## The Financial Conduct Authority (FCA)

The Financial Conduct Authority is a financial services regulator. It requires **us**, Scottish Friendly, to give **you** the important information contained within this document to help **you** to decide whether **our** Smart Guaranteed Life Insurance is right for **you**. **You** should read all the information carefully so that **you** understand what **you** are buying, and then keep it safe for future reference.

## Which service will Smart Insurance provide you with?

Smart Insurance arrange the **policy** on **our** behalf. **You** do not pay Smart Insurance for doing this. **We** send Smart Insurance a commission which is a percentage of the total monthly **premium**.

**You** will not receive advice or a recommendation from Smart Insurance nor will they charge a fee for this service. Smart Insurance may ask some questions in order to provide a quotation. **You** will then need to make **your** own choice about how to proceed. Smart Insurance only offer protection insurance products from Scottish Friendly.

## What is Smart Guaranteed Life Insurance?

With Smart Guaranteed Life Insurance **you** can select a **benefit amount** between £2,000 and £20,000, depending on **your** age. There are no questions asked about **your** health or any medical conditions that **you** may have. Smart Guaranteed Life Insurance meets the demands and needs of those who would like the **benefit amount** to help pay towards funeral costs, outstanding debts or left as a gift.

## Who can take out cover?

The Smart Guaranteed Life Insurance can provide cover for **you** under a **single life policy**, or for **you** together with a **partner life insured** under a **joint life policy**.

A **life insured** is eligible for cover, if at the **start date** they are resident in the **United Kingdom** and aged 30 to 80. Provided this criteria is met, **we** guarantee to accept **your** application for Smart Guaranteed Life Insurance.

## What is covered?

If a **life insured** dies, **we** will provide a lump sum payment as specified below:

Event	Amount Payable
Accidental death	Three times the <b>benefit amount</b>
Non-accidental death in the first 24 months from the <b>policy start date</b> (the <b>deferred period</b> )	The total of all <b>premiums</b> paid towards a <b>life insured's</b> cover
Non-accidental death after the first 24 months from the <b>policy start date</b> (after the <b>deferred period</b> )	The <b>benefit amount</b>

The **benefit amount** **you** selected for each **life insured** is specified in **your schedule**. The lump sum payment is provided on the death of each **life insured**.

## What is not covered?

During the first 24 months from the **start date** of the **policy** (the **deferred period**), the amount **we** pay for a non-accidental death will be limited to the return of all **premiums** paid towards a **life insured's** cover.

For full details about what is covered and what is not covered under Smart Guaranteed Life Insurance, please refer to the Terms and Conditions in sections 2 and 4 on pages 12 and 13.

## How much does cover cost?

The amount of **premium** payable will depend on the **benefit amount** **you** selected, age and whether **you** have a **single life policy** or **joint life policy**.

The amount of **premium** payable will be stated in **your schedule** which will be sent to **you** at the time **you** are accepted for cover.

**Premiums** are payable monthly and are fixed when **your policy** starts. **Your premiums** will not change throughout the duration of **your policy**, until the **policy anniversary** on or following attainment of age 95, when **premiums** are no longer payable for that **life insured**.

## When does cover end?

The Smart Guaranteed Life Insurance cover will continue for the whole of each **life insured's** life until the first of the following occurs:

- the date of death of that particular **life insured**;
- if two consecutive monthly **premium** payments are outstanding;
- the date **you** cancel the **policy**; or
- the date **we** cancel the **policy**.

On a **joint life policy**, should the **partner life insured** be the first to die, the **policy holder** will be automatically issued with a new **single life policy**. Should the **policy holder** be the first to die, the **partner life insured** will be offered a new **single life policy** under the terms which would have applied had they had a **single life policy** from the **start date** of the original **joint life policy**.

# General Information

## What is my responsibility under the policy?

When **you** hold a Smart Guaranteed Life Insurance **policy**, it is **your** responsibility to:

- answer all the questions asked by Smart Insurance truthfully, accurately and completely to the best of **your** knowledge when applying for **your policy**.
- ensure regular monthly **premiums** are paid for the duration of the **policy**.
- tell Smart Insurance when **you**, or any **life insured**, change personal details e.g. name, address or bank details.
- check **your policy** annually, to ensure that it continues to meet **your** requirements.

