What We Do

We are an established leader with established brands and a global presence. We're focused on investing and innovating in the animal health priorities that mean the most to our customers and the animals in their care.

We serve our customers in four targeted categories:

Companion Animal Disease Prevention

Parasiticides and Vaccines

Companion Animal Therapeutics

Chronic Disease and Pain

Food Animal Future Protein & Health

Poultry, Aqua and Nutritional Health

Ruminants & Swine

Beef and Dairy Cattle, Sheep and Swine

Our Promise

We will rigorously innovate to benefit our customers and improve the health of animals.

A Cause-Driven Culture

Elanco's commitment to healthy animals, healthy people and a healthy planet goes beyond the products we sell. We are committed to delivering expertise through science-based insights into some of animal health's most pressing and difficult issues, primarily: food security and the human-animal bond.

Our shared-value strategy engages employees, connects with the communities where we live and work, and aims to provide global, sustainable solutions.
