

The image is a full-page background photograph with a blue color cast. It depicts a renewable energy landscape. In the foreground, there are rows of solar panels, their grid patterns clearly visible. In the mid-ground, several wind turbines are silhouetted against a sky that transitions from a pale blue at the top to a soft orange and pink near the horizon, suggesting a sunset or sunrise. The overall composition is clean and modern, emphasizing clean energy solutions.

TEXCAN

A Sonepar Company

RENEWABLE POWER SOLUTIONS

Renewable Energy

Renewable Energy Projects

Texcan understands that energy needs are expanding across Canada and around the world. We provide customized wire and cable solutions for large-scale renewable energy projects. Every project has unique requirements and we work with you from start to finish to manage your wire and cable needs.

From wind farms to hydroelectric dams, our knowledge of cable selections and applications is unparalleled. We can provide detailed technical engineering data, including data on new industry-specific cable offerings to ensure that you have the best cabling options for your project.

Technical Resource & Support

Our experienced wire and cable specialists and product management group, including engineering support, can quickly and reliably create cabling solutions that match your specified technical requirements. We can help you adapt to changes quickly to meet tough deadlines.

Project Management Experience

Over the last 45 years, we have worked with end users, procurement specialists, engineers, and contractors on projects around the world. Our access to both Texcan and Sonepar resources, along with our strong relationships with suppliers, ensures that your project proceeds smoothly.

Local Expertise with a Global Presence

Established in 1978, Texcan is one of Canada's largest wire and cable distributors and part of the Sonepar Group of companies. Founded in 1969, Sonepar is an independent family-owned company and global market leader in the B-to-B distribution of electrical products, solutions, and related services. Together, we meet your wire and cable needs both locally and globally. We are passionate about our customers' projects and contracts. We are Sonepar, "Powered by Difference".

Cable Management Program

Our extensive, industry-leading Cable Management Program can be customized to help you meet project milestones and help you stay within your budget. The program includes:

- Dedicated team with extensive project management experience
- Product storage and delivery for on-demand release
- Customized packaging and shipping plan
- Customer-specified shipping labels and weather-proof tags
- Documentation adapted to project requirements
- Expediting and progress reports
- Specialized reporting as needed

Quality & Compliance

Texcan is committed to providing you with products and services of the highest quality.

Certifications:

- ISO 9001:2015
- CSA Class No. 5839-01
- CSA Class No. 5839-81

Memberships:

- ISNetwork
- ComplyWorks

Texcan, a part of the Sonepar Group, is committed to acting as a responsible corporate citizen. We believe that high standards for ethical, social and environmental behaviours are essential and we expect the same of our suppliers and their supply chain.

Product Applications

- | | | | |
|---------------------------------------|--------------------------|-------------------------------|----------------------------|
| 1 Photovoltaic Wire | 2 Collector Cable | 3 MV Power Cable | 4 Data Cable |
| 5 Control/Communications Cable | 6 Ground Wire | 7 Overhead Power Lines | 8 Cable Accessories |

Product Sourcing

We are proud of our reputation for sourcing quality wire and cable products for both common and one-of-a-kind applications. Our warehouses across Canada stock over 16,000 products from leading global wire and cable manufacturers. Our partners and suppliers include:

...and many more!

Supply Chain Efficiencies

We can help you improve supply chain efficiencies through:

- Timely and efficient product management and sourcing solutions
- Extensive knowledge of product applications
- Stock and storage in over 800,000ft² of warehouse space
- Real time inventory tracking
- Custom barcoding
- Specialty cables ordered and shipped JIT

Emergency & After Hours

When operations are running 24/7, emergency support must be there whenever it's needed. We know disruptions can be dangerous and costly – that's why we have live help available around the clock.

Texcan customers can depend on a real person for help after hours, on weekends, and holidays. Call your [local branch](#) for our Emergency & After Hours Services.

