

Welcome to **your future**

We are rated GOLD overall

in the Teaching Excellence Framework (TEF) 2023, making us the
top university in the North East of England for student experience

Why choose Teesside?

Your **future career**

Prepare for the competitive graduate employment market at **Teesside University** with expertly combined employability skills and practical learning opportunities to help you succeed.

Many courses at the University offer **access to simulated real-life work environments**. You can even choose to take an embedded work placement as part of your degree providing you with real-world experiences to add to your CV.

The **University's careers service** is also on hand to support you with career guidance, job searches and securing embedded work placements.

Plus, with plenty of **part-time employment opportunities on campus**, you are able to earn money and gain valuable work experience that complements your studies. The Teesside University Students' Union alone employs more than 150 students every year.

Your **future experience**

We offer an **integrated CAS (iCAS)*** so you can study your pathway programme and university degree with only one visa application. This will save you both time and money, and it means there is no requirement for you to return home between your programmes if you don't want to.

* The integrated CAS is only available for some programmes. Please check programme details before applying.

We want to make sure that you are set up for your degree at **Teesside University**. So, when you successfully complete your International Study Centre programme, and go on to enrol on an undergraduate programme at Teesside University, the University will provide you with digital equipment to aid your learning.

Through Teesside University Advance, you will **be able to borrow an Apple iPad and keyboard**, and receive yearly credit for learning materials and lecture-capture technology.

Your **future plan**

Planning for your future means being financially conscious. Teesside University **offers affordable tuition fees**, and the cost of living in Middlesbrough is considerably lower than other areas of the UK.

There are also a number of **scholarships available if you exceed your progression grades, ensuring that progressing onto your degree remains affordable**.

Modern University of the Year for commitment to **social inclusion, future ambition**, and **outstanding facilities**

(Daily Mail University Guide 2026)

Named University of the Year at the Times Higher Education Awards 2025

In the International Student Barometer Survey (Autumn) 2024*, 97% of students studying at Teesside University were satisfied with expert lecturers.

*1,712 responses in survey of 105,385 global participants and 31,990 UK participants. Based on the views of 12,383 students within a global survey response of 129,975 students. More info at: etioglobal.org/performance-benchmarking/international-student-barometer

www.tees.ac.UK/sections/international/isb2024.cfm

Why study at the ISC?

By joining the International Study Centre, you will begin your study abroad journey in a supportive, international community of like-minded students.

We offer a range of undergraduate and postgraduate pathway programmes, so you can plan for your future in a way that works for you.

After completing your chosen programme with us and having met the progression requirements, you will join your degree at the University. At Teesside, you will continue developing your skills through a future-proofed education of practical learning experiences.

Choose undergraduate

We offer a range of undergraduate pathways. No matter your subject interests, English language level, or academic background, you can join the right pathway for you and progress to your chosen undergraduate degree at Teesside University.

- International Foundation Year
- International Year One

Choose postgraduate

If you already have an undergraduate degree from your home country, and want to transfer those skills to further study in the UK, our postgraduate pathways can help you develop the skills to thrive as a postgraduate student.

- Accelerated Pre-Master's Programme

For more information about pathway programmes at the International Study Centre, visit isc.tees.ac.uk/programmes

Pre-courses

Whether you need to boost your English language level or just want to know more about your study destination, we offer a variety of preparation courses to equip you for a successful start to your academic pathway programme.

Prepare for Success

A free online preparation course designed to give you a head start before joining your academic programme at the International Study Centre. The course covers three essential areas of life, language and learning to empower you with the confidence, skills, and knowledge needed to thrive academically and culturally in your new environment.

Enhanced Induction

For students who want to settle into their new environment and become familiar with the International Study Centre prior to starting their 3-term International Foundation Year programme in January, the Enhanced Induction starts in November and consists of three additional weeks of life, learning and language skills, at no additional tuition fee.

Improve your English

If you meet the academic entry requirements for our programmes but need help with your English language, you can join our English Language Preparation programme delivered fully online first. The programme is designed to develop your English language skills and introduce you to essential academic and study skills before travelling to the International Study Centre to begin your academic programme.

For more information about our pre-courses, visit isc.tees.ac.uk/programmes/pre-courses

Undergraduate Programmes

International Foundation Year

The International Foundation Year programme is designed specifically to prepare international students for degree-level study. Offered in four exciting subject pathways, this programme will allow you the opportunity to progress to the first year of an undergraduate degree at Teesside University.

