5. CONTROL
Your Smart Home

Duplex Receptacle

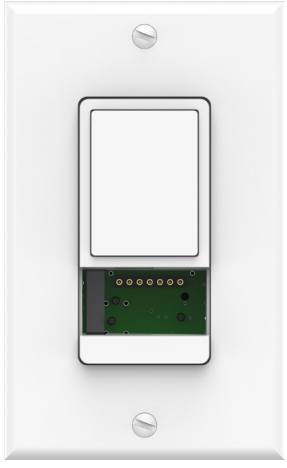
Input Power Rating:
125VAC, 15A
DC Output: 5VDC@2A
Load Ratings:
Resistive: 1800W
Horsepower Rating: 0.5Hp
Inductive: 8A@125VAC
(PF 0.4)

Operating Temperature:
-10 to +40C
NEMA: 5-15R
Tamper Resistant Shutters
Color: White
Indoor Installation Only
Listed: c ETL us
UL1310, UL498
CSA C22.2 #42, #223

Split Duplex Receptacle

Input Power Rating:
125VAC, 15A
DC Output: 5VDC@2A
Load Ratings:
Resistive: 1800W
Horsepower Rating: 0.5Hp
Inductive: 8A@125VAC (PF 0.4)
Operating Temperature:
-10 to +40C

NEMA: 5-15R
Tamper Resistant Shutters
Color: White
Indoor Installation Only
Listed: c ETL us
UL1310, UL498
CSA C22.2 #42, #223



Wall Switch

Input Power Rating:
125VAC, 2.5A
DC Output: 5VDC@2A
Type: 1P/3P
Operating Temperature:
-10 to +40C
Lamp Load:
LED: 250W
INC/HAL: 600W

NEMA: NEMA SSL 7A Compliant
Horsepower: 0.3Hp
Color: White
Listed: c ETL us (Dec 2019)
UL508, UL1310
CSA C22.2 #223

Dimmer Switch

Input Power Rating:
125VAC, 2.5A
DC Output: 5VDC@2A
Type: Dimmer
Operating Temperature:
-10 to +40C
Lamp Load:
LED: 150W
INC/HAL: 300W

NEMA: NEMA SSL 7A Compliant
Color: White
Listed: c ETL us (Dec 2019)
UL1472, UL1310
CSA C22.2 #184.1, #223

Control your home from your phone.

Your smart home at your finger tips with the Swidget App.

Increase efficiency and convenience.

Connect your Wi-Fi enabled Swidget Insert to the Swidget App.

Calibrate the device.

Plug in the devices you want to monitor and calibrate the devices properly to get the best data.

Control your environment from anywhere.

Forget to turn off the lights or iron? No problem. Turn appliances On or Off on the go with a tap of the app, or set a schedule to make your appliances work for you.

Make your life more flexible.

Know what's happening in your home when you're away by setting notifications to be sent to your phone. Did the power go out? Do you need to check the freezer? Did someone open your garage? Know everything.
