

**Steve Nanchen, Ph.D., Senior Director, External Innovation EU & APAC**

Steve holds a PhD in organic chemistry from the University of Basel, Switzerland. After a postdoctoral stay at Stanford University in the US, Steve started his career as a medicinal chemist in the Animal Health industry. Since then, he has held various positions in R&D, leading global projects from early discovery to development and regulatory submissions. Steve played a significant role in the development of recently launched products including Credelio™ and Increxxa™. Steve is passionate about innovation and transforming discoveries into products.