You can choose from four International Foundation Year subject pathways:

- Animation, Games and Visual Effects
- Arts and Media
- Business, Humanities, Social Sciences and Law
- Computing, Engineering and Health Sciences

Undergraduate Programmes

International Foundation Year

Business, Humanities, Social Sciences and Law

This pathway leads to a wide range of undergraduate degrees at Teesside University, in areas ranging from business and education to law and psychology.

Modules

Core module for all students

- Academic English Skills

Business route

- Academic Practice for Business
- Entrepreneurship and Project
- Introduction to Economics
- Introduction to Finance and Accounting
- Maths for Business

Humanities, Social Sciences and Law route

- Academic Practice for Humanities, Social Science and Law
- Fundamentals of Law
- International Relations
- Introduction to Psychology
- Qualitative Research and Project

Progression degrees

- BA (Hons) Business and Accounting
- BA (Hons) Business Management Business Management for the Creative Industries (Animation)
- BA (Hons) Business Management for the Creative Industries (Games)
- BA (Hons) Business and Marketing
- BA (Hons) Children and Early Childhood
- BSc (Hons) Criminology with Psychology
- BA (Hons) Crime and Investigation
- BA (Hons) Criminology
- BA (Hons) Criminology and Sociology
- BA (Hons) Criminology with Law
- BA (Hons) Education Studies
- BA (Hons) Early Childhood Studies
- BA (Hons) Forensic Psychology
- BA (Hons) International Tourism Management
- LLB (Hons) Law
- LLB (Hons) Law, Criminology and Criminal Justice
- LLB (Hons) Law with Policing
- BA (Hons) Marketing
- BA (Hons) Politics with International Relations
- BA (Hons) Primary Education
- BA (Hons) Psychology
- BSc (Hons) Psychology and Counselling
- BSc (Hons) Psychology with Clinical Psychology
- BA (Hons) Social Work*
- BSc (Hons) Sociology

Computing, Engineering and Health Sciences

This pathway leads to a wide range of undergraduate degrees at Teesside University, in areas ranging from AI and computer science to environmental science and engineering subjects.

Modules

Core modules for all students

- Academic English Skills
- Academic practice for Science, Engineering and Computing
- Core Mathematics
- Digital Futures

Computing route

- Basics of Computing
- Maths for Computing
- Further with Computing

Engineering route

- Applied Maths
- Chemistry
- Fundamentals of Physics

Science route

- Applied Maths
- Chemistry
- Fundamentals of Biology

Progression degrees

- BEng (Hons) Aerospace Engineering
- BSc (Hons) Artificial Intelligence and Computer Science
- BSc (Hons) Biology (Animal Science)
- BSc (Hons) Biology (Human Science)
- BSc (Hons) Biology
- BSc (Hons) Biomedical Science
- BEng (Hons) Chemical Engineering
- BEng (Hons) Civil Engineering
- BSc (Hons) Computer Science and Informatics
- BSc (Hons) Crime Scene Science
- BSc (Hons) Cyber Security
- BSc (Hons) Diagnostic Radiography*
- BEng (Hons) Electrical and Electronic Engineering
- BSc (Hons) Food Science and Technology
- BSc (Hons) Forensic Science
- BSc (Hons) Games Development
- BSc (Hons) Games Programming
- BSc (Hons) Health Sciences
- BSc (Hons) Information Technology
- BEng (Hons) Instrumentation and Control Engineering
- BEng (Hons) Mechanical Engineering

Nursing at Teesside University offers excellent career prospects with opportunities nationally and globally in a variety of roles. Upon graduation, you are eligible for registration with the regulator of Nursing, the Nursing and Midwifery Council (NMC) as an adult nurse. This can lead to a range of exciting and rewarding career opportunities as a nurse.

Ranked 1st in the UK
for student satisfaction
for Marketing

(The Complete University Guide 2026)

Please note our modules may vary by progression degree choice and are subject to change - we regularly review content in collaboration with the University, making changes to enhance the learning experience and to further improve prospects for student progression and employability. Please visit isc.tees.ac.uk for the most up to date information.

“The reason why I chose Teesside is, first of all, the IT field of Teesside is really good, so they have connections with Apple, Microsoft, Adobe. It’s actually a great way to explore more, and while studying I could go and have internships with these companies as well, which is not something that all the universities can do.”

