

A photograph of three surgeons in an operating room, wearing blue scrubs, masks, and hairnets, focused on a procedure. A large, circular surgical light fixture with many individual lights is positioned above them, casting a bright glow. The background is dark, emphasizing the surgical team and the light fixture.

TEXCAN

A Sonepar Company

**HEALTHCARE
WIRE & CABLE
SOLUTIONS**

Healthcare Projects

At Texcan, we know that effective healthcare solutions begin with the construction and management of the healing environment. We understand that your institution requires a broad selection of wire and cable products to keep everything running smoothly. Whether it's a large urban hospital or a community retirement home, we have you covered with our customized wire and cable solutions.

We work with you to meet the needs of your facility as it evolves to include new technologies and innovations for patient care and safety. From data cables that ensure communications to patients & equipment to fire-resistive cables that help with patient evacuation in emergencies, our project expertise and strong relationships with suppliers ensures project success.

Project Management Experience

Texcan has experience in many large-scale wire and cable projects in various industries. Our team of specialists work with engineers, project owners, and contractors to support major projects in a start-to-finish service cycle.

We deliver quality products and services on time and on budget, while adapting to your project's evolving requirements. Our cost-effective solutions provide peace of mind and help you focus on other aspects of your project progress.

Local Expertise with a Global Presence

Established in 1978, Texcan is one of Canada's largest wire and cable distributors and part of the Sonepar Group of companies. Founded in 1969, Sonepar is an independent family-owned company and global market leader in the B-to-B distribution of electrical products, solutions and related services. Together, we meet your wire and cable needs both locally and globally. We are passionate about our customers' projects and contracts. We are Sonepar, "Powered by Difference".

Technical Resource & Support

Our experienced wire and cable specialists and product management group, including engineering support, can quickly and reliably create cabling solutions that match your specified technical requirements. We can help you adapt to changes quickly to meet tough deadlines.

Featured Products

VITALink® 2-Hour Fire Rated Cables, VITALink® Comtran, and VITALink® MC 2-hour fire rated power cables offer "survivability" for 2 hours in emergency situations while being fully operational to allow for the safe evacuation of patients and healthcare professionals in an emergency.

Supply Chain Efficiencies

We can help you improve supply chain efficiencies through:

- Timely and efficient product management and sourcing solutions
- Extensive knowledge of product applications
- Stock and storage in over 800,000ft² of warehouse space
- Real time inventory tracking
- Custom barcoding
- Specialty cables ordered and shipped JIT

Product Applications

Product Sourcing

Texcan's preferred partners are selected based on their reputation for excellence, reliability, and expertise in their respective fields. These partnerships are built on mutual trust, shared values, and a commitment to delivering exceptional customer experiences.

By collaborating with industry-leading manufacturers and suppliers, Texcan ensures that it consistently offers outstanding products and solutions to its diverse customer base.

...and many more!

Quality & Compliance

Texcan is committed to providing you with products and services of the highest quality.

Certifications:

- ISO 9001:2015
- CSA Class No. 5839-01
- CSA Class No. 5839-81

Memberships:

- ISNetworld
- ComplyWorks

Texcan, a part of the Sonepar Group, is committed to acting as a responsible corporate citizen. We believe that high standards for ethical, social and environmental behaviours are essential and we expect the same of our suppliers.

Emergency & After Hours

When operations are running 24/7, emergency support must be there whenever it's needed. We know disruptions can be dangerous and costly – that's why we have live help available around the clock. Call your [local branch](#) for our Emergency & After Hours Services.

When others can't, *TEXCAN*

WIRE & CABLE SPECIALISTS SINCE 1978

Wire & Cable for Healthcare

Healthcare Power Solutions

MV Cable

- EPR/PVC CSA Type MV-105
- URD TR-XLPE/PE
- 15kV/35kV Concentric Neutral Power Cable
- 15kV 133%/100% Insulation Power Cable

LV Cable

- Teck 600v & 1KV
- ACWU 600v
- Building Wire (Copper & Alum)
- Parallel cable solutions
- Specialty ISO-BX
- Plenum Cables
- Fire Alarm 105C 300v

Communications & Signal Specialty Cables

Fiber Optic Cable

- Singlemode/Multimode
- Loose-Tube/Tight-Buffered
- Gel-filled/Gel-free
- Armoured, Tray-Rated
- LSZH, Direct Burial

Instrumentation Cable

- 150V, 300V, 600V
- XLPE, PVC, AIA, TC
- LSZH
- Shielded/Unshielded

Portable Cords

- High Temperature Cables
- Ultraflex™ Low Temp Cords
- Ultraflex™ Extension Cords
- Retractable Cords
- Type: SJOOW, SOOW, SJTOW, STOW
- Multiconductor

Specialty Control Cables

- Multiconductor
 - Armoured/Unarmoured
- Portable Control Cables
- Shielded Control Cables
- Custom Bundling/Armouring

Accessories

Low Voltage

- A full range of connectors for both armoured/non-armoured installations

Medium Voltage

- A full range of terminations and splice connections for both armoured/non-armoured installations

2-Hour Circuit Integrity Systems

VITALink® MC Cable 2-Hour Fire Rated Cable

- Single Conductor: 600V
- Multi-Conductor: 600V
- Thermoset LSZH, Polyolefin LSZH
- Continuous Corrugated Weld
- FT4

VITALink® Comtran 2-Hour Fire Rated Cable

- 72V
- Thermoset LSZH, Polyolefin LSZH
- Multiple Constructions Available
- Shielded/Unshielded
- FT4

Data Cables

- Category 5E, 6, 6A, 7 Rated Cables
- Co-Axial/Twin-Axial Cables
- Ethernet Cables
- Network Cables
- Patch Cords (Copper/Fiber Optic)
- Armoured Data Cables

Electronic Cables

- Armoured Cables
- Audio/Visual Cables
- Broadcast Cables
- Low Capacitance Wires
- Plenum Wires
- Precision Video Wires
- Industrial Automation Cables
- Belden® Classics & NewGen

Value Added Services

- Cable Management Program
- Specialized Technical Assistance
- 24/7 Emergency Shipping Service
- Custom Cables/Printing/Cutting
- Paralleling/Lagging/Tagging
- Bundling/Armouring
- Bar Coding & Inventory Tracking
- State-of-the-Art Distribution Centre

Customization Options

Jackets: Specialty colour and resin options available

Shielding Options: Copper Tape, Overlapped (10%-25%), Gapped, and Concentric Neutral

Industrial Automation:

Multiple cable systems with a variety of protocol cables
