

Investment Executive

Energy & Infrastructure

About Downing

Downing is a fast growing, entrepreneurial investment manager based in the City of London. We believe a great investment opportunity isn't just financial, it's a chance to invest in things that matter – our environment, our health, our society, our local communities and our economy. Our ability to adapt and innovate to create investment products for our customers, while committed to an integrated approach to ESG, is key to our success; and our [core values](#) are vital to everything we do – from the businesses we invest in, to the people we hire.

Thousands of customers trust Downing with over £1.5 billion of their money, which as a [responsible investor](#) we put into businesses that can make a difference.

Role and responsibilities

As an Executive, your main responsibility will be to support the day-to-day acquisition process (including leading due diligence and inputting into negotiations with key stakeholders) on a wide range of transactions within the renewable energy and infrastructure sectors and to support the team of Directors in delivering best in class investment management services to our funds.

Your responsibilities will include:

- Execution of transactions in the renewable energy and infrastructure space
 - Working in small teams of investment professionals across multiple transactions
 - Financial modelling and asset valuation
 - Writing investment memos and investment committee papers
 - Proactively identifying value accretion opportunities on existing assets
- Contribute constructive suggestions within team discussions to ensure all deals are of the highest quality.

Key skills and experience

The ideal candidate will have the following:

- Track record of executing transactions in the core renewable energy or infrastructure space in the UK and Europe
- Not less than 3 years' relevant experience in an infrastructure or private equity investor or adviser
- Experience of typical project finance structures
- The ability to remain calm and composed whilst working under pressure
- Excellent financial modelling skills and an intuitive feel for whether a model is giving you the right answer.
- Knowledge of Nordic languages is a plus (but not a necessity)

Personal profile

- **Passionate about what you do** - you are always happy to roll up your sleeves.
- **Team player** – have fun! We do our best to cultivate an open, honest, hard-working but fun culture at Downing.
- **Customer oriented** - you are approachable, friendly and professional whilst working diligently. Nothing is too much trouble.
- **Assertive and focus on execution** – you make things happen.
- **Eloquent** – you can explain complex things in simple, relevant terms, and in good English.

Pay and benefits

For the successful candidate, we will put together an attractive reward package that will include:

- Competitive salary dependent on experience and qualifications
- Discretionary bonus
- Pension scheme
- Health insurance
- Life assurance
- Income Protection
- Death in service
- Additional social perks

Additional details

All candidates must be eligible to work in the UK or have a working visa

To apply: please send us your CV and portfolio to demonstrate your experience to recruitment@downing.co.uk Please include your salary expectations and notice period.

We endeavour to reply to all individual applicants and will provide feedback for any candidates that reach the interview stage.

Please note, we are committed to sourcing candidates directly and as such we do not accept speculative CVs from agencies.

To understand what information we collect about you, how we will use it and for what purpose, please read our [privacy notice](#).