Achuth from India

Studied International Foundation
Year in Computing, Engineering
and Health Sciences

Undergraduate Programmes

International Year One

The International Year One programme is designed to prepare international students to join the second year of an undergraduate degree at Teesside University.

You can choose from three International Year One pathways:

- Business
- Engineering and Computing
- Law

Key facts

Entry requirements:

Academic: Good high school graduation grades (or equivalent) plus one year of further study. A pass in Maths is required for Engineering and Computing.

English language: Academic IELTS for UKVI 5.5 overall (with no less than 5.5 in all sub skills) or equivalent

Academic IELTS for UKVI 6.0 overall (with minimum 6.0 in all skills) or equivalent for Law

Programme length: 3 terms

Entry points: October or January

Age on entry: 17+

For more information about the International Year One programmes, visit isc.tees.ac.uk/programmes/international-year-one

Combined visa for International Year One

Save time and progress smoothly to the University with a combined visa. The visa covers the duration of your studies, at both the International Study Centre and Teesside University.

- No need to return home to apply for a new visa between your International Year One and chosen undergraduate degree.
- Alternatives to Academic IELTS for UKVI can be used to join the International Year One programme.
- No need for an additional IELTS test before joining your undergraduate degree.
- Allows you to work up to 20 hours per week, enhancing your CV and career prospects.
- Gives you the opportunity to travel and explore the UK between courses.

Business

This pathway allows you to spend the first year of your undergraduate degree with us at the International Study Centre, before progressing directly to the second year of one of four undergraduate degrees at Teesside University.

Modules

- Academic English Skills
- Business Enterprise
- Business Finance
- Personal and Professional Development for Business
- The International Market Environment
- Understanding Organisations

Progression degrees

- Business and Accounting BA (Hons)
- Business and Marketing BSc (Hons)
- Business Management BA (Hons)
- Business Management for the Creative Industries (Animation)
- Business Management for the Creative Industries (Games)
- Marketing BSc (Hons)

Engineering and Computing

This pathway allows you to spend the first year of your undergraduate degree with us at the International Study Centre, before progressing directly to the second year of one of six undergraduate degrees at Teesside University.

Modules

Core modules for all students

- Academic English Skills

Computing route

- Java Programming
- Maths for Computing
- Networks and Security
- Systems Design and Databases

Engineering route

- Engineering Maths
- Engineering Practice
- Materials and Sustainability

Electrical and Electronic Engineering students only

- Electrical Principles
- Electronic Principles

Mechanical Engineering students only

- Structural Mechanics
- Thermodynamics and Fluid Mechanics

Progression degrees

- Artificial Intelligence and Computer Science BSc (Hons)
- Computer Science and Informatics BSc (Hons)
- Electrical and Electronic Engineering BEng (Hons)
- Instrumentation and Control Engineering BEng (Hons)
- Mechanical Engineering BEng (Hons)
- Software Engineering BSc (Hons)

Law

This pathway allows you to spend the first year of your undergraduate degree with us at the International Study Centre, before progressing directly to the second year of one of two undergraduate degrees at Teesside University.

Where is Teesside University International Study Centre?

Teesside University International Study Centre is based on a friendly, central campus in Middlesbrough – a large town in North East England.

The campus occupies a **single site in the heart of the town**, with all university buildings within walking distance. Middlesbrough offers an interesting history, access to culture, and striking nearby scenery.

There has been significant investment in the University campus over recent years. On campus, you will benefit from a world-class, digitally enabled teaching and learning experience through the University's facilities and support services.

Cost of living

As well as being home to the University, **Middlesbrough is a very affordable place to live**. In the UK, living costs such as rent, groceries, transport and socialising are often cheaper in Middlesbrough when compared to other UK cities such as London, Manchester and Birmingham.

Campus facilities

- Home to the School of Health & Life Sciences, **BIOS is the new state-of-the-art facility** at the heart of the campus, offering high-quality, leading-edge laboratories for the sciences and clinical subjects.
- **The Student Life building** is where all the University's student-facing and wellbeing services are located that you can access any support that you may require during your studies.
- The **Digital Life Building** gives Animation, Games and Visual Effects students access to smart labs, digital art studios, a multi-functional lecture theatre and events space.
- The **University's TATE Plus gallery, MIMA, is one of the UK's leading galleries** for modern and contemporary art. It creates links between students, national and international artists, and institutions.

