what is a low speed vehicle (LSV)?

SAFETY STANDARDS OF CLUB CAR LSVs

The Urban LSVs come standard with street legal safety and cab features such as 3-pt seatbelts, head and tail lights, mirrors, backup camera system, AVAS, windshield wipers, heated windshield, rear bulkhead glass, automatic park brake, speed switch, premium instrument cluster, and lockable storage.

All LSV vehicles must meet all U.S. federal safety standards which require a registered VIN number, automotive safety windshield glass, safety belts, turn signals, headlamps, brake lights, horn, mirrors, reflex reflectors, a parking brake, and a rearview camera. They also must meet state and local laws which can include windshield wipers and warning beacons.
