

# KRAMP PTO RANGE

| Type                                     | Application   | Item no.        |
|--|---|-----------------|
| Buy PTO drive shaft T10 L=560mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for tedders, hay rakes, crop sprayers etc.   | T10056SC12C12KR |
| Buy PTO drive shaft T10 L=710mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for tedders, hay rakes, crop sprayers etc.   | T10071SC12C12KR |
| Buy PTO drive shaft T10 L=1010mm - KRAMP | Cost-effective alternative in the PTO range and suitable for tedders, hay rakes, crop sprayers etc.   | T10101SC12C12KR |
| Buy PTO drive shaft T20 L=560mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for tedders, hay rakes, crop sprayers, fertiliser spreaders etc.                   | T20056SC12C12KR |
| Buy PTO drive shaft T20 L=710mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for tedders, hay rakes, crop sprayers, fertiliser spreaders etc.                   | T20071SC12C12KR |
| Buy PTO drive shaft T20 L=1010mm - KRAMP | Cost-effective alternative in the PTO range and suitable for tedders, hay rakes, crop sprayers, fertiliser spreaders etc.                   | T20101SC12C12KR |
| Buy PTO drive shaft T40 L=560mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for log splitters, Slurry tankers, fertiliser spreaders, manure spreaders etc.     | T40056SC12C12KR |
| Buy PTO drive shaft T40 L=710mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for log splitters, Slurry tankers, fertiliser spreaders, manure spreaders etc.     | T40071SC12C12KR |
| Buy PTO drive shaft T40 L=860mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for log splitters, Slurry tankers, fertiliser spreaders, manure spreaders etc.     | T40086SC12B02KR |
| Buy PTO drive shaft T40 L=1010mm - KRAMP | Cost-effective alternative in the PTO range and suitable for log splitters, Slurry tankers, fertiliser spreaders, manure spreaders etc.     | T40101SC12B02KR |
| Buy PTO drive shaft T40 L=1010mm - KRAMP | Cost-effective alternative in the PTO range and suitable for log splitters, Slurry tankers, fertiliser spreaders, manure spreaders etc.     | T40101SC12C12KR |
| Buy PTO drive shaft T50 L=710mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for log splitters, manure spreaders, mowers, harvesting machinery etc.             | T50071SC12C12KR |
| Buy PTO drive shaft T50 L=1010mm - KRAMP | Cost-effective alternative in the PTO range and suitable for log splitters, manure spreaders, mowers, harvesting machinery etc.             | T50101SC12C12KR |
| Buy PTO drive shaft T60 L=710mm - KRAMP  | Cost-effective alternative in the PTO range and suitable for manure spreaders, mowers, harvesting machinery, soil cultivation machines etc. | T60071SC12C12KR |
| Buy PTO drive shaft T60 L=1010mm - KRAMP | Cost-effective alternative in the PTO range and suitable for manure spreaders, mowers, harvesting machinery, soil cultivation machines etc. | T60101SC12B02KR |
| Buy PTO drive shaft T60 L=1010mm - KRAMP | Cost-effective alternative in the PTO range and suitable for manure spreaders, mowers, harvesting machinery, soil cultivation machines etc. | T60101SC12C12KR |
| Buy PTO drive shaft T60 L=1210mm - KRAMP | Cost-effective alternative in the PTO range and suitable for manure spreaders, mowers, harvesting machinery, soil cultivation machines etc. | T60121SC12C12KR |