Get to know the campus before you arrive by checking out this interactive campus map.

"I enjoy going to the library and the Students' Union a lot, particularly the Students' Union, because that's where I see other people and mix with other cultures. We have the English Cafe, for example, where we have games and stuff and I really enjoy meeting other people. It's just an explosion of cultures and I really like it."

Solene from Cameroon

Studied International Foundation Year in Computing, Engineering and Health Sciences

Accommodation

Where you will live is an important consideration when you are moving abroad to study. You want somewhere that will feel like home, where it will be easy to meet new friends, and where it will be easy to access university facilities.

Student accommodation

At Teesside University, there are a range of accommodation options for you.

We offer accommodation at Infinity House and Rialto Court which offer welcoming and modern student accommodation located in Stockton-on-Tees.

Facilities include:

- Fully-furnished bedroom, including a desk and wardrobe
- En-suite bathroom
- Shared modern kitchen/communal area
- On-site launderette
- 24-hour on-site security
- High speed broadband and Wi-Fi
- All bills are included.

In order to arrange accommodation, **request it on your application form** and our Central Student Support Team will contact you directly regarding the options available.

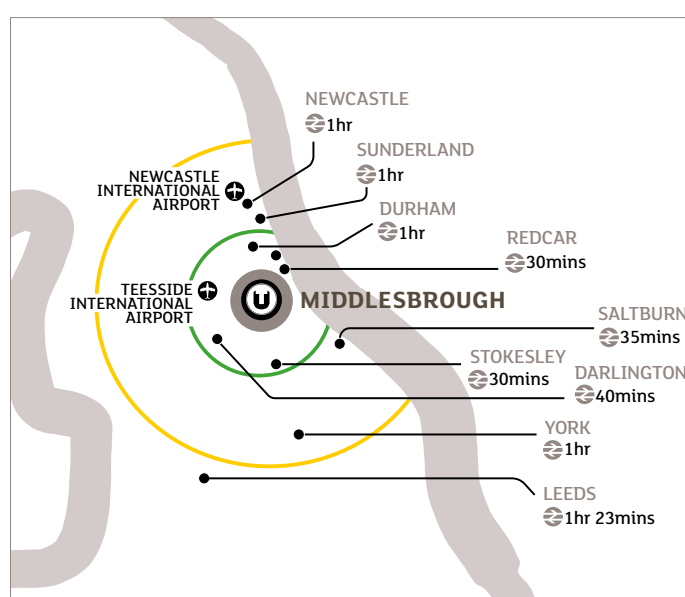

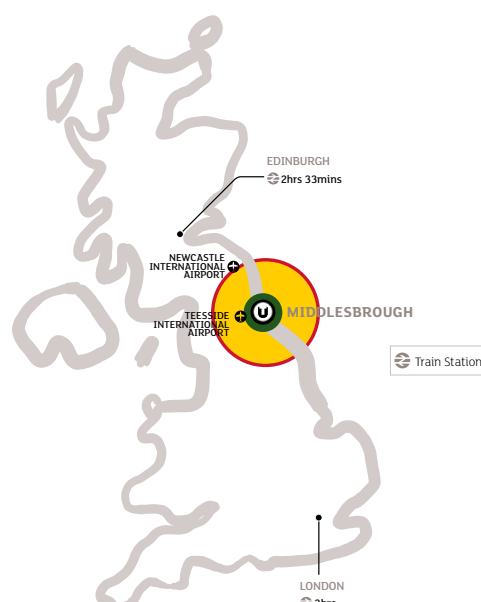

Amber is a leading student accommodation provider offering a range of options. If you choose this route, our Central Student Support team will give you a bespoke link to Amber's Portal. Their team will guide you through the booking process and assist with any queries.

Arranging your own accommodation

If you prefer to arrange your own accommodation, note that **you must live within a 50-mile distance (less than 60 minutes away) from the International Study Centre**. It is your responsibility to ensure this is arranged and ready for your arrival in the UK.

Whatever your budget, there are many different private accommodation options available, in various locations close to the International Study Centre. **We are here to help and will support you every step of the way.**

RECOMMENDED AREAS TO LIVE WITHIN A 50 MILE RADIUS

- WITHIN 15 MILES (BEST)
- WITHIN 50 MILES (OK)
- BEYOND 50 MILES (AVOID)

Teesside University London

Depending on the progression degree you choose, you may have the option to study your progression degree at the Teesside University London campus. Upon successful completion of your International Foundation Year programme at the International Study Centre, you can join a vibrant, contemporary space in London if you choose to continue your degree studies there.

