

SONEPAR MISSION STATEMENT

Who we are

Sonepar is an independent, family-owned group focused on B-to-B distribution. We thrive on our unique balance of local empowerment and global reach.

What we do

Our job is to make our customers' lives easier, so we dedicate ourselves to understanding and satisfying their needs. While our core business is in the electrical market, we serve customers through multiple channels of distribution, with an expanding range of products, services and solutions.

What we believe

We drive our long-term, profitable and sustainable growth by:

- Striving for lasting loyalty from our Customers
 - Securing the engagement of our skilled and passionate Associates
 - Building strong partnerships with our preferred Suppliers
 - Aligning ourselves with the vision and commitment of our Shareholders
-

What we want

To become *La Référence* for all our stakeholders.
