(b) References in the Conditions to a document shall be references to such document as amended or replaced from time to time.

2. Sale and supply

- (a) Subject to Condition 2(b) and 2(c), the Agreement shall commence on the Effective Date and shall continue for the duration of the Term. Subject to Condition 2(d), the Supplier will sell and supply electricity to the Customer at the Premises from the start of the Commitment Period for the duration of the Term in accordance with the law and subject to these Conditions. We will issue you with a Customer Agreement Form or a Confirmation Letter which will set out the specific details of the Price Plan and any discount (where applicable) you have agreed to. These Conditions and the Customer Agreement Form or Confirmation Letter will form the Agreement between us.
- (b) The Natural Gas supplied by the Supplier may not be resold by the Customer in any form without the prior written consent of the Supplier.
- (c) It is a pre-condition of supply that the Customer satisfies a credit check (at the sole discretion of the Supplier).
- (d) If we do not already supply gas to the Premises on the Effective Date, we will sell and supply gas to the Customer on the date that we receive a notification from the MRSO that we are the registered supplier of the Premises.

3. Price

- a) The price of the Natural Gas supplied by us is set out in the applicable Price Plan.
- b) Our up-to-date Price Plans may be obtained by contacting us in accordance with Condition 22.
- c) If you are on a **Variable Price Plan**, we may change the price charged to you from time to time. We will communicate with you to let you know about any such changes and the date they become effective.
- d) If you are on a **Fixed Energy Price Plan**, the price may change during the Commitment Period as the Non-Energy Rate is subject to change during the Commitment Period. The price of your Energy Rate will stay the same for the Commitment Period. Carbon Tax, VAT and any other levy or tax are not fixed and are subject to change during the Commitment Period. Any changes to such rates may be passed through to the Customer by us.
- e) If you are on a **Fully Fixed Price Plan**, the price will not change during the Commitment Period. Carbon Tax, VAT and any other levy or tax are not fixed and are subject to change during the Commitment Period. Any changes to such rates may be passed through to the Customer by us. Once the Commitment Period of the Fully Fixed Price Plan expires, you will be placed on the standard Variable Price Plan, or other plan as agreed with us in advance.
- f) Annual Notification: We may communicate with you before the end of your Commitment Period to let you know that your Commitment Period is coming to an end and the options available to you. Once the Commitment Period of your Price Plan expires, you will be placed on our standard Variable Price Plan or an alternative Price Plan, at our discretion. Before you are placed on an alternative Price Plan (excluding our standard Variable Price Plan), we will communicate with you to let you know the details of the alternative Price Plan (which shall include a fixed Commitment Period) that we intend to place

you on following the expiry of your existing Commitment Period. You will have **3 weeks** to contact us to object to being placed on the alternative Price Plan that we have proposed. If we do not hear from you within this period, you will automatically be placed on the new Price Plan following the expiry of your Commitment Period. In such circumstance, these Conditions shall apply.

- g) Your Price Plan depends on your annual consumption level and pattern of usage of Natural Gas which will be assessed once per Year by Gas Networks Ireland. If your consumption is above or below the Price Plan you have chosen, we may change your Price Plan and any discounts previously received by the Customer may no longer be applicable.
- h) The Customer may get advice from us on choosing a Price Plan but you are responsible for making the decision on what Price Plan best suits your needs. In the event that you have chosen the incorrect Price Plan for you, Bord Gáis Energy will not be held accountable for this or any charging that has occurred due to your incorrect selection. To discuss changes to your Price Plan please telephone us on 1850 405 805.
- i) In the event that any relevant new governmental or regulatory tax or levy is introduced during the Commitment Period then this will be payable by the Customer under your Price Plan.

