

A construction site at dusk or dawn. Several large tower cranes are visible, their lattice structures silhouetted against a blue and cloudy sky. Some cranes have lights on their jibs. In the foreground, there are dark, industrial-looking structures, possibly part of a refinery or chemical plant. The overall scene is one of active construction in a large-scale industrial project.

TEXCAN

A Sonepar Company

MAJOR PROJECTS GROUP

Major Projects Group (MPG)

Large-scale projects need special attention – that's why Texcan was the first cable supplier in our market to develop a Major Projects Group. The Major Projects Group is a dedicated team of experienced wire and cable specialists who provide customized wire and cable management solutions for large-scale national and international projects that require a long-term commitment and strategy. As a long-term project partner, our team can help you reduce costs, save time, mitigate risk, and increase efficiencies.

Resource for EPCs

We are your wire and cable experts. Our in-house engineering expertise allows us to be a resource for your technical, operational, and documentation questions.

We work with you at every stage of the project, from project infancy, approval, through to execution. We can help you adapt to changes quickly to meet deadlines while executing your projects smoothly.

Project Management Experience

Texcan has experience in large-scale wire and cable projects in various industries. Our team of specialists work with engineers, project owners, and contractors to support major projects from start to finish.

We deliver quality products and services on time and on budget, while adapting to your project's evolving requirements.

Local Expertise with a Global Presence

Established in 1978, Texcan is one of Canada's largest wire and cable distributors and part of the Sonepar Group of companies. Founded in 1969, Sonepar is an independent family-owned company and global market leader in the B-to-B distribution of electrical products, solutions, and related services. Together, we meet your wire and cable needs both locally and globally. We are passionate about our customers' projects and contracts. We are Sonepar, "Powered by Difference".

Markets We Serve

Working with some of the largest corporations, engineering firms, and contractors in the world, we have served a variety of industries, including:

- Forestry
- LNG
- Manufacturing
- Mining
- Oil & Gas
- Petrochemical
- Power & Utilities
- Pulp & Paper
- Renewable Energy
- Transportation & Marine
- Wastewater Treatment

Quality & Compliance

Texcan is committed to providing you with products and services of the highest quality.

Certifications:

