Terms and Conditions of Tariff

Smart Standard Tariff (SST)

February 2021

- 1) These are Bord Gáis Energy's terms and conditions for our Smart Standard Tariff. These terms and conditions set out the details of this tariff and should be read in conjunction with our Conditions of Supply for Electricity to Smart Meter SME Business Customers (Fixed Term or no fixed Term) These can be found at: <https://www.bordgaisenergy.ie/resources/terms-and-conditions/>
- 2) Our Smart Standard Tariff or SST is a Time of Use Tariff. A “**Time of Use Tariff**” means a smart meter tariff that charges you different rates depending on when you use electricity.
- 3) The different charging times/ bands for our SST are:
 - a. Day: 8am to 11pm
 - b. Night: 11pm to 8am
 - c. Peak: 5pm to 7pm
- 4) To review your current charges or discuss your tariff and contract options please contact our dedicated Business Team on 01 611 01 52
- 5) With the SST, electricity consumption data will be collected from your smart meter by ESB Networks every two months, but displayed in 'day', 'night' and 'peak' intervals.
- 6) Our SST has the meter configuration of MCC16. This is displayed on your Smart Meter bill.
- 7) Customers on this tariff will be billed every two months.
- 8) Our preferred method of payment is by Direct Debit. Your direct debit will be taken 14 days after the billing date.