4. Metering and Billing

- a) The Natural Gas supply will be measured by the Meter and metering equipment installed and maintained in line with the relevant Connection Agreement which sets out the main commercial terms for the connection of loads to the Gas Networks Ireland Distribution System at your Premises. Gas Networks Ireland staff, its agents or contractors will read the Meter.
- b) If we have not been able to get Meter readings for any reason, we will use estimated readings. You can also provide Gas Networks Ireland with your own Meter reading by phoning 1850 427 732 or you can submit your Meter reading to us directly by calling us on 1850 405 805.
- c) If you or we discover that any Meter reading has been inaccurate or omitted or the readings have not been converted into charges correctly, you or we as the case may be, must pay any money that is due at the date of the next bill.
- d) In between readings of the Meter, estimations of your Natural Gas consumption may be made by Gas Networks Ireland using the FAR process. An estimated meter read will be calculated using the FAR process having regard to a number of factors including (but not limited to) prior Natural Gas usage at the Premises, the time of year and the nature of the Premises.
- e) We will regularly, usually every two months (or as otherwise agreed) send you bills for Natural Gas that you use. Your bill may also include charges for services that we have agreed to supply to you and will include VAT. The Supplier may also include in your bill charges (plus VAT) for any services that we have agreed to supply to you and that you have agreed to receive.
- f) You must pay us for any Siteworks that we or you have requested be carried out at your Premises and for which we have been charged by Gas Networks Ireland. This includes (but is not limited to) the locking, unlocking, disconnection, reconnection or testing of the Meter.
- g) If the Supplier supplies Natural Gas to the Customer but all or part of such Natural Gas supplied is not registered by the Meter (due to a fault or unauthorised interference or any other reason), the Customer must pay an amount equal to the charge that we and Gas Networks Ireland estimate would have been payable had the Meter or metering equipment been working properly.
- h) A copy of our code of practice concerning arrangements for billing (entitled “Bill Payment”) may be obtained on our website at www.bordgaisenergy.ie or by contacting us in accordance with Condition 22.

5. Application of Terms and Conditions to your Connection for Natural Gas Supply

- a) In consideration, and as a condition, of being connected to the Gas Networks Ireland Distribution System in order to receive a natural gas supply and for other good and valuable consideration (the receipt and sufficiency of which is hereby acknowledged), you hereby accept and agree to be bound by the terms and conditions under which a connection to the Gas Networks Ireland Distribution System is provided and operated.
- b) These terms and conditions, called the “Gas Networks Ireland Terms and Conditions for Gas Users at Non Daily Metered (NDM) Offtake Points”, are available at www.gasnetworks.ie or by contacting Gas Networks Ireland at 1850 200 694 and are entered into between you and Gas Networks Ireland, from the date of this Agreement.

6. Payment of Accounts

- a) The Customer must pay us the cost of Natural Gas as set out in your Price Plan (incl. Vat) during the Commitment Period and thereafter at the applicable rates for the remainder of the Term. Your consumption at the Premises may be based on an actual or estimated meter reading(s). Unless we have agreed otherwise, every bill, including one based on an estimated meter read, is payable on the date specified on the bill. You must also pay us for an amount specified on the bill for other services that we have agreed to provide to you.
- b) Your liability to pay for the Natural Gas used at the Premises (plus VAT) together with any supply charges which may be applicable to your Price Plan and any amount specified on the bill for other services that we have agreed to provide to you continues until all sums due are discharged by you.
- c) The Customer must pay us by Direct Debit or as otherwise agreed by us.
- d) If the Customer does not pay us any sum due under the Agreement, you will be liable to pay us interest from the due date for payment at the European Central Bank main refinancing rate plus 7 percentage points calculated on a daily basis or, if there is no such rate, then an equivalent rate, accruing on a daily basis until payment is made.
- e) If you have another Bord Gáis Energy account with us at this or other Premises, we may transfer any credit or debt between your accounts in order to recover any money you owe us.
- f) When your request to switch to us is processed, your current supplier will notify us if you are in arrears for more than levels set for all customers by the Commission for Energy Regulation. If we decide not to carry out the switch because of arrears, we will tell you in writing.
- g) If you close your Natural Gas account and there is a credit balance due to you this will be shown on your final bill. You must contact us to receive your credit. If any credit remains unclaimed for longer than one Year then we may remove this credit from your account.
- h) We may, from time to time, offer you Energy Saving Solutions. You agree that any Energy Credits associated with the Energy Saving Solutions shall be allocated to Bord Gáis Energy.

