**Win €2,500 off a solar installation from Bord Gáis Energy (the "Competition")**

This Competition is running from 12 November 2026 until 23:59 on 31st December 2026 (the **"Promotion Period"**).

**Competition Terms and Conditions**

1. The promoter of this Competition is Bord Gáis Energy Limited, a company incorporated in Ireland with company number 463078 and having its registered address at 1 Warrington Place, Dublin 2 (the **"Promoter"**). Solar installations under this Competition are carried out on behalf of the Promoter by its wholly owned subsidiary, Ardrar Limited, trading as Bord Gáis Energy (company number 591657).

**Eligibility:**

2. This Competition is open to all new Bord Gáis Energy home solar customers (resident in Ireland, aged 18 or over, who are the registered owner of the home where the solar installation will take place) who enter into a contract for a home solar installation with Bord Gáis Energy, pay a deposit of €99 for a home solar installation and opt in to the Competition at the time of paying the deposit, in each case during the Promotion Period.
3. A "new" home solar customer is a customer who has not previously had a solar installation carried out by Bord Gáis Energy. To receive the prize, the winner's home must also be deemed suitable for a solar installation (see clause 11), and the winner must prove that they are the registered homeowner (see clause 14).
4. If a customer cancels their solar installation contract, their €99 deposit is refunded, or they withdraw their opt-in, before the prize draw takes place, their entry will be void.
5. Employees of Bord Gáis Energy or its affiliates, subsidiaries, or of its advertising or promotion agencies are not eligible to enter. Employees of any supplier or third party directly connected with this Competition, members of the immediate families or households of any of the persons referred to in this paragraph, and any person professionally connected with this Competition are also not eligible to enter.
6. Customers who enter into a contract with Bord Gáis Energy for a home solar installation and pay a €99 deposit via the bordgaisenergy.ie website or with one of Bord Gáis Energy's customer support representatives can enter the prize draw by selecting the Competition opt-in option (online) or asking the customer support representative to enter them (by phone) at the time of paying the deposit. Customers who do not opt in will not be entered into the prize draw. Opting in is entirely optional and does not affect the customer's solar installation contract or deposit. Each eligible customer may enter the Competition once only.
7. The Competition is limited to one entry per household.

**Prize details:**

8. One prize is available to be won during the Promotion Period.
9. One winner will be chosen at random by the Promoter via a prize draw. The draw, and any redraw, will be supervised by an independent observer to ensure that every eligible entry has an equal chance of winning.
10. The prize is:

- €2,500 off the final cost of the winner's home solar installation carried out by Bord Gáis Energy.
- The €2,500 discount can be applied against the cost of the solar panels, battery storage, inverter, installation, site survey and BER cert forming part of the winner's home solar installation.

**Winner notification and claiming the prize:**

11. Your home must be deemed suitable for a solar installation by a Bord Gáis Energy solar representative, acting reasonably and following a site survey, in accordance with the General Solar PV Sale and Installation Terms and Conditions, available at https://www.bordgaisenergy.ie/resources/terms-and-conditions. If your home is deemed not suitable, the prize will not be awarded to you, and the Promoter may select another winner by random prize draw from the remaining eligible entries.
12. The prize draw will take place on 6 January 2027. The winner will be notified by phone and/or email using the contact details provided when they entered. The Promoter will make at least two attempts to contact the winner. If the winner cannot be contacted, or does not respond, within 14 days of first being notified, the prize will be forfeited, and the Promoter may select another winner by random draw from the remaining eligible entries.
13. The prize is a discount of €2,500 off the final bill for the winner's home solar installation, applied after the deduction of any grants. The prize value is fixed and will not change as a result of any changes to solar installation prices or grant amounts. If the final cost of the winner's solar installation (after the deduction of any grants) is less than €2,500, the discount will be limited to that final cost, and the difference will not be paid to the winner. If the winner has not scheduled their solar installation with Bord Gáis Energy by 18 January 2027, the prize will be forfeited, unless Bord Gáis Energy agrees, at its discretion, to extend this date.
14. The prize winner must prove that they are the registered homeowner before the solar installation can take place.
15. The Promoter will use reasonable endeavours to make the prize available within 6 weeks after the draw. This timeframe is an estimate only, as installation dates depend on the site survey, grant approval and other factors outside Bord Gáis Energy's reasonable control. If there is any unforeseen delay, the Promoter will promptly inform the winner and offer a revised installation date.

**General:**

16. The Promoter's decision on the winner, eligibility and the application of the prize is final and binding, subject to applicable law and your statutory rights.
17. The prize is offered as stated and cannot be exchanged for cash or any other prize.
18. The Promoter reserves the right to amend, suspend, cancel or withdraw this Competition, or any part of it, where reasonably necessary, including in the event of fraud, technical failure or any event outside its reasonable control. Any such change will not affect customers who have already been entered into the prize draw, unless required by law.
19. This Competition is subject to the General Solar PV Sale and Installation Terms and Conditions available at https://www.bordgaisenergy.ie/resources/terms-and-conditions, which govern the supply and installation of the solar PV system. These Competition Terms and Conditions govern the Competition only. If there is any inconsistency, the Competition Terms and Conditions will prevail in relation to the Competition and the General Solar PV Sale and Installation Terms and Conditions will prevail in relation to the solar installation.

20. The prize cannot be used in conjunction with any other Bord Gáis Energy solar offer, promotion or discount, unless the Promoter expressly permits this.
21. The Promoter reserves the right to refuse or disqualify any entry, or to withhold the prize, where it reasonably believes that an entry is invalid, duplicated or fraudulent, or that these terms and conditions have been breached.
22. The Promoter is not responsible for any delay or failure in awarding or fulfilling the prize caused by circumstances outside its reasonable control, including installer availability, supply chain disruption, severe weather or delays in grant approval. Nothing in these terms and conditions limits or excludes any liability that cannot lawfully be limited or excluded or affects your statutory rights.
23. If any provision of these terms and conditions is found to be invalid or unenforceable, the remaining provisions will continue in full force and effect.
24. These terms and conditions and the Competition are governed by the laws of Ireland, and the courts of Ireland have exclusive jurisdiction over any dispute arising out of or in connection with the Competition.

**Publicity and Data Protection:**

25. Personal data provided in connection with this Competition will be processed by Bord Gáis Energy, and by third parties acting on its behalf, to administer the competition, verify eligibility and award the prize, in accordance with our Privacy Notice, available at https://www.bordgaisenergy.ie/resources/website-and-app-privacy-notice.