## What are the things to consider?

### No cash-in value

The **policy** has no cash-in value at any time.

### Affordability

**You** can decrease **your premium** payments and **benefit amount** at any time, subject to the minimum **benefit amounts** available. Please contact Smart Insurance if **you** need any help with affordability.

### Missed premiums

If two consecutive **premium** payments are outstanding, **your policy** will end with no value and cover under this **policy** will no longer be provided.

### You may pay in more

Depending on how long **you** live, it is possible that **you** (or whoever pays the **premiums**) may pay in more than the **benefit amount**.

### Effects of inflation

The **benefit amount** is fixed when **your policy** starts and does not change. The value of the **benefit amount** **you** choose may not keep up with inflation and as such, the value may reduce over time.

### Inheritance tax

In the event of the **life insured's** death and the **policy** paying out to the estate, there may be an inheritance tax requirement. **You** may be able to avoid inheritance tax by using an appropriate trust. If **you** require any additional information or are unsure about what to do, please speak with a financial advisor or solicitor. The Government may change the tax position described above.

**You** should note that if **you** have a **joint life policy** then using a Trust may be ineffective as the **joint life policy** will end on death of a **life insured**, this will mean that any replacement **policy** for **you** or the **partner life insured** will be set up outside the Trust.

## How do I cancel the policy?

**You** have 30 days from the date on which **you** receive **your policy** documents to make sure **you** are happy with **your** cover, and decide whether **you** want to keep it.

If **you** want to cancel **your policy**, **you** must contact Smart Insurance within this period for a full refund, subject to no valid claim being made. If **you** cancel **your policy** after the 30 day period then **you** will not receive any refund of **premium**.

To cancel, please contact Smart Insurance:

☎ 0800 458 6901, (weekdays between 9am and 7pm)

✉ Customer Services – Smart Insurance,  
PO Box 6063, Windsor, SL4 9GL

📧 [service@smartinsurance.co.uk](mailto:service@smartinsurance.co.uk)

If **you** do not cancel, **your policy** will start and end as set out in the Terms and Conditions and **your schedule**. **We** will collect **premiums** as agreed.

In the unlikely event that **your** complaint is not resolved to **your** satisfaction or after 8 weeks, **you** may refer it to the Financial Ombudsman Service (FOS) at:

-  0800 023 4567 or 0300 123 9123
-  The Financial Ombudsman Service  
Exchange Tower London, E14 9SR

Following the complaints procedure will not affect **your** legal rights.

## What is the Financial Services Compensation Scheme (FSCS)?

Both **we** and Smart Insurance are covered by the FSCS. **You** may be entitled to compensation from the scheme if either party becomes insolvent and cannot meet their obligations under this **policy**. The circumstances of **your** claim will determine whether **you** can make a claim and the amount **you** can claim. The maximum amount the FSCS will pay is 100% of the value of **your** claim, with no upper limit. **You** can obtain more information from the FSCS:

# Smart Guaranteed Life Insurance

## 1. Eligibility

You are eligible for Smart Guaranteed Life Insurance as long as at the **start date** you are:

- resident in the **United Kingdom**; and
- aged 30 to 80.

If **you** wish to add a **partner life insured** to the **policy**, the above eligibility criteria applies at the **start date** or if the cover is added to the **policy** later, the date when the **partner life insured** is accepted for cover.

Providing the eligibility criteria is met, **we** guarantee to accept **your** application for Smart Guaranteed Life Insurance.

## 2. What is covered

In the event of an **accidental death** by a **life insured**:

- **we** will pay three times the **benefit amount**.

In the event of a non-accidental death by a **life insured**:

- where death occurred in the first 24 months from the **policy start date** (the **deferred period**), **we** will pay the total of all **premiums** paid towards a **life insured's** cover.
- where death occurred after the first 24 months from the **policy start date** (after the **deferred period**), **we** will pay the **benefit amount**.