7. Access to the Meter and the Premises

- a) All equipment and installations up to and including the Meter belong to Gas Networks Ireland and must be used in accordance with Gas Networks Ireland instructions and terms and conditions. The Supplier has no responsibility for maintaining the Meter or any metering equipment or associated pipe work. Pipe work from the Meter into your Premises and your appliances connecting to it are your responsibility. Neither Bord Gáis Energy nor Gas Networks Ireland accepts any responsibility for maintaining these.
- b) The Customer must comply with any conditions given to it by Gas Networks Ireland or by the Supplier on behalf of Gas Networks Ireland regarding the Natural Gas Connection or any related matters. A copy of Gas Networks Ireland’ terms and conditions

can be found on their website at www.gasnetworks.ie or by phoning 1850 200 694.

- c) The Customer is responsible at all times for having due care towards the Meter. The Customer will not interfere or allow any interference with the Meter, whether for repairs or for any other purpose without Gas Networks Ireland's consent, and will notify Gas Networks Ireland and/or the Supplier of any defect in the Meter or if any alteration or other attention is required.
 - d) The Customer may request Gas Networks Ireland to carry out Siteworks at the Premises in accordance with the terms of this Agreement.
 - e) We may request that Siteworks are carried out at the Premises such as locking, unlocking, disconnection, reconnection or servicing of the Meter.
 - f) The Customer is responsible for all costs (including VAT) associated with the Siteworks whether requested by you or us. This includes any costs incurred as a result of the cancellation of the Siteworks by the Customer or because of the Customer's default. The Customer will also be responsible for all fees payable where Gas Networks Ireland visits the Premises to carry out the Siteworks at a time agreed with the Customer, but is unable to do so due to the default of the Customer.
 - g) Gas Networks Ireland (or when appropriate the Supplier) will inform the Customer at the time that he requests the Siteworks of the cost and payment terms of the Siteworks.
 - h) The Customer must allow Gas Networks Ireland authorised personnel, agents or contractors entry to your Premises to which Natural Gas is supplied for the purposes of reading, inspecting, disconnecting, locking or removing the Meter or Meters and for all other purposes in connection with providing Natural Gas. Such entry to be permitted at all reasonable times and at any time in case of any emergency or network emergency.
- i) If the Customer fails to comply with Conditions 4 or 7 and this frustrates or delays payment for the Natural Gas used by the Customer, the Supplier will be entitled to treat this as neglect or refusal to pay for the purpose of the Agreement.

8. Security

If we decide it is required at any time, you must provide us with a security payment such as a deposit (the form of this payment to be decided by us). This is for the payment of any monies which may from time to time become due by you under the Agreement. The Customer acknowledges that this security, where in the form of a deposit, does not constitute an interest bearing deposit, and the Customer shall not be entitled to any interest payments from the Supplier.

9. Calculation of energy supplied

- a) The Customer will be charged for the number of kiloWatt hours (kWh) of Natural Gas consumed, or estimated to have been consumed at the Premises, or passed through the Meter, or estimated to have been passed through the Meter, in accordance with the Gross Calorific Value of the Natural Gas as determined by Gas Networks Ireland.
- b) To convert the Meter read or estimated Meter read into kiloWatt hours (kWh), a conversion factor is applied. This conversion factor is provided to us by Gas Networks Ireland and is shown on your bill.
- c) The calculation of Natural Gas supplied will conform with the requirements of Directive 2004/22/EC or any amendment or re-enactment of that Directive.

10. Units of measurement

All units of measurement used pursuant to the Agreement will be in accordance with Directive 80/181/EEC (as amended by Directive 85/1/EEC, Directive 89/617/EEC and Directive 99/103/EC) and any other amendment or re-enactment of that Directive.

11. Quantities and Interruptions

- a) The Supplier may limit the supply of Natural Gas to the Customer as it thinks desirable or necessary to any quantity which includes (without limitation) asking Gas Networks Ireland to cut off the supply of Natural Gas to the Customer.
- b) Although the Supplier intends that the supply of Natural Gas will be given without interruption or variations, the Supplier will not be liable for any loss or damage, suffered by the Customer in respect of interruptions or variations in the supply or cessation of supply resulting from any cause whatsoever.
- c) The Supplier's obligation to supply Natural Gas to the Customer is subject at all times to the delivery of Natural Gas by Gas Networks Ireland to the Delivery Point.