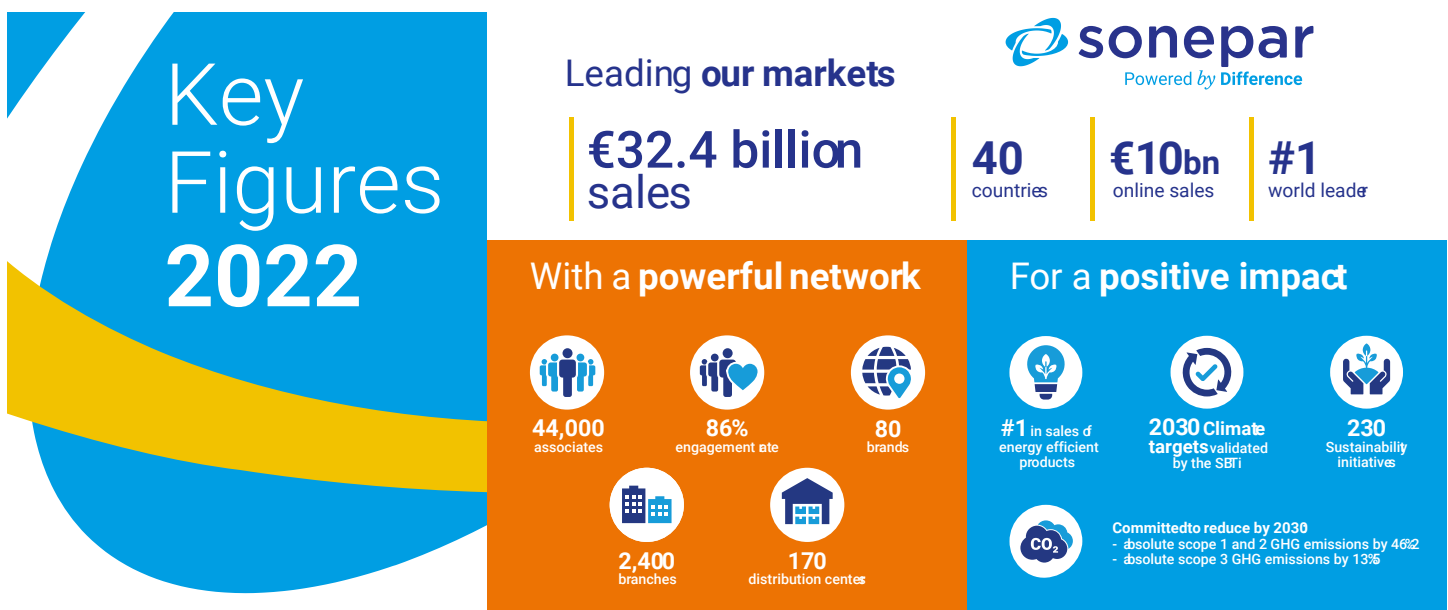

- ISO 9001:2015
- CSA Class No. 5839-01
- CSA Class No. 5839-81

Memberships:

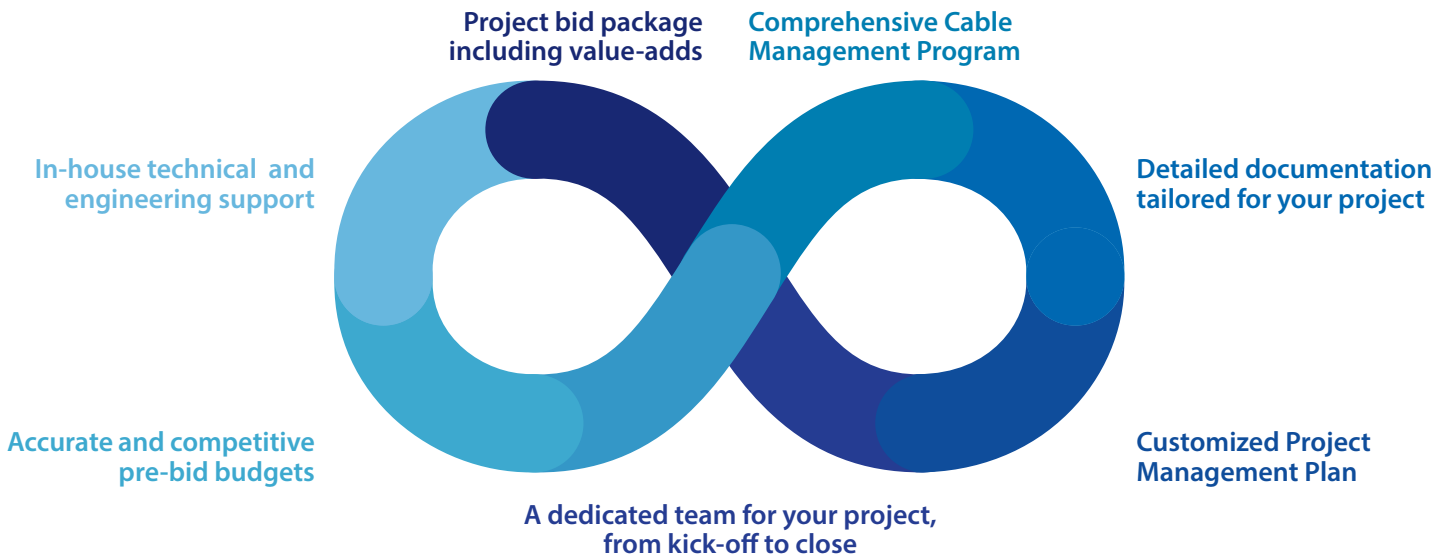

- ISNetworld
- ComplyWorks

Texcan, a part of the Sonepar Group, is committed to acting as a responsible corporate citizen. We believe that high standards for ethical, social, and environmental behaviours are essential and we expect the same of our suppliers and their supply chain.

Supply Chain Efficiencies

We can help you improve supply chain efficiencies through:

- Timely and efficient product management and sourcing solutions
- Extensive knowledge of product applications
- Stock and storage in over 800,000ft² of warehouse space
- Real time inventory tracking
- Custom barcoding
- Specialty cables ordered and shipped JIT

Cable Management Program

Our extensive, industry-leading Cable Management Program can be customized to serve your project needs, assist you with meeting project milestones, and help you stay within your budget. The program includes:

- Dedicated team with extensive project management experience
- Product storage and delivery for on-demand release
- Customized packaging and shipping plan
- Customer-specified shipping labels and weather-proof tags
- Documentation adapted to project requirements
- Expediting and progress reports
- Specialized reporting as needed

Safety

Safety is a top priority at Texcan. We have developed rigorous operating and monitoring procedures to ensure we maintain our outstanding safety record.