There are a range of undergraduate degree courses taught at Teesside University London that are available to students progressing from the International Study Centre.

Programmes available at Teesside University London*:

International Foundation Year in Animation, Games and Visual Effects

at Teesside University International Study Centre (Middlesbrough)

Progress to the first year of one of these undergraduate degrees taught at Teesside University London:

BA (Hons) Games Art and Design
BSc (Hons) Games Design and Development

International Foundation Year in Business, Humanities, Social Sciences and Law

at Teesside University International Study Centre (Middlesbrough)

Progress to the first year of one of these undergraduate degrees taught at Teesside University London:

BA (Hons) Business Administration Global
BA (Hons) International Management

International Foundation Year in Computing, Engineering and Health Sciences

at Teesside University International Study Centre (Middlesbrough)

Progress to the first year of this undergraduate degree taught at Teesside University London:

BSc (Hons) Computer Science and Informatics
BSc (Hons) Information and Cyber Security

*Additional conditions for progression to Teesside University London may apply.

Benefits of choosing to study your progression degree at Teesside University London

- Teesside University London has its own unique teaching style. You study one module at a time in six-week blocks, meaning you can focus on one subject before moving on to the next. All of your assessments are included within these study blocks so there's no requirement to study over the holidays.
- There are no traditional university exams.
- Contact hours are compressed into two or three days, giving you space in the week for part-time work or other commitments.
- All courses are delivered by industry experts.
- The campus is located in a dynamic learning and enterprise heavy community. You will be surrounded not only by other students, but by industry leading professionals as well as emerging start-up operations.

Campus location

Teesside University London is based in Stratford at Here East, which is part of the Queen Elizabeth Olympic Park. Here East is an innovation and technology campus, home to an array of locally owned food and coffee outlets, as well as a gym, spa, barbers and retro video-game bar.

Accessibility

- The nearest tube station is Stratford (Central, Elizabeth and Jubilee lines as well as the Docklands Light Railway and overground), which is a 20-minute walk away from the campus.
- The nearest overground train station is Hackney Wick, which is less than a 10-minute walk from the campus.
- You can get a free shuttle bus from Stratford International or Stratford City Station to the campus.
- If you're a cyclist, the campus is well-connected to local cycle paths allowing you to easily commute and explore the local area.

Setting you up for future success

Studying at Teesside University London is all about preparing you for life beyond university by ensuring that you are:

- A reflective practitioner
- A relationship builder
- A solution finder
- A global communicator
- Digitally empowered
- Opportunity ready

How to apply

If you would like to apply to study at Teesside University International Study Centre, you will need to complete an application form and submit the relevant documentation.

You can either apply through your local education agent or directly via our website. If you are applying directly and have a question, our Student Enrolment Advisors will be happy to help. They speak a variety of languages, too. You can make an enquiry directly through the website.

For full information on how to apply, fees, entry requirements and more, visit isc.tees.ac.uk/how-to-apply

The International Study Centre programmes are provided by Study Group in collaboration with Teesside University.

Disclaimer

This guide is intended as a general guide for students considering entry to Teesside University International Study Centre from 2026. Teesside University International Study Centre is operated, and its programmes offered by Study Group Limited ('Study Group'). This guide forms no part of any contract between you and Study Group except as provided below. The guide is prepared in advance of the academic year to which it relates and Study Group makes every effort to ensure that the information contained here is accurate.

Although reasonable steps are taken by Study Group to provide the programmes and services described, Study Group cannot guarantee the provision of any programme. Any programme may be altered or withdrawn owing to circumstances beyond Study Group's reasonable control. Such circumstances include (but are not limited to) industrial action, lack of demand, departure of key personnel, change in government policy, withdrawal or reduction of funding, change of law or changes necessitated by pandemic or epidemic.

Study Group will take such steps as are available to it to minimise the effect of any alteration or withdrawal of a programme and we will notify you of such alteration or withdrawal as soon as possible. Such steps may include the offer of a place on an alternative programme. Please note that Teesside University International Study Centre's website is the most up to date source of information regarding programmes and facilities and we strongly recommend that you always visit the website before making any commitments.
