1. This offer entitles new and existing residential Bord Gáis Energy customers to a free Boiler Service, a free single zone Hive Active Heating Hub (“**Hive**”) including installation plus a free Amazon Echo Dot, upon signing up to BGE’s [24-month Dual Fuel contract for the supply of electricity and gas](#) or to BGE’s [Dual Fuel Smart Meter Terms and Conditions](#). BGE may also offer discount on our standard rates for each 12 month period of the Commitment Period. Any discounts on our electricity and gas standard rates will be offered at the time of sign-up.
2. **Dual Fuel Contract:** This offer requires you to pay by direct debit and to sign up for paperless billing. As our Dual Fuel contract contains a commitment period of 24 months (the “**Commitment Period**”), you must remain a customer of Bord Gáis Energy for the Commitment Period. If you terminate the agreement and/or change supplier for either natural gas or electricity or both before the expiry of the Commitment Period then we have the right to charge you an early exit fee. The early exit fee is €50 and will be applied to your account. We will send you a notice at least 30 days and no more than 60 days prior to the end of your Commitment Period. The [BGE Standard Terms and Conditions of Electricity and Gas Supply \(Fixed Term Contract\)](#) or BGE’s [Dual Fuel Smart Meter Terms and Conditions](#) apply to your Dual Fuel contract with us.
3. Once a customer signs up to a 24 month Dual Fuel contract via:
 - Online or through a field sales agent – they will receive an email within 3 days containing instructions on how to arrange their boiler service and Hive installation appointment.
 - A call with a BGE telesales agent – an appointment will be arranged at time of offer sign up

The Free Boiler Service and the Hive Installation must be booked for the same day.

5. **Hive Active Heating:** This offer includes one single heating zone + one hot water zone. Additional zones are available at a charge of €119 per zone. To operate Hive, you must have a compatible boiler and tablet/smartphone/Wi-Fi. In order to receive your Hive, you must book in your installation within three months of signing up for this offer. If you don’t book in your installation within those three months, we may no longer be in a position to offer you the Hive. The [Terms and Conditions of Sale: Hive](#) and the [Terms and Conditions of Hive Installation](#) apply to the installation of your Hive. This offer is not available if you have already installed Hive in your home.
6. **Eligibility Check:** Bord Gáis Energy will perform a full eligibility check on your boiler and also check your home’s suitability for Hive installation on the date of the scheduled boiler service and Hive installation. If, during the eligibility check, we determine that we are not in a position to commence or continue the boiler service or that your home is incompatible with Hive, we will notify you of the reason for this and you will be eligible for an alternative offer.

You can use it with Hive to control your heating and lights. It can also play music, give you the weather forecast or order a pizza. Plug it into the wall and follow the instructions. This offer is limited to one Echo Dot per customer, is subject to availability and can be withdrawn at any time. This offer is only available when a customer signs up to the 24-month Dual Fuel contract with a free Complete Boiler Care and a free Hive. The Amazon Echo Dot is only available if Hive is being installed as part of this offer.