Emergency & After Hours

When operations are running 24/7, emergency support must be there whenever it's needed. We know disruptions can be dangerous and costly – that's why we have live help available around the clock. Texcan customers can depend on a real person for help after hours, on weekends, and holidays. Call your [local branch](#) for our Emergency & After Hours Services.

When others can't, TEXCAN

WIRE & CABLE SPECIALISTS SINCE 1978

Wire & Cable for Major Projects

Solar Power Solutions

Solar Wire & Cable

- Photovoltaic Wire
- Collector Cable - RWU90
- 5KV-35KV Concentric Neutral & Power Cables in Copper/Aluminum Constructions
- Ground Wire
- Communications & Control Cables

Power Connectors

- Compression Type Lugs
- Compression Barrel Splices
- Mechanical Lugs & Splices

Wind Power Solutions

Control & LV Cable

- DLO Cables (600v, 1kV, 2kV)
- SOOW Cables 600V
- XLPE/PVC CSA Type TC
- XLPE/LSZH CSA Type TC
- XLPE CSA 600V

MV Cable

- EPR/PVC CSA Type MV-105
- URD TR-XLPE/PE

Ground Wire

- Bare Copper

SCADA System Products

- Industrial Copper & Connectivity Solutions
- Industrial Ethernet Networking
- Industrial Fiber Solutions

Industrial Automation

- Fieldbus Connectivity
- Industrial Copper & Ethernet Cable
- Industrial Ethernet Networking
- Industrial Fiber Solutions

Accessories

- Cable Ties
- Connectors
- Cord Grips
- Fiber Connectors
- Grounding
- Load Break Elbows
- MV Terminations
- Power Connectors
- Splices

Control Cables

Tray Cable

- 600V, 1kV, 2kV
- XLPE, PVC, LSZH
- Specialty: Shielded
- FT4

LV Teck Cable

- 600V, 1kV
- XLPE, PVC, LSZH
- Copper/Aluminum
- FT4

MV Teck Cable

- 5kV, 8kV, 15kV, 25kV, 35kV
- XLPE, EPR, PVC
- Copper/Aluminum
- FT4

HV Cable

- 69kV, 72kV, 138kV+
- XLPE, LLDPE, HDPE
- Copper/Aluminum

Power Cables

MV Power Cable

- 5kV, 15kV, 25kV, 28kV, 35kV
- XLPE, EPR, PVC, LSZH
- FT4

Distribution Cable

- 15kV, 25kV, 28kV, 35kV
- XLPE, EPR, PVC, LLDPE
- Copper/Aluminum

Traction Power Cable

- 1kV, 2kV
- XLPE, EPR, PVC, XLPO, CPE, LSZH
- FT4, STI-NFPA 130, CSA

Mining Cable

- 2kV, 5kV, 8kV, 15kV, 25kV, 35kV
- W, G, G-GC, SHD-GC
- Reflective Tape
- FT4 - TC

Communications & Signal Specialty Cables

Fiber Optic Cable

- Singlemode/Multimode
- Loose Tube/Tight-Buffered
- Gel-filled/Gel-free
- Armoured, Tray-Rated
- LSZH, Direct Burial

Instrumentation Cable

- 150V, 300V, 600V
- XLPE, PVC, AIA, TC

2-Hour Circuit Integrity Systems

VITALink® Comtran 2-Hour Fire Rated Cable

- 72V
- Thermoset LSZH, Polyolefin LSZH
- Multiple Constructions Available
- Shielded/Unshielded
- FT4

VITALink® MC Cable

- Single Conductor: 600V, 2kV
- Multi-Conductor: 600V
- Thermoset LSZH, Polyolefin LSZH
- CCW Copper, Unarmoured
- FT4

ACSR

- ACSR, AAC, OPGW
- Various Sizes Available

Other Cables

- Category 5E and 6
- Coaxial Cable
- Loop Cable
- MV 105
- VFD

Cable Accessories

- Cable Cleats & Cable Ties
- Compression Lugs
- Connectors
- Fire-Rated Splices
- Heat Shrink Tubing
- Heat Shrink Boots
- Identification Products
- Termination Kits
- Mounts and Accessories

Customization Options

Jackets: Specialty colour and resin options available

Shielding Options: Copper Tape, Overlapped (10%-25%), Gapped, and Concentric Neutral

Industrial Automation:

Multiple cable systems with a variety of protocol cables