Where a new **policy** has been set up following the death of a **life insured** under a **joint life policy**, then the **deferred period** will be measured from the original **start date** of the **joint life policy**.

## 3. Minimum and maximum benefit amounts

The minimum **benefit amount** for each **life insured** under the **policy** is £2,000. The maximum **benefit amount** for a **life insured** under the **policy** at the **start date** is:

Age at start date	Maximum benefit amount
30-54	£20,000
55-59	£17,000
60-64	£13,000
65-69	£12,000
70-74	£9,000
75-80	£6,000

If **you** apply for cover with a **partner life insured**, **you** can both apply for individual amounts of cover based on the limits above. The **benefit amount** **you** selected is specified in **your schedule**. If **you** request to increase the **benefit amount** after the **start date**, then the maximum **benefit amount** is based on the above table and the **life insured's** age at the date of request.

The lump sum payment is provided on the death of each **life insured**.

#### 4. What is not covered

During the first 24 months from the **start date** of the **policy** (the **deferred period**), the amount **we** pay for a non-accidental death will be limited to the return of all **premiums** paid towards a **life insured's** cover.

#### 5. Cover start and end dates

The Smart Guaranteed Life Insurance cover starts for each **life insured** on the **start date** as specified in **your schedule** and will continue for the whole of each **life insured's** life until the first of the following occurs:

- the date of death of that particular **life insured**;
- if two consecutive monthly **premium** payments are outstanding;
- the date **you** cancel the **policy**; or
- the date **we** cancel the **policy**.

If **you** have a **joint life policy** then, in the event of **your** death any applicable **benefit amount** will be paid. The **partner life insured** will be offered a new **single life policy**, which they do not have to accept. The terms of the new **single life policy** will be those which would have applied had the **partner life insured** applied for a **single life policy** at the **start date** of the original **joint life policy**.

If **you** have a **joint life policy** then, in the event of the death of the **partner life insured**, **your joint life policy** will end and any applicable **benefit amount** will be paid. **You** will be automatically issued a new **single life policy**. The terms of the new **single life policy** will be those which would have applied had **you** applied for a **single life policy** at the **start date** of the original **joint life policy**. This means that whilst **your joint life policy** will end **you** will still maintain cover on **your** own life.

# General conditions and information about your policy

## 1. Premium payments

Your **premium** amount is calculated based on the **benefit amount** you selected, age and whether you have a **single life policy** or **joint life policy**.

The amount of **premium** payable will be stated in your **schedule** which will be sent to you at the time you are accepted for cover.

Your **premium** will be debited from your nominated bank account monthly on the date of your choice. All **premiums** are to be paid in **United Kingdom** currency (£ sterling) from a **United Kingdom** bank account.

**Premiums** are payable monthly and are fixed when your **policy** starts. Your **premiums** will not change throughout the duration of your **policy**, until the **policy anniversary** on or following attainment of age 95, when **premiums** are no longer payable for that **life insured**.

Under a **joint life policy**, if one **life insured** reaches the **policy anniversary** after their 95th birthday prior to a younger **life insured**, then the **premium** amount payable will be reduced in respect of the older **life insured** and cover will continue for both **lives insured**.

Once both **lives insured** reach the **policy anniversary** after their 95th birthday, then no **premium** will be payable and cover will still continue for both **lives insured**.

## 2. Missed premium payments

As soon as a **premium** payment is missed, Smart Insurance will try to contact you to discuss your payment arrangements and may also reattempt collection of your **premium** from your nominated bank account.

If two consecutive monthly payments are not paid, this **policy** will automatically end with no value and we will have no further responsibility in respect of this **policy**.

At our absolute discretion, we may reinstate the cover if the outstanding **premiums** are paid to us in full, although we reserve the right to make any variation in the cover provided.

For a **joint life policy**, where two consecutive **premium** payments have been missed and either you or the **partner life insured** have reached the **policy anniversary** after your/their 95th birthday, we can offer a new **policy** in respect of the older **life insured** where cover will continue and there are no further **premium** payments due.