When others can't, TEXCAN
WIRE & CABLE SPECIALISTS SINCE 1978

Wire & Cable for Major Projects

Renewable Energy Power Solutions

Solar Wire & Cable

- Photovoltaic Wire: RPVU
- Collector Cable: RPVU, RWU90, ACWU
- DLO Cables (600v, 1kV, 2kV)

MV Cable

- EPR/PVC CSA Type MV-105
- URD TR-XLPE/PE
- 15kV/35kV Concentric Neutral Power Cable
- 15kV 133%/100% Insulation Power Cable

Control & LV Cable

- Communications & Control Cables
- SOOW Cables 600V
- XLPE/PVC CSA Type TC
- XLPE/LSZH CSA Type TC
- XLPE CSA 600v

SCADA System Products

- Industrial Copper & Connectivity Solutions
- Industrial Ethernet Networking
- Industrial Fiber Solutions

Industrial Automation

- Fieldbus Connectivity
- Industrial Copper & Ethernet Cable
- Industrial Ethernet Networking
- Industrial Fiber Solutions

Ground Wire

- Bare Copper

Accessories

- Cable Cleats & Ties
- Cable Connectors

- Cord Grips
- Fiber Connectors
- Grounding
- Load Break Elbows
- MV Termination Kits
- Power Connectors
- Fire-Rated Splices
- Compression Lugs
- Mounts and Accessories
- Heat Shrink Tubing
- Heat Shrink Boots
- Identification Products

Control Cables

Tray Cable

- 600V, 1kV, 2kV
- XLPE, PVC, LSZH
- Specialty: Shielded
- FT4

LV Teck Cable

- 600V, 1kV
- XLPE, PVC, LSZH
- Copper/Aluminum
- FT4

MV Teck Cable

- 5kV, 8kV, 15kV, 25kV, 35kV
- XLPE, EPR, PVC
- Copper/Aluminum
- FT4

HV Cable

- 69kV, 72kV, 138kV+
- XLPE, LLDPE, HDPE
- Copper/Aluminum

Power Cables

MV Power Cable

- 5kV, 15kV, 25kV, 28kV, 35kV
- XLPE, EPR, PVC, LSZH
- FT4

Distribution Cable

- 15kV, 25kV, 28kV, 35kV
- XLPE, EPR, PVC, LLDPE
- Copper/Aluminum

Traction Power Cable

- 1kV, 2kV
- XLPE, EPR, PVC, XLPO, CPE, LSZH
- FT4, ST1 NFPA-130, NFPA 502, CSA

Mining Cable

- 2kV, 5kV, 8kV, 15kV, 25kV, 35kV
- W, G, G-GC, SHD-GC
- Reflective Tape
- FT4 - TC

Communications & Signal Specialty Cables

Fiber Optic Cable

- Singlemode/Multimode
- Loose-Tube/Tight-Buffered
- Gel-filled/Gel-free
- Armoured, Tray-Rated
- LSZH, Direct Burial

Instrumentation Cable

- 150V, 300V, 600V
- XLPE, PVC, AIA, TC
- LSZH
- Shielded/Unshielded

2-Hour Circuit Integrity Systems

VITALink® MC Cable 2-Hour Fire Rated Cable

- Single Conductor: 600V
- Multi-Conductor: 600V
- Thermoset LSZH, Polyolefin LSZH
- Continuous Corrugated Weld
- FT4

VITALink® Comtran 2-Hour Fire Rated Cable

- 72V
- Thermoset LSZH, Polyolefin LSZH
- Multiple Constructions Available
- Shielded/Unshielded
- FT4

ACSR

- ACSR, AAC, OPGW
- Various Sizes Available

Customization Options

Jackets: Specialty colour and resin options available

Shielding Options: Copper Tape, Overlapped (10%-25%), Gapped, and Concentric Neutral

Industrial Automation:

Multiple cable systems with a variety of protocol cables