12. Assignment

- a) The Supplier will be entitled to assign the benefit of the Agreement without the prior written approval of the Customer.
- b) You may not assign this Agreement without prior written consent of the Supplier which shall not be unreasonably withheld.

13. Complaints

- a) The Customer may make a complaint in relation to any issue arising under the Agreement by contacting the Customer Service Department in accordance with Condition 22.
- b) Any complaints made by you will be dealt with in accordance with our Code of Practice for dealing with Customer complaints. The Customer may obtain a copy of this code on the Bord Gáis Energy website www.bordgaisenergy.ie or by contacting us in accordance with Condition 22.

14. Force Majeure

The Supplier shall not be obliged to carry out any obligation under this Agreement where performance of such obligation is prevented due to any cause beyond the Supplier's reasonable control. This includes, but is not limited to, failure or shortage of gas supplies, civil unrest, labour shortage or labour dispute, the application, instruction, request, act or omission of Government, an emergency services organisation, or other competent authority, or legal or statutory obligations.

15. Bord Gáis Energy Codes of Practice

We have 3 Codes of Practice covering issues including Complaint Handling, Marketing and Bill Payment which set out the way we do our business in each of these areas and the services and levels of service you can expect. To obtain a free copy please contact us in accordance with Condition 22 or visit our website at www.bordgaisenergy.ie

16. Appliances

- a) The Customer accepts liability for the care and maintenance of the Appliances at the Premises.
- b) The Supplier accepts no liability whatsoever or howsoever arising whether in contract, tort (including negligence) or otherwise for the Appliances or the care and maintenance of the Appliances.

17. Limitation of Liability

- a) All warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from the Agreement.
- b) The Supplier will not have any liability whether in contract or tort or otherwise whatsoever or howsoever arising in respect of or in connection with any failure of the services provided by Gas Networks Ireland, the Natural Gas Connection, or any Siteworks.

- c) The Supplier will not have any liability whether in contract, tort (including negligence) for any indirect or consequential loss or economic loss suffered by the Customer as a result of the sale or supply of Natural Gas or in connection with the Agreement.
- d) Nothing in this Agreement will exclude or restrict our liability for damages arising out of liability for death or personal injury arising from our negligence.

18. Discontinuance of Natural Gas Supply

Any Meter supplied to you shall remain the property of Gas Networks Ireland and may be removed or disconnected by Gas Networks Ireland in the following circumstances:

- i) under instruction of Bord Gáis Energy in accordance with Condition 22; or
- ii) for safety; or
- iii) suspected interference reasons; or
- iv) if there is no active Natural Gas supplier at your Premises.

19. Network Emergency

In the event of and for the duration of a network emergency or in the case of an escape, or suspected escape, of Natural Gas:

- i) the Supplier may at the request of the National Gas Emergency Manager, the emergency response service or Gas Networks Ireland discontinue the supply of Natural Gas to the Premises; and
- ii) the Customer must refrain from using Natural Gas immediately upon being told by the Supplier or Gas Networks Ireland or the National Gas Emergency Manager that the Customer should do so.

20. Emergency Response Service

- a) The Emergency Response Service is operated by Gas Networks Ireland on behalf of all customers.
- b) The Gas Networks Ireland 24hr emergency line is: 1850 20 50 50.
- c) The Supplier will, in so far as is practicable, take steps to inform the Customer of any change in the details of the emergency response service prior to such change becoming effective. In any event the up-to-date information in this regard will be displayed on the Supplier's website (www.bordgaisenergy.ie) or on the Customer's Natural Gas bill or may be obtained by contacting us in accordance with Condition 22.