## 3. Changing your insurance

### 3.1 Changes you can make

You may apply, at any time, to change your **policy** during the period of **insurance**, however, we cannot guarantee that we will be able to make the changes you request. Any changes accepted may be subject to the payment of an additional **premium** based on your age at the time of the request.

If your changes are accepted, you will receive confirmation of

these changes, including, if applicable, a new **schedule**. The new **schedule** will replace all previous versions issued.

You can make various changes to your **policy**, including; updating personal details, adding a **partner life insured** or changing the **benefit amount**.

### 3.2 Changing your benefit amount

If at any time you decide to increase the **benefit amount** for a **life insured**, then a new **deferred period** will apply from the date of increase in respect of the amount of increase. The **benefit amount** increase will also be subject to the maximum **benefit amounts** available.

If you wish to do so, you can reduce the **benefit amount** at any time, subject to the minimum **benefit amount** that is available. If you do reduce the **benefit amount**, the **premium** will be reduced accordingly.

### 3.3 Changes under a joint life policy after a claim

For **joint life policies**, should you pass away, the **partner life insured** will be offered a new **single life policy** under the terms which would have applied had they had a **single life policy** from the **start date** of the original **joint life policy**. The surviving **life insured** will be required to set up a new direct debit and accept the terms of the new **single life policy** should they wish to do so.

For **joint life policies**, should the **partner life insured** pass away, your **joint life policy** will end. You will automatically be issued with a new **single life policy** under the terms which would have applied had you had a **single life policy** from the **start date** of the original **joint life policy**. You will not be required to set up a new direct debit.

### 3.4 Changes we can make

We can change the terms and conditions of your **policy** that we reasonably consider are appropriate. These changes could affect the amount and type of cover provided under the **policy**. We may also make changes due to the result of a change to any applicable legislation or regulation of taxation.

If we do decide to make any changes to your **policy**, Smart Insurance will write to tell you at least 28 days before the change takes effect.

## 4. Annual review of cover

It is your responsibility to review the cover annually to ensure it remains adequate for your needs.

## 5. Multiple policies

If the **life insured** is covered under more than one Smart Guaranteed Life Insurance **policy**, the total lump sum payment provided on death under all **policies** combined will be limited to that which would have applied under a single **policy** with a chosen **benefit amount** equal to the maximum **benefit amount** as illustrated in the 'Minimum and maximum benefit amounts' section on page 12.

If a reduction in the amount provided is necessary due to

the maximum limits being exceeded, the reduction will be applied to the **insurance policy** most recently commenced and the same proportion of associated **premiums** paid will be refunded.

## 6. Governing law

This **policy** is governed by the laws of England and Wales unless, at the **policy start date**, **you** are resident in Scotland, in which case this **policy** is governed by the laws of Scotland.

All **policy** communication will be in English.

## 7. Data protection notice

## 8. Accuracy of Information

**We** may not pay part or all of a claim and may have the right to cancel the **policy** at the time if, when **you** applied for the **policy** or when making a claim, the **life insured** failed to answer all **our** questions truthfully, accurately and completely to the best of their knowledge and/or the **life insured** does not

provide all the information Smart Insurance asks for, and/or the **life insured** does not tell them of any inaccuracies before or immediately after **your policy** is issued.

If the **life insured's** date of birth as shown on **your schedule** is incorrect, the terms of the **policy** shall be cancelled and reissued based on terms that would have applied if the correct date of birth had been given. Once a claim request is received, Smart Insurance will send a claim form to be completed, signed and returned. **We** will require an original death certificate or a certified copy to assess the claim.

**We** may also require the **life insured's** treating doctor or a **medical specialist** to complete a report which will be at **our** expense. It may also be necessary to access the **life insured's** medical records. **We** may also require further information or documentary evidence to assess the claim.

If any information or documentation that would reasonably be required to assess the claim is not provided by the claimant, **we** will not be able to process the claim until the information or documentation is made available.
