

# Increase Your Energy Efficiency - Reap the Rewards

The Energlaze and Bord Gáis Energy partnership means you can be rewarded with Energy Credits as you create a more energy efficient home with Energlaze.

# Get rewarded with Energy Credits from Bord Gáis Energy while making your home more energy efficient with Energlaze.

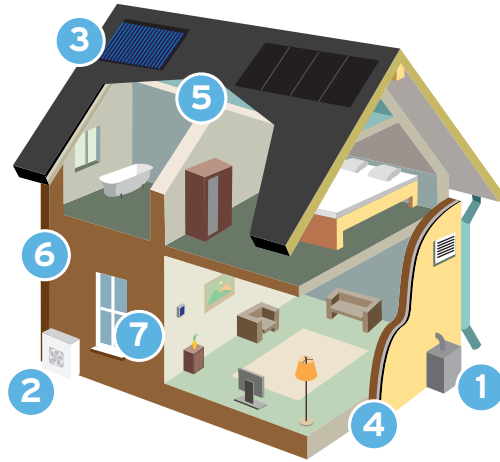

## How does it work?

- Choose Energlaze to carry out your Home Energy Upgrades.
- An Energlaze representative will assess your home and explain your Energy Credit entitlement and how much money you can save thanks to Bord Gáis Energy.
- Bord Gáis Energy Credits will be deducted from the total value of qualifying upgrade works, saving you money.

**Bord Gáis Energy Credits** can be redeemed whether you are a Bord Gáis Energy customer or not – should you choose to switch providers, you could save even more money and enjoy further rewards for switching!

These savings are in addition to any SEAI Government Grant for upgrading your home – so don't delay and start your journey to a greener, warmer home every step of the way with **Energlaze**.