21. Termination

- a) If you do not have a Commitment Period in your Price Plan i.e.
 - i) if you have selected a Variable Price Plan which does not include a discount; or
 - ii) the Commitment Period of your Price Plan has expired

you may end this Agreement by giving us 28 days notice by telephone or by writing to us (in accordance with Condition 22) and by paying the amount due for all Natural Gas used up to the date of such termination and for any other charges and obligations in your tariff or services that we have agreed to provide to you under this Agreement. You will remain liable for any Natural Gas used in the Premises until this notice has expired and a) you have given us a meter reading or b) you have given access to Gas Networks Ireland to read and de-energise the Meter or c) you have accepted an estimated meter reading provided by us. If you cannot provide us with a closing meter read, we may provide you with an estimated meter read calculated by us, at our sole discretion. Where this happens, you agree to make payment in full based on our estimated meter read. In the event that you cannot provide a meter reading, do not accept our meter reading or cannot provide Gas Networks Ireland access to the Premises, you may be charged a special administration fee of €65 in order to close your account.

- b) If your Price Plan contains a Commitment Period and your Commitment Period expires, you will be placed on the Supplier's standard Variable Price Plan or an alternative Price Plan in accordance with Condition 3(f), and the terms of this Agreement shall apply. We may write to you to let you know when your

Commitment Period is due to expire.

- c) If the Price Plan you have chosen contains a Commitment Period then you are subject to the terms of the Agreement for the duration of the Commitment Period. In the event that prior to the expiry of the Commitment Period you purport to terminate the Agreement or the Supplier purports to terminate the Agreement in accordance with Condition 21(f) then we have a right to charge you an Early Exit Fee and/or we have the right to re-register you as our Customer with the GPRO. The Early Exit Fee is calculated by taking the customer's Annual Quantity divided by 12 and then multiplied by the number of months or parts of a month between the date you terminated the Agreement and/or registered with a new Supplier and the remaining period up to the Commitment Period End Date (up to a maximum of 4 months) = "X". "X" is then multiplied by 4 cents/kWh to calculate the Early Exit Fee payable by the Customer. The Early Exit Fee will be calculated by us and billed to you. The Parties acknowledge and agree that the Early Exit Fee is a genuine pre-estimate of the loss that the Supplier would suffer if the Agreement was terminated in the circumstances outlined in the Condition.
- d) Subject to Condition 21.3, you may change from a Variable Price Plan to a Fully Fixed Price Plan or a Fixed Energy Price Plan at any time and no Early Exit Fee will apply.
- e) This Agreement may be terminated by either Party at any time without notice, if the other Party commits a material breach of the Agreement and fails to remedy it within a reasonable time but without prejudice to any antecedent rights or remedies of either Party. Without prejudice to the classification of any other breach as a material breach, any failure by the Customer to pay any sum due under this Agreement on time will be deemed to be a material breach of this Agreement and the Supplier may terminate the Agreement and/or lock or disconnect the Meter.
- f) The Supplier may lock or disconnect the Meter without notice (and may terminate the Agreement with notice) in the following circumstances:
- if the Customer becomes bankrupt, insolvent, makes any voluntary arrangement with any of its creditors, if a receiver or administrative receiver is appointed over any part of the Customer's business or property, the Customer goes into liquidation or an examiner is appointed to the Customer;
 - if the Supplier no longer has a Licence to supply the Premises;
 - if the National Gas Emergency Manager, the emergency response service or Gas Networks Ireland informs the Supplier that there is any risk of fire or explosion or injury to persons or property by reason
 - of any defects or suspected defects in the Appliances and this is not rectified within a reasonable period of time;
 - if the Supplier reasonably considers that there is a risk of fire or explosion or injury to persons or property due to the supply of Natural Gas to the Premises; or
 - if a last resort supply direction is given to another supplier in respect of the Premises, in which event the Agreement will terminate on the date that the direction takes effect.
- g) The termination of the Agreement, however arising, will not affect the rights and duties of either party, accrued prior to termination.
- h) Further information in relation to our policy and procedures for causing premises to be disconnected from the Natural Gas network is set out in our Code of Practice on "Bill Payment" which may be obtained by contacting us in accordance with Condition 22 or by visiting our website (www.bordgaisenergy.ie).
