food and wine, beautiful beaches, surfing, cave systems, tall tree forests, whale-watching, wildflowers and the famous wine region of Margaret River. As one of only 36 bio-diversity hotspots on Earth, the South West has thousands of plant species found nowhere else in the world.

- Surfing, swimming, snorkelling. The South West is world famous for its spectacular coastline and magnificent surf and swimming beaches. At Prevelly, you can follow in the footsteps of the world's best surfers who flock to the perfectly named Surfers Point for the annual Margaret River Pro. For more tranquil conditions, you'll find some of Australia's top swimming spots at Dunsborough (Quedjinup), Eagle Bay, Denmark and Albany (Kinjarling). Witness the wonders beneath the water through shipwreck diving, or you can stay dry at the Busselton Jetty Underwater Observatory.
 - World-class wine and fresh local produce. Home to six distinct wine regions including world-famous Margaret River (Wooditjilyup), the South West also serves up some of Australia's best 'paddock to plate' fresh produce. Enjoy fresh marron, trout, venison, chocolates, cheeses, cherries, boutique beers and ciders as well as the rare black truffle – more of them are produced in Manjimup than anywhere else in Australia.
 - Culture, arts and history. Learn more about the customs and history of the Nyoongar people – the South West's first inhabitants – through Aboriginal centres and tours across the region. You'll also find exceptional South West artistic talent including painters, sculptors, furniture makers, jewellery designers and hand-blown glass artists. Head to the coastal city of Albany and the multi award-winning National Anzac Centre for a deeply personal connection with Australia's ANZAC history.
 - Tall timbers. You'll get a bird's eye view of towering tingle trees in the Valley of the Giants, between Denmark and Walpole, where the world-first Tree Top Walk is suspended 40 metres above the forest floor. The South West is also home to giant jarrah, karri, marri and tuart trees. Near Pemberton you can climb a trio of karri trees, up to 75 metres high, using climbing pegs to reach lookout towers.
 - Adventure. Get hiking along the spectacular coastal Cape to Cape Track, the bushland Bibbulmun Track, or out to the Porongurup Range's Granite Skywalk. Take off on two wheels along the Munda Biddi off-road cycling experience and other world-class mountain biking paths, or head underground at Ngilgi, Mammoth, Lake and Jewel caves to explore mesmerising labyrinths decorated with limestone crystal formations.
- From January to April, take an orca tour from Bremer Bay to see the southern hemisphere's largest killer whale pod in a deep-sea canyon 70 kilometres offshore. Between June and November, witness the annual migration of humpback, southern right and blue whales from Albany's shores, or hop on a whale-watching cruise and get up close to these gentle giants.

An aerial photograph of a coastline. The top half shows a wide, white sand beach with several vehicles parked on it. The water is a vibrant turquoise color, transitioning to a deeper blue further out. The bottom half of the image shows dark, rugged rock formations meeting the water. The overall scene is bright and scenic.

AUSTRALIA'S GOLDEN OUTBACK

📍 WYLIE BAY, ESPERANCE | KEPA KURL

Discover historic townships, spectacular desert wilderness, quirky outback charm, gold-rush history and the Southern Ocean's perfect white beaches.

- White beaches and pink lakes. Home to Australia's whitest beach, Lucky Bay in Cape Le Grand National Park (Mandoowernup), just out of Esperance (Kepa Kurl), is so relaxing even the kangaroos sunbathe on the sand. For the full outdoor experience, follow the coastal walk trails or set up at some of Australia's most picturesque campsites. Back in town, be wowed around every corner along the 40-kilometre Great Ocean Drive. Starting to catch the eye of photographers are the rainbow lakes near Esperance, a collection of salt lakes, quite often bubble-gum pink, but change colour regularly — and are a fascinating sight from above.
- One of Australia's largest outdoor galleries. The striking salt flats of Lake Ballard form the backdrop of Inside Australia, a truly unique installation of 51 life-sized steel statues by acclaimed sculptor Antony Gormley, inspired by residents of the nearby town of Menzies.
- Golden Quest Discovery Trail. This 965-kilometre journey from Coolgardie to Laverton travels deep into gold-rush territory. Highlights include legendary country pubs, the fascinating Gwalia ghost town, the former home of 31st US President Herbert Hoover and Kalgoorlie's (Karikurla) famous Super Pit, one of the world's biggest open-cut mines, which has harvested more than 50 million ounces of gold.
- Wildflowers and wave walking. You can try to surf it... Wave Rock, near Hyden, is a remarkable 110 metre, multi-coloured granite cliff that resembles a huge wave about to crash into the bush. There's also Hippo's Yawn (funnily enough, it resembles a hippo yawning), and the Humps, and Mulka's Cave with its collection of Aboriginal rock art. In spring, you'll be surrounded by beautiful blankets of wildflowers in full bloom, with 60 per cent of the species unique to WA.
- The unexpected. Discover WA's largest outdoor gallery - the PUBLIC Silo Art Trail, country quirkiness along the Tin Horse Highway - a collection of 70 equine artworks in and around Kulin - and the world's longest golf course: the 1,365 kilometre Nullarbor Links.
- Escape the daily hustle and experience country living on a working station or farm in the Gascoyne Murchison region. Hike the rugged Mount Augustus followed by a stay in a luxury room in grand station homesteads or at a rustic shearing quarters and camping facilities on huge cattle station.

📍 CAPE LE GRAND NATIONAL PARK, ESPERANCE | MADOOWERNUP

An aerial photograph of the Ningaloo Reef in Western Australia. The image shows a vibrant turquoise ocean with visible coral formations and rocky structures. In the lower right, three people are swimming in the clear water. The foreground shows a rocky coastline with brownish seaweed and small pools of water.

AUSTRALIA'S CORAL COAST

📍 NINGALOO REEF | NYINGGULU

Home to awesome marine life, endless white sandy beaches and the warm, turquoise Indian Ocean, this region boasts two World Heritage-listed sites; Ningaloo and Shark Bay.

- Snorkelling at Ningaloo Reef. If you're visiting Exmouth, Coral Bay or the ocean-side pastoral stations north of Carnarvon, this is an absolute must do. The World Heritage-listed Ningaloo Reef is regarded as one of the last great ocean paradises on Earth, and you can access this watery wonderland by simply stepping off the beach and swimming a few metres to the world's largest fringing reef.
- Swimming with gentle giants. Join a whale shark tour from Exmouth or Coral Bay for the ultimate wildlife encounter – swimming with the world's largest fish. Whale sharks visit Ningaloo Reef from mid-March to the end of July; or swim with humpback whales from August to November. Year round you can also swim with giant manta rays while keeping an eye out for sea turtles, dugongs and game fish.
- Friendly dolphins at Monkey Mia. One of the world's most reliable places for wild dolphin encounters, Monkey Mia's curious bottlenose dolphins have been swimming to shore to interact with humans for more than 40 years. While in the World Heritage-listed Shark Bay area, you can also spot sea turtles and dugongs, admire the world's oldest and largest living fossils – Hamelin Pool's stromatolites – and fish, snorkel and dive. Don't miss a trip into Francois Peron National Park, the colours are sure to impress.
- Wildflowers and pink waters. Head inland to explore some of WA's most magnificent wildflower country, particularly between June and October when blooms are at their breath-taking best. While spotting some of WA's 12,000 wildflower species, check out other amazing colours at Hutt Lagoon near Port Gregory, where waters could be red, bubble-gum pink or lilac depending on the conditions. The lagoon, best viewed between April and October, is located between other Coral Coast highlights – the seaside city of Geraldton and its diving drawcard, the Abrolhos Islands; and Kalbarri, where soaring river gorges meet the sea.
- Extraordinary rock formations. Acres of incredible limestone spires rise eerily from the sand at the Pinnacles in Nambung National Park near the coastal town of Cervantes, a little over two hours north of Perth on the Indian Ocean Drive. Meanwhile in Kalbarri National Park, the much-anticipated Kalbarri Skywalk officially opened in June 2020. Offering visitors breathtaking and uninterrupted views over Kalbarri National Park, the 100-metre high skywalk features two cantilevered viewing platforms that extend 25 and 17-metres beyond the rim of the Murchison River Gorge.

📍 WULA GURA NYINDA ECO ADVENTURES, SHARK BAY WORLD HERITAGE AREA

AUSTRALIA'S NORTH WEST

♀ PURNULULU NATIONAL PARK, THE KIMBERLEY

A billion years in the making, the North West is one of the world's last true wilderness areas. Here you'll find ancient gorges, remote stretches of coastal paradise and rich culture and history.

- Camels on Cable Beach (Walmanjun). There's no better way to experience the 22 kilometres of Broome's (Rubibi) iconic Cable Beach than on a late-afternoon camel ride while basking in the orange glow of a Kimberley sunset. The town also has a fascinating pearling and wartime history, a unique melting pot of cultures and is home to natural wonders including dinosaur footprints and the Staircase to the Moon.
- Aboriginal experiences. Meet the locals and discover traditional lands, food and cultural practices via Aboriginal tourism experiences throughout the region. On the Dampier Peninsula, north of Broome, you can stay at one of the Aboriginal owned and operated properties such as Lombadina Aboriginal Corporation. The North West is also home to Australia's first 'Camping with Custodians' sites, offering self-drive visitors the chance to interact with local communities while staying at campsites run by Aboriginal people on Aboriginal lands.
- Best kept secrets. Get off the beaten path at two of WA's most spectacular national parks. At Karijini National Park, in the Pilbara region, ancient rocks have been shaped into massive mountains and escarpments, breathtaking gorges and tree-lined watercourses. Stay in the heart of the park at Karijini Eco Retreat's luxury tents. The World Heritage-listed Purnululu National Park in the Kimberley is home to one of WA's most striking geological features, the Bungle Bungle Range. The striped, beehive-like mounds are breathtaking from the air, or camp nearby to explore hidden gorges and pools.
- Horizontal Falls (Garaan-ngaddim). Talbot Bay in the Kimberley is home to Australia's only horizontal waterfalls, created when massive tidal movements squeeze water through narrow cliff passages. Aerial tours from Broome and Derby enable you to circle the phenomenon from above, alongside other scenic wonders of the Buccaneer Archipelago, where turquoise blue water contrasts with rugged red cliffs. You can also land and see the falls up close by boat, with the option of staying overnight on a houseboat.
- Remote luxury resorts. Chris Hemsworth is one of many celebrities to enjoy truly getting away from it all at one of the North West's remote luxury resorts. The Berkeley River Lodge can only be reached by boat or seaplane, Kimberley Coastal Camp is accessible only by helicopter, El Questro Homestead is cantilevered atop Chamberlain Gorge, and – true to its name – Faraway Bay is so remote you won't even find it on a map.
