#### DKMS Family Donors Program

We are happy to announce the new DKMS Family Donors Program. We are now offering workup services for family donors who are:

- Unable to travel to the TC for collection and
- Live in a country with a DKMS entity (Germany, Poland, US, UK, India) or can visit one of these countries (we will facilitate collection in a country with a DKMS entity)

We are committed to providing the same high level of quality services for family donors as we do for unrelated donors. If you would like more information or wish to request these services, please contact us at [familydonors@dkms.org](mailto:familydonors@dkms.org).

#### DKMS Mechtild Harf Research Grant

DKMS has announced its new call for applicants for the Mechtild Harf Research Grant for the study of hematopoietic stem cell transplantation and cellular therapies of hematologic malignancies. You should have already received more detailed information regarding the grants on November 14th, 2017.

Please note that the **application deadline is January 31st, 2018**. For detailed information, please visit our website:
