A Sonepar Company

**WIRE & CABLE  
SPECIALISTS SINCE  
1978**

## WHY CHOOSE TEXCAN?

**Our expertise lies in providing solutions tailored to each customer's individual needs.**

Texcan has been a leader in the wire and cable industry since 1978, consistently going above and beyond to serve our customers. As one of the largest wire and cable suppliers in Canada, Texcan specializes in serving the electrical market and offers an extensive range of products and specialized services.

At Texcan, our mission is to simplify our customers' lives. We understand that each customer has unique needs, and we are dedicated to providing tailored solutions that meet those requirements. With 800,000 square feet of warehouse space, we maintain a vast inventory of thousands of North American-made items, ensuring prompt shipment and availability.

Our commitment to exceptional customer service is backed by our extensive project experience and in-depth product knowledge. We have a dedicated team of product experts ready to assist our customers, ensuring they receive the right solutions for their projects across diverse industries. At Texcan, we are here to support you every step of the way, providing unmatched service and expertise.

# LOCAL INVENTORY

## WHAT YOU WANT, WHEN YOU NEED IT!!

Texcan takes pride in our extensive inventory, offering a diverse selection of wire and cable options to meet customers' specific requirements. We prioritize convenience, ensuring that our customers have easy access to the products they need, when they need them.

We understand that different industries have unique demands, which is why we carry a wide range of industry-specific products. Our local inventory is tailored to meet the needs of electrical contractors, industrial projects, and more, ensuring that we have the right solutions readily available.

Through our commitment to maintaining extensive local inventory, we significantly reduce lead times for our customers. We recognize the importance of timely project completion, and our inventory management strategy allows us to promptly fulfill orders, ensuring seamless project execution and utmost customer satisfaction.

***When others can't, TEXCAN***  
WIRE & CABLE SPECIALISTS SINCE 1978

# EXPERIENCED WIRE & CABLE EXPERTS

Texcan is known for its team of highly experienced wire and cable experts with deep industry knowledge. With extensive experience, expertise, and strong industry relationships, our experts are dedicated to delivering tailored solutions that meet your specific needs, precisely when you need them.

Our local and corporate teams work closely together, leveraging their knowledge and resources to provide the support you require. Whether you have technical inquiries, need product recommendations, or require guidance on project planning, our experienced experts are here to assist you every step of the way.

Texcan's wire and cable experts adopt a solution-oriented approach to address your unique requirements. They understand the challenges you may face and work diligently to provide innovative and practical solutions.

Through our strong industry relationships, built over the years, we stay up to date with industry trends, access a wide range of high-quality products, and ensure competitive pricing for our customers. Texcan's experienced experts leverage these relationships to provide you with the best possible solutions, supported by reliable products and services.

# INDUSTRIES WE SERVE

Texcan is highly experienced in managing a wide range of large-scale wire and cable projects across various industries. Our team of specialists work closely with engineers, project owners, and contractors to provide start-to-finish support for national and international projects. With extensive experience and a focus on clear communication and efficient execution, Texcan delivers successful outcomes in diverse sectors.

# ENGINEERING SUPPORT: STREAMLINING YOUR PROJECT SUCCESS

By choosing Texcan, you gain access to our dedicated in-house engineering and project management team, along with manufacturer support for your project. The sooner you engage us, the greater the value we can provide.

We can assist in reviewing your bill of materials, ensuring accuracy and efficiency. Our team specializes in streamlining cabling specifications, optimizing designs, and technical compliance throughout the project life-cycle. Our expertise allows us to streamline processes and enhance overall project efficiency.

## PROJECT MANAGEMENT

Texcan's team of specialists are highly skilled in providing wire and cable support for large-scale projects, both nationally and internationally. We work closely with engineers, project owners, and contractors to ensure seamless coordination throughout every stage of the project life-cycle.

When you choose Texcan, you gain access to our in-house engineering and project management team, which is fully dedicated to your project's success. Our experts have extensive knowledge and experience in the industry, allowing them to provide comprehensive support and guidance from the initial planning phase to the final implementation.

Texcan's commitment to excellence and customer satisfaction is unwavering. Our dedicated team is ready to support you every step of the way.

# PRODUCT SOURCING

Texcan's preferred partners are selected based on their reputation for excellence, reliability, and expertise in their respective fields.

These partnerships are built on mutual trust, shared values, and a commitment to delivering exceptional customer experiences.

By collaborating with industry-leading manufacturers and suppliers, Texcan ensures that it consistently offers outstanding products and solutions to its diverse customer base.

# CABLE PRODUCTS AND CUSTOM SOLUTIONS

Texcan supplies a wide range of specialty products, including High Voltage Power Cable, Safety Cable, Connectors, and more. Our products are built to withstand environmental stress, water, and corrosion. With our ability to custom-cut and ship orders on the same day, Texcan ensures you have what you need, precisely when you need it. Trust Texcan for all your specialty cable requirements.

# QUALITY ASSURANCE

Texcan is recognized for its commitment to quality assurance, demonstrated by our ISO 9001:2015 and CSA certifications. These certifications affirm that our operations adhere to rigorous standards, ensuring the delivery of superior products and services to our customers.

Through our comprehensive Quality Management Program, we continuously strive for process improvement. We actively monitor performance metrics, seek customer feedback, and conduct internal & external audits to identify areas for enhancement. This commitment to continuous improvement enables us to exceed customer expectations consistently.

By upholding stringent quality standards and fostering a culture of excellence, Texcan ensures that our customers receive reliable and high-quality solutions for their projects. Our dedication to quality assurance is at the core of our operations, guaranteeing customer satisfaction and trust in our products and services.

## ALL COMMITTED, ALL COMPLIANT

Complying with legal and regulatory requirements is a challenge we meet. However, we not only rise to this challenge but go beyond it, because we make compliance and integrity a core, daily priority for our associates.

Texcan, a part of the Sonepar group, is committed to the highest ethical, social, and environmental standards. We aim to be a responsible corporate citizen in Canada.

# HEALTH & SAFETY

At Texcan, promoting health & safety in our operations is of the utmost importance. We have developed and implemented an extensive health & safety management system, and maintain a remarkable history of incident prevention that we are proud to share upon request

We are focused, responsible, and deeply committed to safeguarding the health and safety of our employees and the environment. Our dedication is reflected in our robust health and safety policy and our “Journey to Zero” vision, which holds individuals accountable for adhering to internal rules, safe work practices, and standard operating procedures.

Texcan has developed a comprehensive health and safety program that complies with provincial regulations and aligns with industry best practices. To ensure transparency with our potential clients, we are registered with contractor registries such as ISN, ComplyWorks, and Avetta.

As part of our culture of continuous improvement, Texcan employs a dedicated Health, Safety, and Environment professional, as well as process Improvement Managers. We are committed to continuously enhancing our practices and maintaining a safe working environment for everyone involved.

# DIVERSITY, INCLUSION AND EQUITY

We value, respect and embrace all differences. We commit to building a fair and impartial business community. We foster a culture where all associates feel valued and have a sense of belonging.

## PRIORITIES

Attract, retain and promote women within our workforce.

Promote Diversity at all levels, and encourage associates from diverse backgrounds to grow within the organization.

Enable an environment that fosters career progression of all associates from all generations.

# OUR MISSION IN SUSTAINABILITY

Today, Sonepar is the world number one in sales of energy-efficient products. We are one of the leading pioneers of the energy transition, making sustainability a priority.

How we take action in Canada:

## GHG Emissions Reduction

Reducing absolute scope 1 & 2 by 46.2%, and scope 3 by 13.6 by 2030

## LED & Motion Retrofit Program

On track to achieve 100% facilities equipped by end of 2023

## Circularity

Implementing Zero Waste to Landfill strategy by 2030; establishing end of life for majority of materials

## Promoting A Low Carbon Fleet

Over 30% of Sonepar facilities are equipped with electric vehicle chargers

## Electric Fleet in Distribution Centres

Over 75% of facilities are using indoor electric equipment.

## Learning & Development

457 associates have taken the Energy Transition Academy training course

## LOCAL EXPERTISE WITH A GLOBAL PRESENCE

Texcan is a proud member of the Sonepar Group. Founded in 1969, the Sonepar Group of companies is an independent family-owned company and global market leader in B to B distribution of electrical products, solutions, and related services. At Texcan, we recognize the importance of global connectivity in delivering exceptional service.

Together, we meet your wire and cable needs both locally and globally. Our dedicated team is passionate about supporting our customers' projects and contracts, ensuring their success and satisfaction. We are Sonepar, "Powered by Difference".

*We are Sonepar, "Powered by Difference".*

# LIVE 24/7, 365 DAYS EMERGENCY SUPPORT

Texcan understands the importance of uninterrupted, year-round operations. We recognize that emergencies and disruptions can bring significant risks and expenses. That's why we are fully committed to providing assistance whenever it's needed. Our dedicated team is available 24/7 to provide live help, ensuring that your operations can swiftly resume without any unnecessary delays.

When a fire threatened to halt a customer's operations, Texcan swiftly assembled a dedicated project team to secure, package and deliver the required cable. This proactive approach not only helped restore the project's time-line but also resulted in significant cost savings for our valued customer.

Texcan knowledgeable experts are here to assist you even after regular business hours, on weekends, and even during holidays. We understand the importance of being there for you when you need us the most, and that's the Texcan advantage.

To access our live assistance, simply call your nearest Texcan branch. We are ready to provide the support you need, anytime, anywhere.

# LOGISTICS FOR EFFICIENT DELIVERIES

Texcan specializes in optimizing logistics to reduce costs, free up warehouse space, and eliminate waste. With our on-time delivery of precisely what is needed, we ensure efficient operations for our customers.

Trust Texcan for streamlined logistics and reliable, timely deliveries.
