

HEAT TRACE CABLE

Texcan is now stocking Drexan Heat Trace Cable.

APPLICATIONS

Heat Trace Cable is used in residential, commercial and industrial applications for both metal and plastic pipes. The cable is self-regulating and provides a convenient and reliable freeze protection in hazardous and non-hazardous locations.

FEATURES / APPLICATION INFORMATION

- CSA Approved.
- With suitable protection, will prevent freezing for underground and overhead pipes.
- Self-regulating and energy efficient.
- For use on metal or plastic pipes.
- SJP-Polyolefin-Roof & gutter or industrial up to 85°C.
- SJ-Fluoropolymer-Industrial-Exposure to chemicals or corrosives up to 85°C.
- Cables are certified for both hazardous and non-hazardous locations.
- Higher temperature heat trace cables available upon request.

SIZES

Part Number	Description
83D-OT-5 1 SJP or SJ	120V 5W
83D-OT-8-1 SJP or SJ	120V 8W
83D-OT-10-1 SJP or SJ	120V 10W
83D-OT-5-2SJP or SJ	240V 5W
83D-OT-8-2SJP or SJ	240V 8W
83D-OT-10-2SJP or SJ	240V 10W

HEAT TRACE CABLE

BASIC COMPONENTS

A pipe freeze protection system that uses Drexan Omnitrace heating cable will typically include heating cable and components shown in the illustration below.

CABLE

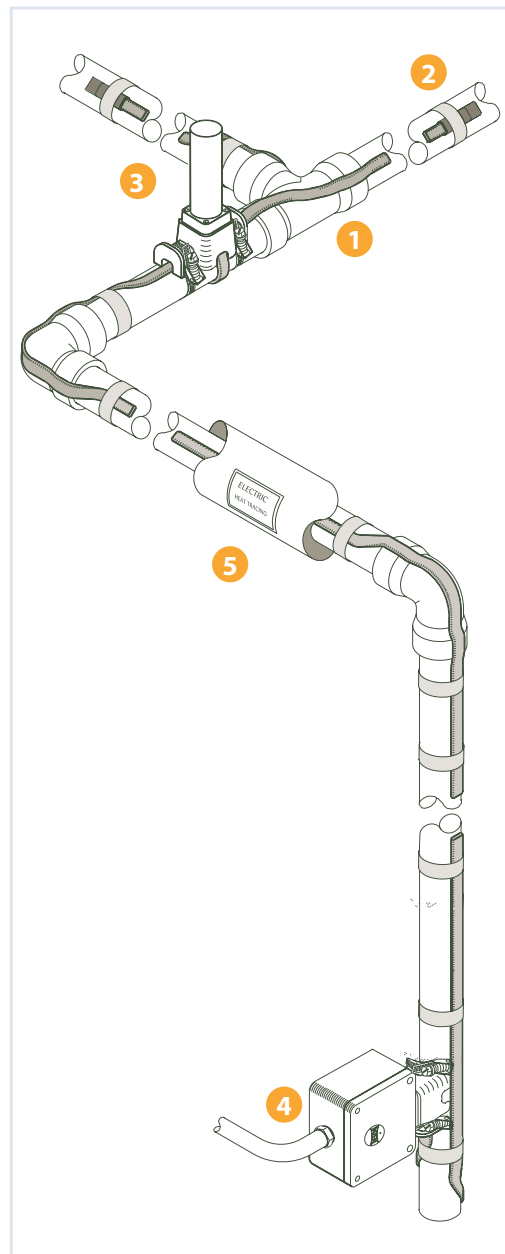

Ref #	Part Number	Description
1	83D-OT-5 1 SJP or SJ	5 W/FT @ 120V
1	83D-OT-8-1 SJP or SJ	8 W/FT @ 120V
1	83D-OT-10-1 SJP or SJ	10 W/FT @ 120V
1	83D-OT-5-2SJP or SJ	5 W/FT @ 240V
1	83D-OT-8-2SJP or SJ	8 W/FT @ 240V
1	83D-OT-10-2SJP or SJ	10 W/FT @ 240V

TERMINATION KITS

Ref #	Part Number	Description
2	83D-HS-ESK	End Seal / 5 piece per package
	83D-HS-TSPLICE	T-Splice Heat Shrink (Under Insulation)
3	83D-AMIGA-LE	Lighted End Seal Kit
3	83D-AMIGA-E	High Profile End Seal
4	83D-AMIGA-1	Power Connection Kit
4	83D-AMIGA-3	Power/Tee (Power up to 3 heaters)
4	83D-HS-PC	Heat Shrink Power Connection kit c/w End Seal, w/o Junction Box
4	83D-HS-JB	Non-metallic Junction Box

INSTALLATION ACCESSORIES

Ref #	Part Number	Description
5	83D-WARN-EN/FR	Warning Labels
	83D-TAPE-AL	Alum Tape used on Plastic Piping (PEX)
	83D-TAPE-GCR-HT	Fiberglass Tape is for Metal Pipes
